(a) A taxpayer or the county assessor of the qualifying county in which the industrial facility is located may appeal an assessment by the department of local government finance made under this chapter to the Indiana board. An appeal under this section shall be conducted in the same manner as an appeal under IC 6-1.1-15-4 through IC 6-1.1-15-8. An assessment made under this chapter that is not appealed under this section is a final unappealable order of the department of local government finance.

(b) The Indiana board shall hold a hearing on the appeal and issue an order within one (1) year after the date the appeal is filed: (a) The industrial company that owns or uses the industrial facility assessed by the department of local government finance under this chapter may appeal that assessment to the Indiana board. (d) With respect to an appeal filed by a county assessor under this section the following apply:

(1) In the petition for review to the Indiana board, the county assessor shall state what the county assessor contends the assessed value of the industrial facility should be and provide substantial evidence in support of that contention. Failure to comply with this requirement results in dismissal of the county assessor's petition for review and no further appeal of the assessment by the county assessor may be taken.

(2) Not later than thirty (30) days after the county assessor files a petition for review in compliance with subdivision (1), the Indiana board shall hold a hearing at which the county assessor must establish a reasonable likelihood of success on any contentions made in the petition for review including, without limitation, the contention required under subdivision (1) regarding the assessed value of the real estate. The industrial company whose industrial facility is the subject of the county assessor's petition for review and the department of local government finance has the right to appear at this hearing and to present testimony, to cross-examine witnesses, and to present evidence regarding the county assessor's contentions.

1 if the applicant is an individual; or

2 (B) each individual who qualifies property as a homestead
3 under subsection (a)(2)(B) and the individual's spouse (if any):

4 (i) as the names appear in the records of the United States
5 Social Security Administration for the purposes of the
6 issuance of a Social Security card and Social Security
7 number; or

8 (ii) that they use as their legal names when they sign their
9 names on legal documents;

10 if the applicant is not an individual; and

11 (4) either:

12 (A) the last five (5) digits of the applicant's Social Security
13 number and the last five (5) digits of the Social Security
14 number of the applicant's spouse (if any); or

15 (B) if the applicant or the applicant's spouse (if any) do not
16 have a Social Security number, any of the following for that
17 individual:

18 (i) The last five (5) digits of the individual's driver's license
19 number.

20 (ii) The last five (5) digits of the individual's state
21 identification card number.

22 (iii) If the individual does not have a driver's license or a
23 state identification card, the last five (5) digits of a control
24 number that is on a document issued to the individual by the
25 federal government and determined by the department of
26 local government finance to be acceptable.

27 If a form or statement provided to the county auditor under this section,
28 IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or
29 part or all of the Social Security number of a party or other number
30 described in subdivision (4)(B) of a party, the telephone number and
31 the Social Security number or other number described in subdivision
32 (4)(B) included are confidential. The statement may be filed in person
33 or by mail. If the statement is mailed, the mailing must be postmarked
34 on or before the last day for filing. The statement applies for that first
35 year and any succeeding year for which the deduction is allowed. With
36 respect to real property, the **person statement must file the statement**
37 **during be completed and dated in the calendar** year for which the
38 person desires to obtain the deduction **and filed with the county**
39 **auditor on or before January 10 of the immediately succeeding**
40 **calendar year.** With respect to a mobile home that is not assessed as
41 real property, the person must file the statement during the twelve (12)
42 months before March 31 of the year for which the person desires to

1 obtain the deduction.

2 (f) If an individual who is receiving the deduction provided by this
3 section or who otherwise qualifies property for a deduction under this
4 section:

5 (1) changes the use of the individual's property so that part or all
6 of the property no longer qualifies for the deduction under this
7 section; or

8 (2) is no longer eligible for a deduction under this section on
9 another parcel of property because:

10 (A) the individual would otherwise receive the benefit of more
11 than one (1) deduction under this chapter; or

12 (B) the individual maintains the individual's principal place of
13 residence with another individual who receives a deduction
14 under this section;

15 the individual must file a certified statement with the auditor of the
16 county, notifying the auditor of the change of use, not more than sixty
17 (60) days after the date of that change. An individual who fails to file
18 the statement required by this subsection is liable for any additional
19 taxes that would have been due on the property if the individual had
20 filed the statement as required by this subsection plus a civil penalty
21 equal to ten percent (10%) of the additional taxes due. The civil penalty
22 imposed under this subsection is in addition to any interest and
23 penalties for a delinquent payment that might otherwise be due. One
24 percent (1%) of the total civil penalty collected under this subsection
25 shall be transferred by the county to the department of local
26 government finance for use by the department in establishing and
27 maintaining the homestead property database under subsection (i) and,
28 to the extent there is money remaining, for any other purposes of the
29 department. This amount becomes part of the property tax liability for
30 purposes of this article.

31 (g) The department of local government finance shall adopt rules or
32 guidelines concerning the application for a deduction under this
33 section.

34 (h) This subsection does not apply to property in the first year for
35 which a deduction is claimed under this section if the sole reason that
36 a deduction is claimed on other property is that the individual or
37 married couple maintained a principal residence at the other property
38 on March 1 in the same year in which an application for a deduction is
39 filed under this section or, if the application is for a homestead that is
40 assessed as personal property, on March 1 in the immediately
41 preceding year and the individual or married couple is moving the
42 individual's or married couple's principal residence to the property that

C
o
p

is the subject of the application. The county auditor may not grant an individual or a married couple a deduction under this section if:

(1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and

(2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.5.

(j) The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

SECTION 46. IC 6-1.1-12-38, AS AMENDED BY P.L.1-2009, SECTION 39, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 38. (a) A person is entitled to a deduction from the assessed value of the person's property in an amount equal to the difference between:

(1) the assessed value of the person's property, including the assessed value of the improvements made to comply with the fertilizer storage rules adopted by the state chemist under IC 15-16-2-44 and the pesticide storage rules adopted by the state chemist under IC 15-16-4-52; minus

(2) the assessed value of the person's property, excluding the assessed value of the improvements made to comply with the fertilizer storage rules adopted by the state chemist under IC 15-16-2-44 and the pesticide storage rules adopted by the state chemist under IC 15-16-4-52.

(b) To obtain the deduction under this section, a person must file a certified statement in duplicate, on forms prescribed by the department of local government finance, with the auditor of the county in which the property is subject to assessment. In addition to the certified statement, the person must file a certification by the state chemist listing the improvements that were made to comply with the fertilizer storage rules adopted under IC 15-16-2-44 and the pesticide storage rules adopted by the state chemist under IC 15-16-4-52. Subject to section 45 of this chapter, the statement and certification must be filed during

1 **completed and dated in the calendar year preceding the year for**
 2 **which the person wishes to obtain the deduction will first be applied.**
 3 **and filed with the county auditor on or before January 10 of the**
 4 **immediately succeeding calendar year.** Upon the verification of the
 5 statement and certification by the assessor of the township in which the
 6 property is subject to assessment, or the county assessor if there is no
 7 township assessor for the township, the county auditor shall allow the
 8 deduction.

9 (c) The deduction provided by this section applies only if the
 10 person:

- 11 (1) owns the property; or
- 12 (2) is buying the property under contract;
- 13 on the assessment date for which the deduction applies.

14 SECTION 47. IC 6-1.1-15-1, AS AMENDED BY P.L.136-2009,
 15 SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 16 JULY 1, 2009]: Sec. 1. (a) A taxpayer may obtain a review by the
 17 county board of a county or township official's action with respect to
 18 either or both of the following:

- 19 (1) The assessment of the taxpayer's tangible property.
- 20 (2) A deduction for which a review under this section is
- 21 authorized by any of the following:
- 22 (A) IC 6-1.1-12-25.5.
- 23 (B) IC 6-1.1-12-28.5.
- 24 (C) IC 6-1.1-12-35.5.
- 25 (D) IC 6-1.1-12.1-5.
- 26 (E) IC 6-1.1-12.1-5.3.
- 27 (F) IC 6-1.1-12.1-5.4.

28 (b) At the time that notice of an action referred to in subsection (a)
 29 is given to the taxpayer, the taxpayer shall also be informed in writing
 30 of:

- 31 (1) the opportunity for a review under this section, including a
- 32 preliminary informal meeting under subsection (h)(2) with the
- 33 county or township official referred to in this subsection; and
- 34 (2) the procedures the taxpayer must follow in order to obtain a
- 35 review under this section.

36 (c) In order to obtain a review of an assessment or deduction
 37 effective for the assessment date to which the notice referred to in
 38 subsection (b) applies, the taxpayer must file a notice in writing with
 39 the county or township official referred to in subsection (a) not later
 40 than forty-five (45) days after the date of the notice referred to in
 41 subsection (b).

42 (d) A taxpayer may obtain a review by the county board of the

C
o
p

assessment of the taxpayer's tangible property effective for an assessment date for which a notice of assessment is not given as described in subsection (b). To obtain the review, the taxpayer must file a notice in writing with the township assessor, or the county assessor if the township is not served by a township assessor. The right of a taxpayer to obtain a review under this subsection for an assessment date for which a notice of assessment is not given does not relieve an assessing official of the duty to provide the taxpayer with the notice of assessment as otherwise required by this article. The notice to obtain a review must be filed not later than the later of:

- (1) May 10 of the year; or
- (2) forty-five (45) days after the date of the tax statement mailed by the county treasurer, regardless of whether the assessing official changes the taxpayer's assessment.

(e) A change in an assessment made as a result of a notice for review filed by a taxpayer under subsection (d) after the time prescribed in subsection (d) becomes effective for the next assessment date. A change in an assessment made as a result of a notice for review filed by a taxpayer under subsection (c) or (d) remains in effect from the assessment date for which the change is made until the next assessment date for which the assessment is changed under this article.

(f) The written notice filed by a taxpayer under subsection (c) or (d) must include the following information:

- (1) The name of the taxpayer.
- (2) The address and parcel or key number of the property.
- (3) The address and telephone number of the taxpayer.
- (g) The filing of a notice under subsection (c) or (d):
 - (1) initiates a review under this section; and
 - (2) constitutes a request by the taxpayer for a preliminary informal meeting with the official referred to in subsection (a).

(h) A county or township official who receives a notice for review filed by a taxpayer under subsection (c) or (d) shall:

- (1) immediately forward the notice to the county board; and
- (2) attempt to hold a preliminary informal meeting with the taxpayer to resolve as many issues as possible by:
 - (A) discussing the specifics of the taxpayer's assessment or deduction;
 - (B) reviewing the taxpayer's property record card;
 - (C) explaining to the taxpayer how the assessment or deduction was determined;
 - (D) providing to the taxpayer information about the statutes, rules, and guidelines that govern the determination of the

**C
o
p
y**

- 1 assessment or deduction;
- 2 (E) noting and considering objections of the taxpayer;
- 3 (F) considering all errors alleged by the taxpayer; and
- 4 (G) otherwise educating the taxpayer about:
 - 5 (i) the taxpayer's assessment or deduction;
 - 6 (ii) the assessment or deduction process; and
 - 7 (iii) the assessment or deduction appeal process.
- 8 (i) Not later than ten (10) days after the informal preliminary
- 9 meeting, the official referred to in subsection (a) shall forward to the
- 10 county auditor and the county board the results of the conference on a
- 11 form prescribed by the department of local government finance that
- 12 must be completed and signed by the taxpayer and the official. The
- 13 form must indicate the following:
 - 14 (1) If the taxpayer and the official agree on the resolution of all
 - 15 assessment or deduction issues in the review, a statement of:
 - 16 (A) those issues; and
 - 17 (B) the assessed value of the tangible property or the amount
 - 18 of the deduction that results from the resolution of those issues
 - 19 in the manner agreed to by the taxpayer and the official.
 - 20 (2) If the taxpayer and the official do not agree on the resolution
 - 21 of all assessment or deduction issues in the review:
 - 22 (A) a statement of those issues; and
 - 23 (B) the identification of:
 - 24 (i) the issues on which the taxpayer and the official agree;
 - 25 and
 - 26 (ii) the issues on which the taxpayer and the official
 - 27 disagree.
 - 28 (j) If the county board receives a form referred to in subsection
 - 29 (i)(1) before the hearing scheduled under subsection (k):
 - 30 (1) the county board shall cancel the hearing;
 - 31 (2) the county official referred to in subsection (a) shall give
 - 32 notice to the taxpayer, the county board, the county assessor, and
 - 33 the county auditor of the assessment or deduction in the amount
 - 34 referred to in subsection (i)(1)(B); and
 - 35 (3) if the matter in issue is the assessment of tangible property,
 - 36 the county board may reserve the right to change the assessment
 - 37 under IC 6-1.1-13.
 - 38 (k) If:
 - 39 (1) subsection (i)(2) applies; or
 - 40 (2) the county board does not receive a form referred to in
 - 41 subsection (i) not later than one hundred twenty (120) days after
 - 42 the date of the notice for review filed by the taxpayer under

C
o
p

subsubsection (c) or (d);
 the county board shall hold a hearing on a review under this subsection not later than one hundred eighty (180) days after the date of that notice. The county board shall, by mail, give notice of the date, time, and place fixed for the hearing to the taxpayer and the county or township official with whom the taxpayer filed the notice for review. The taxpayer and the county or township official with whom the taxpayer filed the notice for review are parties to the proceeding before the county board. ~~The county assessor is recused from any action the county board takes with respect to an assessment determination by the county assessor.~~

(l) At the hearing required under subsection (k):

(1) the taxpayer may present the taxpayer's reasons for disagreement with the assessment or deduction; and

(2) the county or township official with whom the taxpayer filed the notice for review must present:

(A) the basis for the assessment or deduction decision; and

(B) the reasons the taxpayer's contentions should be denied.

(m) The official referred to in subsection (a) may not require the taxpayer to provide documentary evidence at the preliminary informal meeting under subsection (h). The county board may not require a taxpayer to file documentary evidence or summaries of statements of testimonial evidence before the hearing required under subsection (k). If the action for which a taxpayer seeks review under this section is the assessment of tangible property, the taxpayer is not required to have an appraisal of the property in order to do the following:

(1) Initiate the review.

(2) Prosecute the review.

(n) The county board shall prepare a written decision resolving all of the issues under review. The county board shall, by mail, give notice of its determination not later than one hundred twenty (120) days after the hearing under subsection (k) to the taxpayer, the official referred to in subsection (a), the county assessor, and the county auditor.

(o) If the maximum time elapses:

(1) under subsection (k) for the county board to hold a hearing; or

(2) under subsection (n) for the county board to give notice of its determination;

the taxpayer may initiate a proceeding for review before the Indiana board by taking the action required by section 3 of this chapter at any time after the maximum time elapses.

(p) This subsection applies if the assessment for which a notice of review is filed increased the assessed value of the assessed

property by more than five percent (5%) over the assessed value finally determined for the immediately preceding assessment date. The county assessor or township assessor making the assessment has the burden of proving that the assessment is correct.

SECTION 48. IC 6-1.1-15-12, AS AMENDED BY P.L.146-2008, SECTION 140, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MARCH 1, 2009 (RETROACTIVE)]: Sec. 12. (a) Subject to the limitations contained in subsections (c) and (d), a county auditor shall correct errors which are discovered in the tax duplicate for any one (1) or more of the following reasons:

- (1) The description of the real property was in error.
- (2) The assessment was against the wrong person.
- (3) Taxes on the same property were charged more than one (1) time in the same year.
- (4) There was a mathematical error in computing the taxes or penalties on the taxes.
- (5) There was an error in carrying delinquent taxes forward from one (1) tax duplicate to another.
- (6) The taxes, as a matter of law, were illegal.
- (7) There was a mathematical error in computing an assessment.
- (8) Through an error of omission by any state or county officer, the taxpayer was not given credit for an exemption or deduction permitted by law.

(b) The county auditor shall correct an error described under subsection (a)(1), (a)(2), (a)(3), (a)(4), or (a)(5) when the county auditor finds that the error exists.

(c) If the tax is based on an assessment made or determined by the department of local government finance, the county auditor shall not correct an error described under subsection (a)(6), (a)(7), or (a)(8) until after the correction is either approved by the department of local government finance or ordered by the tax court.

(d) If the tax is not based on an assessment made or determined by the department of local government finance, the county auditor shall correct an error described under subsection (a)(6), (a)(7), or (a)(8) only if the correction is first approved by at least two (2) of the following officials:

- (1) The township assessor (if any).
- (2) The county auditor.
- (3) The county assessor.

If two (2) of these officials do not approve such a correction, the county auditor shall refer the matter to the county board for determination. The county board shall provide a copy of the determination to the taxpayer

C
o
p

and to the county auditor.

(e) A taxpayer may appeal a determination of the county board to the Indiana board for a final administrative determination. An appeal under this section shall be conducted in the same manner as appeals under sections 4 through 8 of this chapter. The Indiana board shall send the final administrative determination to the taxpayer, the county auditor, the county assessor, and the township assessor (if any).

(f) If a correction or change is made in the tax duplicate after it is delivered to the county treasurer, the county auditor shall transmit a certificate of correction to the county treasurer. The county treasurer shall keep the certificate as the voucher for settlement with the county auditor.

(g) A taxpayer that files a personal property tax return under IC 6-1.1-3 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's personal property tax return. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's personal property tax return, the taxpayer must instead file an amended personal property tax return under IC 6-1.1-3-7.5.

(h) A taxpayer that files a statement under IC 6-1.1-8-19 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's statement. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's statement, the taxpayer must instead initiate an objection under IC 6-1.1-8-28 or an appeal under IC 6-1.1-8-30.

~~(i) A taxpayer that files a statement under IC 6-1.1-8-23 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's statement. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's statement, the taxpayer must instead file an amended statement not more than six (6) months after the due date of the statement.~~

SECTION 49. IC 6-1.1-16-1, AS AMENDED BY P.L.146-2008, SECTION 144, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2005 (RETROACTIVE)]: Sec. 1. (a) **Subject to subsection (f) and** except as provided in section 2 of this chapter, an assessing official or county property tax assessment board of appeals may not change the assessed value claimed by a taxpayer on a personal property return unless the assessing official or county property tax assessment board of appeals takes the action and gives the notice required by IC 6-1.1-3-20 within the following periods:

(1) A township assessor (if any) must make a change in the assessed value and give the notice of the change on or before the

C

later of:

(A) September 15 of the year for which the assessment is made; or

(B) four (4) months from the date the personal property return is filed if the return is filed after May 15 of the year for which the assessment is made.

(2) A county assessor or county property tax assessment board of appeals must make a change in the assessed value, including the final determination by the board of an assessment changed by an assessing official, and give the notice of the change on or before the later of:

(A) October 30 of the year for which the assessment is made; or

(B) five (5) months from the date the personal property return is filed if the return is filed after May 15 of the year for which the assessment is made.

(3) The department of local government finance must make a preliminary change in the assessed value and give the notice of the change on or before the later of:

(A) October 1 of the year immediately following the year for which the assessment is made; or

(B) sixteen (16) months from the date the personal property return is filed if the return is filed after May 15 of the year for which the assessment is made.

(b) **Subject to subsection (f) and** except as provided in section 2 of this chapter, if an assessing official or a county property tax assessment board of appeals fails to change an assessment and give notice of the change within the time prescribed by this section, the assessed value claimed by the taxpayer on the personal property return is final.

(c) This section does not limit the authority of a county auditor to correct errors in a tax duplicate under IC 6-1.1-15-12.

(d) This section does not apply if the taxpayer:

(1) fails to file a personal property return which substantially complies with this article and the regulations of the department of local government finance; or

(2) files a fraudulent personal property return with the intent to evade the payment of property taxes.

(e) A taxpayer may appeal a preliminary determination of the department of local government finance under subsection (a)(3) to the Indiana board. An appeal under this subdivision shall be conducted in the same manner as an appeal under IC 6-1.1-15-4 through IC 6-1.1-15-8. A preliminary determination that is not appealed under

C
o
p
y

1 this subsection is a final unappealable order of the department of local
2 government finance.

3 **(f) Subsections (a) and (b) do not apply to a change in the**
4 **assessed value of personal property that results from the resolution**
5 **of an appeal under IC 6-1.1-15.**

6 SECTION 50. IC 6-1.1-17-0.5, AS AMENDED BY P.L.90-2009,
7 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
8 JANUARY 1, 2009 (RETROACTIVE)]: Sec. 0.5. (a) For purposes of
9 this section, "assessed value" has the meaning set forth in
10 IC 6-1.1-1-3(a).

11 (b) The county auditor may exclude and keep separate on the tax
12 duplicate for taxes payable in a calendar year the assessed value of
13 tangible property that meets the following conditions:

14 (1) The assessed value of the property is at least nine percent
15 (9%) of the assessed value of all tangible property subject to
16 taxation by a taxing unit.

17 (2) The property is or has been part of a bankruptcy estate that is
18 subject to protection under the federal bankruptcy code.

19 (3) The owner of the property has discontinued all business
20 operations on the property.

21 (4) There is a high probability that the taxpayer will not pay
22 property taxes due on the property in the following year.

23 (c) This section does not limit, restrict, or reduce in any way the
24 property tax liability on the property.

25 (d) For each taxing unit located in the county, the county auditor
26 may reduce for a calendar year the taxing unit's assessed value that is
27 certified to the department of local government finance under section
28 1 of this chapter and used to set tax rates for the taxing unit for taxes
29 first due and payable in the immediately succeeding calendar year. The
30 county auditor may reduce a taxing unit's assessed value under this
31 subsection only to enable the taxing unit to absorb the effects of
32 reduced property tax collections in the immediately succeeding
33 calendar year that are expected to result from any or a combination of
34 the following:

35 (1) Successful appeals of the assessed value of property located
36 in the taxing unit.

37 (2) Deductions under IC 6-1.1-12-37 **and IC 6-1.1-12-37.5 that**
38 **are granted result from the granting of applications for the**
39 **standard deduction for the calendar year under**
40 **IC 6-1.1-12-37 or IC 6-1.1-12-44** after the county auditor
41 certifies assessed value as described in this section.

42 (3) Deductions that result from the granting of applications for

C
o
p

deductions for the calendar year under IC 6-1.1-12-44 after the county auditor certifies assessed value as described in this section.

(4) Reassessments of real property under IC 6-1.1-4-11.5.

Not later than December 31 of each year, the county auditor shall send a certified statement, under the seal of the board of county commissioners, to the fiscal officer of each political subdivision of the county and to the department of local government finance. The certified statement must list any adjustments to the amount of the reduction under this subsection and the information submitted under section 1 of this chapter that are necessary. The county auditor shall keep separately on the tax duplicate the amount of any reductions made under this subsection. The maximum amount of the reduction authorized under this subsection is determined under subsection (e).

(e) The amount of the reduction in a taxing unit's assessed value for a calendar year under subsection (d) may not exceed two percent (2%) of the assessed value of tangible property subject to assessment in the taxing unit in that calendar year.

(f) The amount of a reduction under subsection (d) may not be offered in a proceeding before the:

- (1) county property tax assessment board of appeals;
- (2) Indiana board; or
- (3) Indiana tax court;

as evidence that a particular parcel has been improperly assessed.

SECTION 51. IC 6-1.1-17-3, AS AMENDED BY P.L.87-2009, SECTION 6, AND AS AMENDED BY P.L.136-2009, SECTION 6, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 3. (a) The proper officers of a political subdivision shall formulate its estimated budget and its proposed tax rate and tax levy on the form prescribed by the department of local government finance and approved by the state board of accounts. The political subdivision shall give notice by publication to taxpayers of:

- (1) the estimated budget;
- (2) the estimated maximum permissible levy;
- (3) the current and proposed tax levies of each fund; and
- (4) the amounts of excessive levy appeals to be requested.

In the notice, the political subdivision shall also state the time and place at which a public hearing will be held on these items. The notice shall be published twice in accordance with IC 5-3-1 with the first publication at least ten (10) days before the date fixed for the public hearing. Beginning in 2009, the duties required by this subsection must

subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter.

(b) Subject to the limitations and requirements prescribed in this section, the department of local government finance may review, revise, reduce, or increase the budget by fund, tax rate, or tax levy of any of the political subdivisions whose tax rates compose the aggregate tax rate within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.

(c) Except as provided in subsections (j) and (k), before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section, the department must hold a public hearing on the budget, tax rate, and tax levy. The department of local government finance shall hold the hearing in the county in which the political subdivision is located. However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision written notification specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ~~two (2)~~ **weeks ten (10) calendar days** from the date the political subdivision receives the notice to provide a written response to the department of local government finance's Indianapolis office.  4 department is in error. The department of local government finance
 5 shall consider the adjustments as specified in the political subdivision's
 6 response if the response is provided as required by this subsection and
 7 shall deliver a final decision to the political subdivision.

8 (e) The department of local government finance may not approve a
 9 levy for lease payments by a city, town, county, library, or school
 10 corporation if the lease payments are payable to a building corporation
 11 for use by the building corporation for debt service on bonds and if:

- 12 (1) no bonds of the building corporation are outstanding; or
- 13 (2) the building corporation has enough legally available funds on
 14 hand to redeem all outstanding bonds payable from the particular
 15 lease rental levy requested.

16 (f) The department of local government finance shall certify its
 17 action to:

- 18 (1) the county auditor;
- 19 (2) the political subdivision if the department acts pursuant to an
 20 appeal initiated by the political subdivision;

 22 chapter, or, if the appeal was initiated by multiple taxpayers, the
 23 first ten (10) taxpayers whose names appear on the statement filed
 24 to initiate the appeal; and
- 25 (4) a taxpayer that owns property that represents at least ten
 26 percent (10%) of the taxable assessed valuation in the political
 27 subdivision.

28 (g) The following may petition for judicial review of the final
 29 determination of the department of local government finance under
 30 subsection (f):

- 31 (1) If the department acts under an appeal initiated by a political
 32 subdivision, the political subdivision.
- 33 (2) If the department:
- 34 (A) acts under an appeal initiated by one (1) or more taxpayers

subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15th of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, the department of local government finance may increase a political subdivision's tax levy to an amount that exceeds the amount originally fixed by the political subdivision if the increase is:

(1) requested in writing by the officers of the political subdivision;

(2) either:

(A) based on information first obtained by the political subdivision after the public hearing under section 3 of this chapter; or

(B) results from an inadvertent mathematical error made in determining the levy; and

(3) published by the political subdivision according to a notice provided by the department.

(j) The department of local government finance shall annually review the budget by fund of each school corporation not later than April 1. The department of local government finance shall give the school corporation written notification specifying any revision, reduction, or increase the department proposes in the school corporation's budget by fund. A public hearing is not required in connection with this review of the budget.

(k) The department of local government finance may hold a hearing under subsection (c) only if the notice required in section 12 of this chapter is published at least ten (10) days before the date of the hearing.

subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.

(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.

SECTION 62. IC 6-1.1-17-20.5, AS ADDED BY P.L.146-2008, SECTION 164, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20.5. (a) This section applies to the governing body of a taxing unit unless a majority of the governing body is comprised of officials who are elected to serve on the governing body. **For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.**

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include:

(1) **a school corporation; or**

(2) an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:

(1) the assessed valuation of a taxing unit is entirely contained within a city or town; or

(2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the city or town fiscal body.

(d) This subsection applies to a taxing unit not described in subsection (c). The governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the county fiscal body in the county where the taxing unit has the most net assessed valuation.

SECTION 63. IC 6-1.1-18.5-2, AS AMENDED BY P.L.1-2008, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 2. (a) As used in this section, "Indiana nonfarm

C
o
p

personal income" means the estimate of total nonfarm personal income for Indiana in a calendar year as computed by the federal Bureau of Economic Analysis using any actual data for the calendar year and any estimated data determined appropriate by the federal Bureau of Economic Analysis.

(b) Subject to subsection (c), for purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the ~~assessed value~~ **levy growth quotient multiplier** determined in the last STEP of the following STEPS:

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

(A) The STEP THREE quotient.

(B) One and six-hundredths (1.06).

(c) This subsection applies only to civil taxing units in Lake County. Notwithstanding any other provision, for property taxes first due and payable after December 31, 2007, the ~~assessed value~~ **levy growth quotient multiplier** used to determine a civil taxing unit's maximum permissible ad valorem property tax levy under this chapter for a particular calendar year is one (1) unless a tax rate of one percent (1%) will be in effect under IC 6-3.5-1.1-26 or IC 6-3.5-6-32 in Lake County for that calendar year.

SECTION 64. IC 6-1.1-18.5-3, AS AMENDED BY P.L.146-2008, SECTION 169, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 3. (a) A civil taxing unit that is treated as not being located in an adopting county under section 4 of this chapter may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Add the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year to the part of the civil taxing unit's certified share, if any, that was used to reduce the civil taxing unit's ad valorem property tax levy under

C
o
p
y

STEP EIGHT of subsection (b) for that preceding calendar year.
 STEP TWO: Multiply the amount determined in STEP ONE by
 the ~~amount determined in the last STEP of section 2(b) of this~~
~~chapter: levy growth multiplier.~~

STEP THREE: Determine the lesser of one and fifteen hundredths
 (1.15) or the quotient (rounded to the nearest ten-thousandth
 (0.0001)), of the assessed value of all taxable property subject to
 the civil taxing unit's ad valorem property tax levy for the ensuing
 calendar year, divided by the assessed value of all taxable
 property that is subject to the civil taxing unit's ad valorem
 property tax levy for the ensuing calendar year and that is
 contained within the geographic area that was subject to the civil
 taxing unit's ad valorem property tax levy in the preceding
 calendar year.

STEP FOUR: Determine the greater of the amount determined in
 STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by
 the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the
 amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined
 under STEP FIVE or the amount determined under STEP SIX.

(b) Except as otherwise provided in this chapter, a civil taxing unit
 that is treated as being located in an adopting county under section 4 of
 this chapter may not impose an ad valorem property tax levy for an
 ensuing calendar year that exceeds the amount determined in the last
 STEP of the following STEPS:

STEP ONE: Add the civil taxing unit's maximum permissible ad
 valorem property tax levy for the preceding calendar year to the
 part of the civil taxing unit's certified share, if any, used to reduce
 the civil taxing unit's ad valorem property tax levy under STEP
 EIGHT of this subsection for that preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by
 the ~~amount determined in the last STEP of section 2(b) of this~~
~~chapter: levy growth multiplier.~~

STEP THREE: Determine the lesser of one and fifteen hundredths
 (1.15) or the quotient of the assessed value of all taxable property
 subject to the civil taxing unit's ad valorem property tax levy for
 the ensuing calendar year divided by the assessed value of all
 taxable property that is subject to the civil taxing unit's ad
 valorem property tax levy for the ensuing calendar year and that
 is contained within the geographic area that was subject to the

C
o
p

civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount determined under subsection (c).

STEP SEVEN: Determine the greater of the amount determined under STEP FIVE or the amount determined under STEP SIX.

STEP EIGHT: Subtract the amount determined under STEP FIVE of subsection (e) from the amount determined under STEP SEVEN of this subsection.

(c) The amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as applicable, equals the sum of the following:

(1) If a civil taxing unit in the immediately preceding calendar year provided an area outside its boundaries with services on a contractual basis and in the ensuing calendar year that area has been annexed by the civil taxing unit, the amount paid by the annexed area during the immediately preceding calendar year for services that the civil taxing unit must provide to that area during the ensuing calendar year as a result of the annexation.

(2) If the civil taxing unit has had an excessive levy appeal approved under section ~~13(a)(1)~~ **13(1)** of this chapter for the ensuing calendar year, an amount determined by the civil taxing unit for the ensuing calendar year that does not exceed the amount of that excessive levy.

In all other cases, the amount to be entered under STEP SIX of subsection (a) or STEP SIX of subsection (b), as the case may be, equals zero (0).

(d) This subsection applies only to civil taxing units located in a county having a county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) of one percent (1%) as of January 1 of the ensuing calendar year. For each civil taxing unit, the amount to be added to the amount determined in subsection (e), STEP FOUR, is determined using the following formula:

STEP ONE: Multiply the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year by two percent (2%).

STEP TWO: For the determination year, the amount to be used as the STEP TWO amount is the amount determined in subsection

C
o
p

(f) for the civil taxing unit. For each year following the determination year the STEP TWO amount is the lesser of:

- (A) the amount determined in STEP ONE; or
- (B) the amount determined in subsection (f) for the civil taxing unit.

STEP THREE: Determine the greater of:

- (A) zero (0); or
- (B) the civil taxing unit's certified share for the ensuing calendar year minus the greater of:
 - (i) the civil taxing unit's certified share for the calendar year that immediately precedes the ensuing calendar year; or
 - (ii) the civil taxing unit's base year certified share.

STEP FOUR: Determine the greater of:

- (A) zero (0); or
- (B) the amount determined in STEP TWO minus the amount determined in STEP THREE.

Add the amount determined in STEP FOUR to the amount determined in subsection (e), STEP THREE, as provided in subsection (e), STEP FOUR.

(e) For each civil taxing unit, the amount to be subtracted under subsection (b), STEP EIGHT, is determined using the following formula:

STEP ONE: Determine the lesser of the civil taxing unit's base year certified share for the ensuing calendar year, as determined under section 5 of this chapter, or the civil taxing unit's certified share for the ensuing calendar year.

STEP TWO: Determine the greater of:

- (A) zero (0); or
- (B) the remainder of:
 - (i) the amount of federal revenue sharing money that was received by the civil taxing unit in 1985; minus
 - (ii) the amount of federal revenue sharing money that will be received by the civil taxing unit in the year preceding the ensuing calendar year.

STEP THREE: Determine the lesser of:

- (A) the amount determined in STEP TWO; or
- (B) the amount determined in subsection (f) for the civil taxing unit.

STEP FOUR: Add the amount determined in subsection (d), STEP FOUR, to the amount determined in STEP THREE.

STEP FIVE: Subtract the amount determined in STEP FOUR from the amount determined in STEP ONE.

C
o
p

(f) As used in this section, a taxing unit's "determination year" means the latest of:

(1) calendar year 1987, if the taxing unit is treated as being located in an adopting county for calendar year 1987 under section 4 of this chapter;

(2) the taxing unit's base year, as defined in section 5 of this chapter, if the taxing unit is treated as not being located in an adopting county for calendar year 1987 under section 4 of this chapter; or

(3) the ensuing calendar year following the first year that the taxing unit is located in a county that has a county adjusted gross income tax rate of more than one-half percent (0.5%) on July 1 of that year.

The amount to be used in subsections (d) and (e) for a taxing unit depends upon the taxing unit's certified share for the ensuing calendar year, the taxing unit's determination year, and the county adjusted gross income tax rate for resident county taxpayers (as defined in IC 6-3.5-1.1-1) that is in effect in the taxing unit's county on July 1 of the year preceding the ensuing calendar year. For the determination year and the ensuing calendar years following the taxing unit's determination year, the amount is the taxing unit's certified share for the ensuing calendar year multiplied by the appropriate factor prescribed in the following table:

COUNTIES WITH A TAX RATE OF 1/2%

Year	Subsection (e) Factor
For the determination year and each ensuing calendar year following the determination year	0

COUNTIES WITH A TAX RATE OF 3/4%

Year	Subsection (e) Factor
For the determination year and each ensuing calendar year following the determination year	1/2

COUNTIES WITH A TAX RATE OF 1.0%

Year	Subsection (d) Factor	Subsection (e) Factor
For the determination year	1/6	1/3
For the ensuing calendar year following the determination year	1/4	1/3
For the ensuing calendar year following the determination year by two (2) years	1/3	1/3

(g) This subsection applies only to property taxes first due and payable after December 31, 2007. This subsection applies only to a civil taxing unit that is located in a county for which a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30. Notwithstanding any provision in this section or any other section of this chapter and except as provided in subsection (h), the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for a civil taxing unit subject to this section is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year.

(h) This subsection applies only to property taxes first due and payable after December 31, 2007. In the case of a civil taxing unit that:

(1) is partially located in a county for which a county adjusted gross income tax rate is first imposed or is increased in a particular year under IC 6-3.5-1.1-24 or a county option income tax rate is first imposed or is increased in a particular year under IC 6-3.5-6-30; and

(2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (g), adjust the portion of the civil taxing unit's maximum permissible ad valorem property tax levy that is attributable (as determined by the department of local government finance) to the county or counties described in subdivision (2). The department of local government finance shall adjust this portion of the civil taxing unit's maximum permissible ad valorem property tax levy so that, notwithstanding subsection (g), this portion is allowed to increase as otherwise provided in this section. If the department of local government finance increases the civil taxing unit's maximum permissible ad valorem property tax levy under this subsection, any additional property taxes imposed by the civil taxing unit under the adjustment shall be paid only by the taxpayers in the county or counties described in subdivision (2).

SECTION 65. IC 6-1.1-18.5-7, AS AMENDED BY P.L.146-2008, SECTION 170, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7. (a) A civil taxing unit is not subject to the levy limits imposed by section 3 of this chapter for an ensuing calendar year if the civil taxing unit did not adopt an ad valorem property tax levy for the immediately preceding calendar year.

(b) If under subsection (a) a civil taxing unit is not subject to the

C

1 levy limits imposed under section 3 of this chapter for a calendar year,
 2 the civil taxing unit shall refer its proposed budget, ad valorem
 3 property tax levy, and property tax rate for that calendar year to ~~the~~
 4 ~~local government tax control board established by section 11 of this~~
 5 ~~chapter before the tax levy is advertised. The local government tax~~
 6 ~~control board shall then review and make a recommendation to the~~
 7 ~~department of local government finance. on the civil taxing unit's~~
 8 ~~budget, ad valorem property tax levy, and property tax rate for that~~
 9 ~~calendar year.~~ The department of local government finance shall make
 10 a final determination of the civil taxing unit's budget, ad valorem
 11 property tax levy, and property tax rate for that calendar year. However,
 12 a civil taxing unit may not impose a property tax levy for a year if the
 13 unit did not exist as of March 1 of the preceding year.

14 SECTION 66. IC 6-1.1-18.5-8, AS AMENDED BY P.L.146-2008,
 15 SECTION 171, IS AMENDED TO READ AS FOLLOWS
 16 [EFFECTIVE JULY 1, 2009]: Sec. 8. (a) The ad valorem property tax
 17 levy limits imposed by section 3 of this chapter do not apply to ad
 18 valorem property taxes imposed by a civil taxing unit if the civil taxing
 19 unit is committed to levy the taxes to pay or fund either:

- 20 (1) bonded indebtedness; or
 21 (2) lease rentals under a lease with an original term of at least five
 22 (5) years.

23 (b) Except as provided by subsections (g) and (h), a civil taxing unit
 24 must file a petition requesting approval from the department of local
 25 government finance to incur bonded indebtedness or execute a lease
 26 with an original term of at least five (5) years not later than twenty-four
 27 (24) months after the first date of publication of notice of a preliminary
 28 determination under IC 6-1.1-20-3.1(2) (as in effect before July 1,
 29 2008), unless the civil taxing unit demonstrates that a longer period is
 30 reasonable in light of the civil taxing unit's facts and circumstances. A
 31 civil taxing unit must obtain approval from the department of local
 32 government finance before the civil taxing unit may:

- 33 (1) incur the bonded indebtedness; or
 34 (2) enter into the lease.

35 ~~The department of local government finance may seek~~
 36 ~~recommendations from the local government tax control board~~
 37 ~~established by section 11 of this chapter when determining whether to~~
 38 ~~authorize incurring the bonded indebtedness or the execution of the~~
 39 ~~lease.~~

40 (c) The department of local government finance shall render a
 41 decision within three (3) months after the date it receives a request for
 42 approval under subsection (b). However, the department of local

C
o
p

government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

(g) This subsection applies only to bonds, leases, and other obligations for which a civil taxing unit:

(1) after June 30, 2008, makes a preliminary determination as described in IC 6-1.1-20-3.1 or IC 6-1.1-20-3.5 or a decision as described in IC 6-1.1-20-5; or

(2) in the case of bonds, leases, or other obligations payable from ad valorem property taxes but not described in subdivision (1), adopts a resolution or ordinance authorizing the bonds, lease rental agreement, or other obligations after June 30, 2008.

Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may issue or enter into bonds, a lease, or any other obligation.

(h) This subsection applies after June 30, 2008. Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may construct, alter, or repair a capital project.

[EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 10. (a) ~~Subject to subsection (d);~~ The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

(1) community mental health centers under:

(A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;

(B) IC 12-29-2-2 through IC 12-29-2-5; and

(C) IC 12-29-2-13; or

(2) community mental retardation and other developmental disabilities centers under IC 12-29-1-1;

to the extent that those property taxes are attributable to any increase in the assessed value of the civil taxing unit's taxable property caused by a general reassessment of real property that took effect after February 28, 1979.

(b) ~~Subject to subsection (d);~~ For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the ~~assessed value~~ **levy growth quotient multiplier** determined under section 2 of this chapter; minus

(2) one (1).

~~(d) The exemptions under subsections (a) and (b) from the ad valorem property tax levy limits do not apply to a civil taxing unit that did not fund a community mental health center or community mental retardation and other developmental disabilities center in 2008.~~

(d) For a county that:

(1) did not impose an ad valorem property tax levy in 2008 for the county general fund to provide financial assistance under IC 12-29-1 (community mental retardation and other developmental disabilities center) or IC 12-29-2 (community mental health center); and

(2) determines for 2009 or a later calendar year to impose a

1 levy as described in subdivision (1);
 2 the ad valorem property tax levy limits imposed under section 3 of
 3 this chapter do not apply to the part of the county's general fund
 4 levy that is used in the first calendar year for which a
 5 determination is made under subdivision (2) to provide financial
 6 assistance under IC 12-29-1 or IC 12-29-2. The department of local
 7 government finance shall review a county's proposed budget that
 8 is submitted under IC 12-29-1-1 or IC 12-29-2-1.2 and make a final
 9 determination of the amount to which the levy limits do not apply
 10 under this subsection for the first calendar year for which a
 11 determination is made under subdivision (2).

12 (e) The ad valorem property tax levy limits imposed under
 13 section 3 of this chapter do not apply to the county's general fund
 14 levy in the amount determined by the department of local
 15 government finance under subsection (d) in each calendar year
 16 following the calendar year for which the determination under
 17 subsection (b) is made.

18 SECTION 68. IC 6-1.1-18.5-10.5, AS AMENDED BY
 19 P.L.146-2008, SECTION 177, IS AMENDED TO READ AS
 20 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10.5. (a) The ad
 21 valorem property tax levy limits imposed by section 3 of this chapter
 22 do not apply to ad valorem property taxes imposed by a civil taxing
 23 unit for fire protection services within a fire protection territory under
 24 IC 36-8-19, if the civil taxing unit is a participating unit in a fire
 25 protection territory established before August 1, 2001. For purposes of
 26 computing the ad valorem property tax levy limits imposed on a civil
 27 taxing unit by section 3 of this chapter on a civil taxing unit that is a
 28 participating unit in a fire protection territory established before August
 29 1, 2001, the civil taxing unit's ad valorem property tax levy for a
 30 particular calendar year does not include that part of the levy imposed
 31 under IC 36-8-19.

32 (b) This subsection applies to a participating unit in a fire protection
 33 territory established under IC 36-8-19 after July 31, 2001. The ad
 34 valorem property tax levy limits imposed by section 3 of this chapter
 35 do not apply to ad valorem property taxes imposed by a civil taxing
 36 unit for fire protection services within a fire protection territory under
 37 IC 36-8-19 for the three (3) calendar years in which the participating
 38 unit levies a tax to support the territory. For purposes of computing the
 39 ad valorem property tax levy limits imposed on a civil taxing unit by
 40 section 3 of this chapter for the three (3) calendar years for which the
 41 participating unit levies a tax to support the territory, the civil taxing
 42 unit's ad valorem property tax levy for a particular calendar year does

C
o
p
y

not include that part of the levy imposed under IC 36-8-19.

(c) This subsection applies to property taxes first due and payable after December 31, 2008. **Except as provided in subsection (d)**, notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the ~~assessed value levy growth quotient multiplier~~ determined under section 2 of this chapter; minus

(2) one (1).

(d) The limits specified in subsection (c) do not apply to a civil taxing unit in the first year in which the civil taxing unit becomes a participating unit in a fire protection territory established under IC 36-8-19. In the first year in which a civil taxing unit becomes a participating unit in a fire protection territory, the civil taxing unit shall submit its proposed budget, proposed ad valorem property tax levy, and proposed property tax rate for the fire protection territory to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for the fire protection territory for that calendar year. In making its determination under this subsection, the department of local government finance shall consider the amount that the civil taxing unit is obligated to provide to meet the expenses of operation and maintenance of the fire protection services within the territory, plus a reasonable operating balance, not to exceed twenty percent (20%) of the budgeted expenses. However, the department of local government finance may not approve under this subsection a property tax levy greater than zero (0) if the civil taxing unit did not exist as of the March 1 assessment date for which the tax levy will be imposed. For purposes of applying subsection (c) to the civil taxing unit's property tax levy for the fire protection territory in subsequent calendar years, the department of local government finance may determine not to consider part or all of the part of the first year property tax levy imposed to establish an operating balance.

SECTION 69. IC 6-1.1-18.5-12, AS AMENDED BY P.L.146-2008, SECTION 179, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3

C

of this chapter may:

(1) before ~~September~~ **October** 20 of the calendar year immediately preceding the ensuing calendar year; or

(2) in the case of a request described in section 16 of this chapter, before December 31 of the calendar year immediately preceding the ensuing calendar year;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall ~~promptly deliver to the local government tax control board every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the local government tax control board shall~~ immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the ~~local government tax control board~~ **department of local government finance** has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the ~~board~~ **department** with any relevant records or books.

(d) If an officer or member:

(1) fails to appear at a hearing ~~of the local government tax control board~~ after having been given written notice ~~from the local government tax control board~~ requiring that person's attendance; or

(2) fails to produce ~~for the local government tax control board's use~~ the books and records that the ~~local government tax control board~~ **department** by written notice required the officer or member to produce;

then the ~~local government tax control board~~ **department** may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the ~~local government tax control board~~ **department** to provide information

1 to the ~~local government tax control board~~ **department** or to produce
 2 books and records for the ~~local government tax control board's~~
 3 **department's** use, as the case may be. Disobedience of the summons
 4 constitutes, and is punishable as, a contempt of the circuit court that
 5 issued the summons.

6 (f) All expenses incident to the filing of an affidavit under
 7 subsection (d) and the issuance and service of a summons shall be
 8 charged to the officer or member against whom the summons is issued,
 9 unless the circuit court finds that the officer or member was acting in
 10 good faith and with reasonable cause. If the circuit court finds that the
 11 officer or member was acting in good faith and with reasonable cause
 12 or if an affidavit is filed and no summons is issued, the expenses shall
 13 be charged against the county in which the affidavit was filed and shall
 14 be allowed by the proper fiscal officers of that county.

15 (g) The fiscal officer of a civil taxing unit that appeals under section
 16 16 of this chapter for relief from levy limitations shall immediately file
 17 a copy of the appeal petition with the county auditor and the county
 18 treasurer of the county in which the unit is located.

19 SECTION 70. IC 6-1.1-18.5-13, AS AMENDED BY P.L.146-2008,
 20 SECTION 180, IS AMENDED TO READ AS FOLLOWS
 21 [EFFECTIVE JANUARY 1, 2010]: Sec. 13. With respect to an appeal
 22 filed under section 12 of this chapter, the ~~local government tax control~~
 23 ~~board may recommend~~ **department may find** that a civil taxing unit
 24 **should** receive any one (1) or more of the following types of relief:

25 (1) Permission to the civil taxing unit to increase its levy in excess
 26 of the limitations established under section 3 of this chapter, if in
 27 the judgment of the ~~local government tax control board~~
 28 **department** the increase is reasonably necessary due to increased
 29 costs of the civil taxing unit resulting from annexation,
 30 consolidation, or other extensions of governmental services by the
 31 civil taxing unit to additional geographic areas or persons. With
 32 respect to annexation, consolidation, or other extensions of
 33 governmental services in a calendar year, if those increased costs
 34 are incurred by the civil taxing unit in that calendar year and more
 35 than one (1) immediately succeeding calendar year, the unit may
 36 appeal under section 12 of this chapter for permission to increase
 37 its levy under this subdivision based on those increased costs in
 38 any of the following:

39 (A) The first calendar year in which those costs are incurred.
 40 (B) One (1) or more of the immediately succeeding four (4)
 41 calendar years.

42 (2) A levy increase may not be granted under this subdivision for

property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

- (A) the cost of personal services (including fringe benefits);
- (B) the cost of supplies; and
- (C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the ~~local government tax control board~~ **department** finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or
- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

C
o
p
y

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

(i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or

(ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006;

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the ~~assessed value~~ **levy growth quotient multiplier** determined under section 2 of this chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

C
o
p
y

- (i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus
- (ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus
- (iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

- (A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and
- (B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4. The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of

C

one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300);

**C
o
p
y**

and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax

control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy

**C
o
p
y**

under this subdivision over a period not to exceed three (3) years.
A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(13) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

SECTION 71. IC 6-1.1-18.5-13.5, AS AMENDED BY P.L.224-2007, SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.5. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2009. With respect to an appeal filed under section 12 of this chapter, ~~the local government tax control board may recommend that~~ the department of local government finance ~~may~~ give permission to a town having a population of more than three hundred seventy-five (375) but less than five hundred (500) located in a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400) to increase its levy in excess of the limitations established under section 3 of this chapter, if the ~~local government tax control board~~ **department** finds that the town needs the increase to pay the costs of furnishing fire protection for the town. However, any increase in the amount of the town's levy ~~recommended by the local government tax control board~~

under this section for the ensuing calendar year may not exceed the greater of:

- (1) twenty-five thousand dollars (\$25,000); or
- (2) twenty percent (20%) of the sum of:
 - (A) the amount authorized for the cost of furnishing fire protection in the town's budget for the immediately preceding calendar year; plus
 - (B) the amount of any additional appropriations authorized under IC 6-1.1-18-5 during that calendar year for the town's use in paying the costs of furnishing fire protection.

SECTION 72. IC 6-1.1-18.5-13.6, AS AMENDED BY P.L.146-2008, SECTION 181, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.6. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2008. For an appeal filed under section 12 of this chapter, ~~the local government tax control board may recommend that the department of local government finance~~ **may** give permission to a county to increase its levy in excess of the limitations established under section 3 of this chapter if the ~~local government tax control board~~ **department** finds that the county needs the increase to pay for:

- (1) a new voting system; or
- (2) the expansion or upgrade of an existing voting system;

under IC 3-11-6.

SECTION 73. IC 6-1.1-18.5-14, AS AMENDED BY P.L.146-2008, SECTION 182, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) ~~The local government tax control board may recommend to~~ The department of local government finance **may order** a correction of any advertising error, mathematical error, or error in data made at the local level for any calendar year **if the department finds that the error** affects the determination of the limitations established by section 3 of this chapter or the tax rate or levy of a civil taxing unit. The department of local government finance may on its own initiative correct such an advertising error, mathematical error, or error in data for any civil taxing unit.

(b) A correction made under subsection (a) for a prior calendar year shall be applied to the civil taxing unit's levy limitations, rate, and levy for the ensuing calendar year to offset any cumulative effect that the error caused in the determination of the civil taxing unit's levy limitations, rate, or levy for the ensuing calendar year.

SECTION 74. IC 6-1.1-18.5-15, AS AMENDED BY P.L.146-2008, SECTION 183, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) The department of local

forth its final determination.

(b) A civil taxing unit may petition for judicial review of the final determination made by the department of local government finance under subsection (a). The action must be taken to the tax court under IC 6-1.1-15 in the same manner that an action is taken to appeal a final determination of the Indiana board. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under subsection (a).

SECTION 75. IC 6-1.1-18.5-16, AS AMENDED BY P.L.146-2008, SECTION 184, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) A civil taxing unit may request permission from the ~~local government tax control board~~ **department** to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

- (1) the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;
- (2) the erroneous assessed valuation figures were used by the civil taxing unit in determining its total property tax rate; and
- (3) the error in the assessed valuation figures was found after the civil taxing unit's property tax levy resulting from that total rate was finally approved by the department of local government finance.

(b) A civil taxing unit may request permission from the ~~local government tax control board~~ **department** to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if the civil taxing unit experienced a property tax revenue shortfall because of the payment of refunds that resulted from appeals under this article and IC 6-1.5.

(c) If the ~~local government tax control board~~ **department** determines that a shortfall described in subsection (a) or (b) has occurred, it ~~shall recommend to~~ the department of local government finance **may find** that the civil taxing unit **should** be allowed to impose a property tax levy exceeding the limit imposed by section 3 of this chapter. ~~and the department may adopt such recommendation.~~ However, the maximum amount by which the civil taxing unit's levy may be increased over the limits imposed by section 3 of this chapter equals the remainder of the civil taxing unit's property tax levy for the

C
o
p
y

particular calendar year as finally approved by the department of local government finance minus the actual property tax levy collected by the civil taxing unit for that particular calendar year.

(d) Any property taxes collected by a civil taxing unit over the limits imposed by section 3 of this chapter under the authority of this section may not be treated as a part of the civil taxing unit's maximum permissible ad valorem property tax levy for purposes of determining its maximum permissible ad valorem property tax levy for future years.

(e) If the department of local government finance authorizes an excess tax levy under this section, it shall take appropriate steps to insure that the proceeds are first used to repay any loan made to the civil taxing unit for the purpose of meeting its current expenses.

SECTION 76. IC 6-1.1-18.5-17, AS AMENDED BY P.L.219-2007, SECTION 57, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17. (a) As used in this section, "levy excess" means the part of the ad valorem property tax levy actually collected by a civil taxing unit, for taxes first due and payable during a particular calendar year, that exceeds the civil taxing unit's ad valorem property tax levy, as approved by the department of local government finance under IC 6-1.1-17. The term does not include delinquent ad valorem property taxes collected during a particular year that were assessed for an assessment date that precedes the assessment date for the current year in which the ad valorem property taxes are collected.

(b) A civil taxing unit's levy excess is valid and may not be contested on the grounds that it exceeds the civil taxing unit's levy limit for the applicable calendar year. However, the civil taxing unit shall deposit, except as provided in subsections (h) and (i), its levy excess in a special fund to be known as the civil taxing unit's levy excess fund.

(c) The chief fiscal officer of a civil taxing unit may invest money in the civil taxing unit's levy excess fund in the same manner in which money in the civil taxing unit's general fund may be invested. However, any income derived from investment of the money shall be deposited in and becomes a part of the levy excess fund.

(d) The department of local government finance shall require a civil taxing unit to include the amount in its levy excess fund in the civil taxing unit's budget fixed under IC 6-1.1-17.

(e) Except as provided by subsection (f), a civil taxing unit may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the department of local government finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the ad valorem property tax levy limits imposed under this chapter, a civil taxing unit

C
o
p
y

shall treat the money in its levy excess fund that the department of local government finance permits it to spend during a particular calendar year as part of its ad valorem property tax levy for that same calendar year.

(f) A civil taxing unit may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the civil taxing unit as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a civil taxing unit may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would, notwithstanding this subsection, be deposited in the levy excess fund of a civil taxing unit for a particular calendar year is less than one hundred dollars (\$100), no money shall be deposited in the levy excess fund of the unit for that year.

(i) This subsection applies only to a civil taxing unit that:

- (1) has a levy excess for a particular calendar year;
- (2) in the preceding calendar year experienced a shortfall in property tax collections below the civil taxing unit's property tax levy approved by the department of local government finance under IC 6-1.1-17; and
- (3) did not receive permission from the ~~local government tax control board~~ **department** to impose, because of the shortfall in property tax collections in the preceding calendar year, a property tax levy that exceeds the limits imposed by section 3 of this chapter.

The amount that a civil taxing unit subject to this subsection must transfer to the civil taxing unit's levy excess fund in the calendar year in which the excess is collected shall be reduced by the amount of the civil taxing unit's shortfall in property tax collections in the preceding calendar year (but the reduction may not exceed the amount of the civil taxing unit's levy excess).

~~(b)~~ If a time for making a recommendation is not prescribed in this chapter, the recommendation must be made at a time that permits the department of local government finance to complete the duties of the department that are set forth in IC 6-1.1-17 within the time allowed by law for the completion of the duties or within the additional time that is reasonably necessary for the department of local government finance and the tax control board to complete the duties set forth in this chapter.

~~(c)~~ ~~(a)~~ A tax levy is not invalid because of the failure of either the tax control board or the department of local government finance to complete its duties within the time or time limits provided by this chapter or any other law.

 4 (4) After notice is given, a petition requesting the application of
 5 a petition and remonstrance process may be filed by the lesser of:
 6 (A) one hundred (100) persons who are either owners of real
 7 property within the political subdivision or registered voters
 8 residing within the political subdivision; or
 9 (B) five percent (5%) of the registered voters residing within
 10 the political subdivision.
 11 (5) The state board of accounts shall design and, upon request by
 12 the county voter registration office, deliver to the county voter
 13 registration office or the county voter registration office's
 14 designated printer the petition forms to be used solely in the
 15 petition process described in this section. The county voter
 16 registration office shall issue to an owner or owners of real
 17 property within the political subdivision or a registered voter
 18 residing within the political subdivision the number of petition
 19 forms requested by the owner or owners or the registered voter.
 20 Each form must be accompanied by instructions detailing the
 21 requirements that:
 22 (A) the carrier and signers must be owners of real property or
 23 registered voters;
 24 (B) the carrier must be a signatory on at least one (1) petition;
 25 (C) after the signatures have been collected, the carrier must
 26 swear or affirm before a notary public that the carrier
 27 witnessed each signature; and
 28 (D) govern the closing date for the petition period.
 29 Persons requesting forms may be required to identify themselves
 30 as owners of real property or registered voters and may be
 31 allowed to pick up additional copies to distribute to other property
 32 owners or registered voters. Each person signing a petition must
 33 indicate whether the person is signing the petition as a registered
 34 voter within the political subdivision or is signing the petition as
 35 the owner of real property within the political subdivision. A
 36 person who signs a petition as a registered voter must indicate the
 37 address at which the person is registered to vote. A person who
 38 signs a petition as a real property owner must indicate the address
 39 of the real property owned by the person in the political
 40 subdivision.
 41 (6) Each petition must be verified under oath by at least one (1)
 42 qualified petitioner in a manner prescribed by the state board of

accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns

**C

more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within ~~thirty-five (35)~~ **forty-five (45)** days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 82. IC 6-1.1-20-3.2, AS AMENDED BY P.L.146-2008, SECTION 192, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 3.2. (a) This section applies only to controlled projects described in section 3.1(a) of this chapter.

(b) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

C
o
p
y

- (A) publication in accordance with IC 5-3-1; and
 (B) first class mail to the organizations described in section 3.1(b)(1)(B) of this chapter.

A notice under this subdivision must include a statement that any owners of real property within the political subdivision or registered voters residing within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

- (A) petitions (described in subdivision (3)) in favor of the bonds or lease; and
 (B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county voter registration office under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition or remonstrance forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

- (A) the carrier and signers must be owners of real property or registered voters;
 (B) the carrier must be a signatory on at least one (1) petition;
 (C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier

1 witnessed each signature;

2 (D) govern the closing date for the petition and remonstrance
3 period; and

4 (E) apply to the carrier under section 10 of this chapter.

5 Persons requesting forms may be required to identify themselves
6 as owners of real property or registered voters and may be
7 allowed to pick up additional copies to distribute to other property
8 owners or registered voters. Each person signing a petition or
9 remonstrance must indicate whether the person is signing the
10 petition or remonstrance as a registered voter within the political
11 subdivision or is signing the petition or remonstrance as the
12 owner of real property within the political subdivision. A person
13 who signs a petition or remonstrance as a registered voter must
14 indicate the address at which the person is registered to vote. A
15 person who signs a petition or remonstrance as a real property
16 owner must indicate the address of the real property owned by the
17 person in the political subdivision. The county voter registration
18 office may not issue a petition or remonstrance form earlier than
19 twenty-nine (29) days after the notice is given under subdivision
20 (1). The county voter registration office shall certify the date of
21 issuance on each petition or remonstrance form that is distributed
22 under this subdivision.

23 (4) The petitions and remonstrances must be verified in the
24 manner prescribed by the state board of accounts and filed with
25 the county voter registration office within the sixty (60) day
26 period described in subdivision (2) in the manner set forth in
27 section 3.1 of this chapter relating to requests for a petition and
28 remonstrance process.

29 (5) The county voter registration office shall determine whether
30 each person who signed the petition or remonstrance is a
31 registered voter. The county voter registration office shall not
32 more than fifteen (15) business days after receiving a petition or
33 remonstrance forward a copy of the petition or remonstrance to
34 the county auditor. Not more than ten (10) business days after
35 receiving the copy of the petition or remonstrance, the county
36 auditor shall provide to the county voter registration office a
37 statement verifying:

38 (A) whether a person who signed the petition or remonstrance
39 as a registered voter but is not a registered voter, as
40 determined by the county voter registration office, is the owner
41 of real property in the political subdivision; and

42 (B) whether a person who signed the petition or remonstrance

C
o
p
y

as an owner of real property within the political subdivision
does in fact own real property within the political subdivision.

(6) The county voter registration office shall not more than ten
(10) business days after receiving the statement from the county
auditor under subdivision (5) make the final determination of:

(A) the number of registered voters in the political subdivision
that signed a petition and, based on the statement provided by
the county auditor, the number of owners of real property
within the political subdivision that signed a petition; and

(B) the number of registered voters in the political subdivision
that signed a remonstrance and, based on the statement
provided by the county auditor, the number of owners of real
property within the political subdivision that signed a
remonstrance.

Whenever the name of an individual who signs a petition or
remonstrance as a registered voter contains a minor variation from
the name of the registered voter as set forth in the records of the
county voter registration office, the signature is presumed to be
valid, and there is a presumption that the individual is entitled to
sign the petition or remonstrance under this section. Except as
otherwise provided in this chapter, in determining whether an
individual is a registered voter, the county voter registration office
shall apply the requirements and procedures used under IC 3 to
determine whether a person is a registered voter for purposes of
voting in an election governed by IC 3. However, an individual is
not required to comply with the provisions concerning providing
proof of identification to be considered a registered voter for
purposes of this chapter. A person is entitled to sign a petition or
remonstrance only one (1) time in a particular petition and
remonstrance process under this chapter, regardless of whether
the person owns more than one (1) parcel of real property within
the subdivision and regardless of whether the person is both a
registered voter in the political subdivision and the owner of real
property within the political subdivision. Notwithstanding any
other provision of this section, if a petition or remonstrance is
presented to the county voter registration office within ~~thirty-five~~
~~(35)~~ **forty-five (45)** days before an election, the county voter
registration office may defer acting on the petition or
remonstrance, and the time requirements under this section for
action by the county voter registration office do not begin to run
until five (5) days after the date of the election.

(7) The county voter registration office must file a certificate and

C
o
p
y

the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(8) If a greater number of persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county voter registration office's certificate under subdivision (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance if required by:

(A) IC 6-1.1-18.5-8; or

(B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

SECTION 83. IC 6-1.1-20-3.5, AS ADDED BY P.L.146-2008, SECTION 193, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

 21 one percent (1%) of the total gross assessed value of
 22 property within the political subdivision on the last
 23 assessment date (if that amount is at least one million dollars
 24 (\$1,000,000)).
 25 (2) The proper officers of the political subdivision make a
 26 preliminary determination after June 30, 2008, in the manner
 27 described in subsection (b) to issue bonds or enter into a lease for
 28 the controlled project.
 29 (b) A political subdivision may not impose property taxes to pay
 30 debt service on bonds or lease rentals on a lease for a controlled project
 31 without completing the following procedures:
 32 (1) The proper officers of a political subdivision shall publish
 33 notice in accordance with IC 5-3-1 and send notice by first class
 34 mail to any organization that delivers to the officers, before
 35 January 1 of that year, an annual written request for notices of any
 36 meeting to consider the adoption of an ordinance or a resolution
 37 making a preliminary determination to issue bonds or enter into
 38 a lease and shall conduct a public hearing on the preliminary
 39 determination before adoption of the ordinance or resolution. The
 40 political subdivision must make the following information
 41 available to the public at the public hearing on the preliminary
 42 determination, in addition to any other information required by

(B) The result of:

(ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(G).

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to annually incur to operate the facility.

(G) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's

C
o

debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(H) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:

(A) one hundred (100) persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. C

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least one hundred twenty-five (125) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least one hundred twenty-five (125) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least one hundred twenty-five (125) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8) (as applicable), shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an

individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within ~~thirty-five (35)~~ **forty-five (45)** days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) **Except as provided in subsection (j)**, the following question shall be submitted to the **eligible** voters at the election conducted under this section:

"Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert ~~the~~ **a brief** description of the controlled project), **which is estimated to cost not more than _____ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by _____ (insert increase in tax rate as determined by the department of local government finance)?".**

 4 general election, or municipal election in which all voters of the
 5 political subdivision are entitled to vote. However, if a primary
 6 election, general election, or municipal election will not be held in the
 7 six (6) month period after the county auditor certifies during the first
 8 year in which the public question is eligible to be placed on the
 9 ballot under this section and if the political subdivision requests the
 10 public question to be placed on the ballot at a special election, the
 11 public question shall be placed on the ballot at a special election to be
 12 held

13 (1) not earlier than ninety (90) days; and

 18 However, in a year in which a general election or municipal election is
 19 held, the public question may be placed on the ballot at a special

 26 However, in 2009, a political subdivision may hold a special
 27 election under this section on any date scheduled for the special
 28 election if notice of the special election was given before July 1,

 37 subsection. A special election conducted under this subsection is under
 38 the direction of the county election board. The county election board

The legislative body (as defined in IC 36-1-2-9) of the political subdivision may adopt a resolution to withdraw a controlled project from consideration in a public question. If the legislative body provides a certified copy of the resolution to the county auditor and the county election board not later than forty-nine (49) days before the election at which the public question would be on the ballot, the public question on the controlled project shall not be placed on the ballot and the public question on the controlled project shall not be held, regardless of whether the county auditor has certified the public question to the county election board. If the withdrawal of a public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this

(2) Impose a tax on all taxable property in the district in which the governing body exercises jurisdiction to raise an amount not to exceed the tax increment replacement amount.

(3) Reduce the base assessed value of property in the allocation area to an amount that is sufficient to increase the tax increment revenues in the allocation area by an amount that does not exceed the tax increment replacement amount.

13 redevelopment or economic development objectives for the allocation
14 area or honor its obligations related to the allocation area. The notice
15 must also specify a date when the governing body will receive and hear
16 remonstrances and objections from persons affected by the special
17 assessment. All persons affected by the hearing, including all taxpayers
18 within the allocation area, shall be considered notified of the pendency

41 of economic development objectives for the allocation area or honor its
42 obligations related to the allocation area. An appeal under this

(c) A special assessment or tax levied under this chapter and the use of revenues from a special assessment or tax levied under this chapter by a governing body do not create a constitutional or statutory debt, pledge, or obligation of the governing body, the district, or any county, city, town, or township.

36 (e) At the time a person pays the use tax for the purchase of a
 37 vehicle to a titling agency pursuant to subsection (d), the titling agency

SECTION 118. IC 6-2.5-6-1, AS AMENDED BY P.L.131-2008, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) Except as otherwise provided in this section, each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars (\$1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars (\$1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

(b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(c) Instead of the twelve (12) monthly reporting periods required by subsection (a), the department may permit a person to divide a year into a different number of reporting periods. The return and payment for each reporting period is due not more than twenty (20) days after the end of the period.

(d) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering a calendar year, if the retail merchant's state gross retail and use tax liability in the previous calendar year does not exceed one thousand dollars (\$1,000). 1 merchant's tax for a reporting period not later than the last day of the
2 month immediately following the close of that reporting period.

3 (e) If a retail merchant reports the merchant's adjusted gross income
4 tax, or the tax the merchant pays in place of the adjusted gross income
5 tax, over a fiscal year not corresponding to the calendar year, the
6 merchant may, without prior departmental approval, report and pay the
7 merchant's state gross retail and use taxes over the merchant's fiscal
8 year that corresponds to the calendar year the merchant is permitted to
9 use under subsection (d). However, the department may, at any time,
10 require the retail merchant to stop using the fiscal reporting period.

11 (f) If a retail merchant files a combined sales and withholding tax
12 report, the reporting period for the combined report is the shortest
13 period required under:

- 14 (1) this section;
- 15 (2) IC 6-3-4-8; or

19 current year; or
- 20 (2) average monthly gross retail and use tax liability for the
21 preceding year;

22 exceeds five thousand dollars (\$5,000), the person shall pay the

25 courier a payment by cashier's check, certified check, or money order
26 to the department. The transfer or payment shall be made on or before
27 the date the tax is due.

28 **(h) A person that registers as a retail merchant after December**
29 **31, 2009, shall report and remit state gross retail and use taxes**
30 **through the department's online tax filing program. This**

a notice of the prepayment rate to be used during the following six (6) month period. The department shall also have the prepayment rate published in the June and December issues of the Indiana Register. **The department, after approval by the office of management and budget, may determine a new prepayment rate if the department finds that the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax, has changed by at least twenty-five percent (25%)**

1 **since the most recent determination.**

2 (b) In determining the prepayment rate under this section, the
3 department shall use the most recent retail price of gasoline available
4 to the department.

5 (c) The prepayment rate per gallon of gasoline determined by the
6 department under this section is the amount per gallon of gasoline
7 determined under STEP FOUR of the following formula:

8 STEP ONE: Determine the statewide average retail price per
9 gallon of gasoline, excluding the Indiana and federal gasoline
10 taxes and the Indiana gross retail tax.

11 STEP TWO: Determine the product of the following:

12 (A) The STEP ONE amount.

13 (B) The Indiana gross retail tax rate.

14 (C) ~~Ninety Eighty~~ percent ~~(90%)~~: **(80%)**.

15 STEP THREE: Determine the lesser of:

18 (i) the prepayment rate in effect on the day immediately
19 preceding the day on which the prepayment rate is
20 redetermined under this section; multiplied by

21 (ii) one hundred twenty-five percent (125%).

22 STEP FOUR: Round the STEP THREE result to the nearest
23 one-tenth of one cent (\$0.001).

24 SECTION 121. IC 6-2.5-11-10, AS AMENDED BY P.L.145-2007,
25 SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
26 JULY 1, 2010]: Sec. 10. (a) A certified service provider is the agent of
27 a seller, with whom the certified service provider has contracted, for
28 the collection and remittance of sales and use taxes. As the seller's
29 agent, the certified service provider is liable for sales and use tax due
30 each member state on all sales transactions it processes for the seller
31 except as set out in this section. A seller that contracts with a certified
32 service provider is not liable to the state for sales or use tax due on
33 transactions processed by the certified service provider unless the seller
34 misrepresented the type of items it sells or committed fraud. In the
35 absence of probable cause to believe that the seller has committed
36 fraud or made a material misrepresentation, the seller is not subject to
37 audit on the transactions processed by the certified service provider. A
38 seller is subject to audit for transactions not processed by the certified
39 service provider. The member states acting jointly may perform a
40 system check of the seller and review the seller's procedures to
41 determine if the certified service provider's system is functioning
42 properly and the extent to which the seller's transactions are being

C
o
p

processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

(d) A certified service provider or a seller using a certified automated system that obtains a certification from the department is not liable for sales or use tax collection errors that result from reliance on the department's certification. If the department determines that an item or transaction is incorrectly classified as to the taxability of the item or transaction, the department shall notify the certified service provider or the seller using a certified automated system of the incorrect classification. The certified service provider or the seller using a certified automated system must revise the incorrect classification within ten (10) days after receiving notice of the determination from the department. If the classification error is not corrected within ten (10) days after receiving the department's notice, the certified service provider or the seller using a certified automated system is liable for failure to collect the correct amount of sales or use tax due and owing.

(e) If at least thirty (30) days are not provided between the enactment of a statute changing the rate set forth in IC 6-2.5-2-2 and the effective date of the rate change, the department shall relieve the seller of liability for failing to collect tax at the new rate if:

(1) the seller collected the tax at the immediately preceding effective rate; and

(2) the seller's failure to collect at the current rate does not extend beyond thirty (30) days after the effective date of the rate change.

A seller is not eligible for the relief provided for in this subsection if the seller fraudulently fails to collect at the current rate or solicits purchases based on the immediately preceding effective rate.

(f) The department shall allow any monetary allowances that are provided by the member states to sellers or certified service providers in exchange for collecting the sales and use taxes as provided in article

2 SECTION 122. IC 6-2.5-12-15 IS AMENDED TO READ AS
3 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. Except for the
4 telecommunications services listed in section 16 of this chapter, a sale
5 of:

6 (1) telecommunications services sold on a basis other than a call
7 by call basis;

8 (2) **Internet access service; or**

9 (3) **an ancillary service;**

10 is sourced to the customer's place of primary use.

11 SECTION 123. IC 6-2.5-13-1, AS AMENDED BY P.L.19-2008,
12 SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
13 JANUARY 1, 2010]: Sec. 1. (a) As used in this section, the terms
14 "receive" and "receipt" mean:

15 (1) taking possession of tangible personal property;

16 (2) making first use of services; or

17 (3) taking possession or making first use of digital goods;

18 whichever comes first. The terms "receive" and "receipt" do not include
19 possession by a shipping company on behalf of the purchaser.

20 (b) This section:

21 (1) applies regardless of the characterization of a product as
22 tangible personal property, a digital good, or a service;

23 (2) applies only to the determination of a seller's obligation to pay
24 or collect and remit a sales or use tax with respect to the seller's
25 retail sale of a product; and

26 (3) does not affect the obligation of a purchaser or lessee to remit
27 tax on the use of the product to the taxing jurisdictions of that use.

28 (c) This section does not apply to sales or use taxes levied on the
29 following:

30 (1) The retail sale or transfer of watercraft, modular homes,
31 manufactured homes, or mobile homes. These items must be
32 sourced according to the requirements of this article.

33 (2) The retail sale, excluding lease or rental, of motor vehicles,
34 trailers, semitrailers, or aircraft that do not qualify as

42 sourced as follows:

C
o
p
y

(1) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(2) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.

(3) When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

(4) When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(5) When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

**C
o
p
y**

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

(g) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (d), notwithstanding the exclusion of lease or rental in subsection (d). As used in this subsection, "transportation equipment" means any of the following:

(1) Locomotives and railcars that are used for the carriage of persons or property in interstate commerce.

SECTION 126. IC 6-3-1-35 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: **Sec. 35. As used in this article, "pass through entity" means:**

(1) a corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);

(2) a partnership;

(3) a trust;

(4) a limited liability company; or

(5) a limited liability partnership.

SECTION 127. IC 6-3-2-2, AS AMENDED BY P.L.162-2006, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: **Sec. 2. (a)** With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;

(2) income from doing business in this state;

(3) income from a trade or profession conducted in this state;

(4) compensation for labor or services rendered within this state; and

(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from

C
o
p
y

sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and

(B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and

(B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and

(B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and

C
o
p
y

(B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;
 (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or

(3) some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere

**C
o
p

during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:
 - (A) the purchaser is the United States government; or
 - (B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

- (1) the income-producing activity is performed in this state; or
- (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or
- (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable

C
o
p
y

year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business

C
o
p
y

activity, if reasonable:

(1) separate accounting;

(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;

(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or

(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The

C
o
p
y

petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

(1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and

(2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(b) As used in this section, "solar powered roof vent or fan" means a roof vent or fan that is powered by solar energy and used to release heat from a building.

(c) A resident individual taxpayer is entitled to a deduction from the taxpayer's adjusted gross income for a particular taxable year if, during that taxable year, the taxpayer installs a solar powered roof vent or fan on a building owned or leased by the taxpayer.

(d) The amount of the deduction to which a taxpayer is entitled in a particular taxable year is the lesser of:

(1) one-half (1/2) of the amount the taxpayer pays for labor and materials for the installation of a solar powered roof vent or fan that is installed during the taxable year; or

(2) one thousand dollars (\$1,000).

(e) To obtain the deduction provided by this section, a taxpayer must file with the department proof of the taxpayer's costs for the installation of a solar powered roof vent or fan and a list of the persons or corporation that supplied labor or materials for the

"Base period wages" means the following:

(1) In the case of a taxpayer other than a pass through entity, wages paid or payable by a taxpayer to its employees during the year that ends on the last day of the month that immediately precedes the month in which an enterprise zone is established, to the extent that the wages would have been qualified wages if the enterprise zone had been in effect for that year. If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under IC 5-28-15.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

"Monthly base period wages" means base period wages divided by twelve (12).

"Pass through entity" means a:

- (1) corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);
- (2) partnership;
- (3) trust;
- (4) limited liability company; or
- (5) limited liability partnership.

"Qualified employee" means an individual who is employed by a taxpayer and who:

- (1) has the individual's principal place of residence in the enterprise zone in which the individual is employed;

(4) in the case of an individual who is employed by a taxpayer that is a pass through entity, was first employed by the taxpayer after December 31, 1998.

"Qualified increased employment expenditures" means the following:

(1) For a taxpayer's taxable year other than the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during the taxable year to qualified employees exceeds the taxpayer's base period wages.

(2) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

"Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

(1) IC 6-3-1 through IC 6-3-7 (adjusted gross income tax) with respect to enterprise zone adjusted gross income;

(2) IC 27-1-18-2 (insurance premiums tax) with respect to enterprise zone insurance premiums; and

(3) IC 6-5.5 (the financial institutions tax);

"Taxpayer" includes a pass through entity.

C
o

the taxable year.

(c) The amount of the credit provided by this section that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this section exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that taxable year. Except as provided in subsection (e), the credit provided by this section may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which the credit accrues. The credit provided by this section may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

(d) A credit earned by a taxpayer in a particular taxable year shall be applied against the taxpayer's qualified state tax liability for that taxable year before any credit carryover or carryback is applied against that liability under subsection (c).

(e) Notwithstanding subsection (c), if a credit under this section results from wages paid in a particular enterprise zone, and if that enterprise zone terminates in a taxable year that succeeds the last taxable year in which a taxpayer is entitled to use the credit carryover that results from those wages under subsection (c), then the taxpayer may use the credit carryover for any taxable year up to and including the taxable year in which the enterprise zone terminates.

(f) A taxpayer is not entitled to a refund of any unused credit.

(g) A taxpayer that:

- (1) does not own, rent, or lease real property outside of an enterprise zone that is an integral part of its trade or business; and
- (2) is not owned or controlled directly or indirectly by a taxpayer that owns, rents, or leases real property outside of an enterprise zone;

is exempt from the allocation and apportionment provisions of this section.

(h) If a pass through entity is entitled to a credit under subsection (b) but does not have state tax liability against which the tax credit may be applied, an individual who is a shareholder, partner, beneficiary, or member of the pass through entity is entitled to a tax credit equal to:

- (1) the tax credit determined for the pass through entity for the

**C
o
p
y**

1 taxable year; multiplied by

2 (2) the percentage of the pass through entity's distributive income
3 to which the shareholder, partner, beneficiary, or member is
4 entitled.

5 The credit provided under this subsection is in addition to a tax credit
6 to which a shareholder, partner, beneficiary, or member of a pass
7 through entity is entitled. However, a pass through entity and an
8 individual who is a shareholder, partner, beneficiary, or member of a
9 pass through entity may not claim more than one (1) credit for the
10 qualified expenditure.

(a) Any entity that is required to file a monthly return and make a monthly remittance of taxes under sections 8, 12, 13, and 15 of this chapter shall file those returns and make those remittances twenty (20) days (rather than thirty (30) days) after the end of each month for which those returns and remittances are filed, if that entity's average monthly remittance for the immediately preceding calendar year exceeds one thousand dollars (\$1,000).

(b) The department may require any entity to make the entity's monthly remittance and file the entity's monthly return twenty (20) days (rather than thirty (30) days) after the end of each month for which a return and payment are made if the department estimates that the entity's average monthly payment for the current calendar year will

1 exceed one thousand dollars (\$1,000).

2 (c) If the department determines that a withholding agent is not
3 withholding, reporting, or remitting an amount of tax in accordance
4 with this chapter, the department may require the withholding agent:

- 5 (1) to make periodic deposits during the reporting period; and
6 (2) to file an informational return with each periodic deposit.

7 (d) If a person files a combined sales and withholding tax report and

24 (f) If an entity's withholding tax remittance is made by electronic
25 fund transfer, the entity is not required to file a monthly withholding
26 tax return.

27 **(f) An entity that registers to withhold taxes after December 31,**
28 **2009, shall file the withholding tax report and remit withholding**

 6 The department's instructions must provide that amounts withheld shall

31 SECTION 134. IC 6-3.1-4-2, AS AMENDED BY P.L.193-2005,
 32 SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 33 JANUARY 1, 2010]: Sec. 2. (a) A taxpayer who incurs Indiana
 34 qualified research expense in a particular taxable year is entitled to a
 35 research expense tax credit for the taxable year.

36 (b) For Indiana qualified research expense incurred before January
 37 1, 2008, the amount of the research expense tax credit is equal to the
 38 product of ten percent (10%) multiplied by the remainder of:

39 (1) the taxpayer's Indiana qualified research expenses for the
 40 taxable year; minus

41 (2) the taxpayer's base amount.

42 (c) **Except as provided in subsection (d),** for Indiana qualified

C
o

research expense incurred after December 31, 2007, the amount of the research expense tax credit is determined under STEP FOUR of the following formula:

STEP ONE: Subtract the taxpayer's base amount from the taxpayer's Indiana qualified research expense for the taxable year.

STEP TWO: Multiply the lesser of:

(A) one million dollars (\$1,000,000); or

(B) the STEP ONE remainder;

by fifteen percent (15%).

STEP THREE: If the STEP ONE remainder exceeds one million dollars (\$1,000,000), multiply the amount of that excess by ten percent (10%).

STEP FOUR: Add the STEP TWO and STEP THREE products.

(d) For Indiana qualified research expense incurred after December 31, 2009, a taxpayer may choose to have the amount of the research expense tax credit determined under this subsection rather than under subsection (c). At the election of the taxpayer, the amount of the taxpayer's research expense tax credit is equal to ten percent (10%) of the part of the taxpayer's Indiana qualified research expense for the taxable year that exceeds fifty percent (50%) of the taxpayer's average Indiana qualified research expense for the three (3) taxable years preceding the taxable year for which the credit is being determined. However, if the taxpayer did not have Indiana qualified research expense in any one (1) of the three (3) taxable years preceding the taxable year for which the credit is being determined, the amount of the research expense tax credit is equal to five percent (5%) of the taxpayer's Indiana qualified research expense for the taxable year.

SECTION 135. IC 6-3.1-26-26, AS AMENDED BY P.L.137-2006, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 26. (a) This chapter applies to taxable years beginning after December 31, 2003.

(b) Notwithstanding the other provisions of this chapter, the corporation may not approve a credit for a qualified investment made after December 31, ~~2011~~ **2015**. However, this section may not be construed to prevent a taxpayer from carrying an unused tax credit attributable to a qualified investment made before January 1, ~~2012~~, **2016**, forward to a taxable year beginning after December 31, ~~2011~~, **2015**, in the manner provided by section 15 of this chapter.

SECTION 136. IC 6-3.1-29-19, AS AMENDED BY P.L.52-2008, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) The corporation shall enter into an

C

1 agreement with an applicant that is awarded a credit under this chapter.

2 The agreement must include all the following:

3 (1) A detailed description of the project that is the subject of the
4 agreement.

5 (2) The first taxable year for which the credit may be claimed.

6 (3) The maximum tax credit amount that will be allowed for each
7 taxable year.

8 (4) A requirement that the taxpayer shall maintain operations at
9 the project location for at least ten (10) years during the term that
10 the tax credit is available.

11 (5) If the facility is an integrated coal gasification powerplant, a
12 requirement that the taxpayer shall pay an average wage to its
13 employees at the integrated coal gasification powerplant, other
14 than highly compensated employees, in each taxable year that a
15 tax credit is available, that equals at least one hundred twenty-five
16 percent (125%) of the average county wage in the county in which
17 the integrated coal gasification powerplant is located.

18 (6) For a project involving a qualified investment in an integrated
19 coal gasification powerplant, a requirement that the taxpayer will
20 maintain at the location where the qualified investment is made,
21 during the term of the tax credit, a total payroll that is at least
22 equal to the payroll that existed on the date that the taxpayer
23 placed the integrated coal gasification powerplant into service.

24 (7) A requirement that:

25 (A) one hundred percent (100%) of the coal used:

26 (i) at the integrated coal gasification powerplant, for a
27 project involving a qualified investment in an integrated
28 coal gasification powerplant; or

29 (ii) as fuel in a fluidized bed combustion unit, in a project
30 involving a qualified investment in a fluidized bed
31 combustion technology, if the unit is dedicated primarily to
32 serving Indiana retail electric utility consumers;

33 must be Indiana coal, unless the applicant wishes to assign the
34 tax credit as allowed under section 20.5(c) of this chapter **or**
35 **the applicant elects to receive a refundable tax credit**
36 **under section 20.7 of this chapter**, and the applicant certifies
37 to the corporation that partial use of other coal is necessary to
38 result in lower rates for Indiana retail utility customers; or

39 (B) seventy-five percent (75%) of the coal used as fuel in a
40 fluidized bed combustion unit must be Indiana coal, in a
41 project involving a qualified investment in a fluidized bed
42 combustion technology, if the unit is not dedicated primarily

C

to serving Indiana retail electric utility consumers.

(8) A requirement that the taxpayer obtain from the commission a determination under IC 8-1-8.5-2 that public convenience and necessity require, or will require:

(A) the construction of the taxpayer's integrated coal gasification powerplant, in the case of a project involving a qualified investment in an integrated coal gasification powerplant; or

(B) the installation of the taxpayer's fluidized bed combustion unit, in the case of a project involving a qualified investment in a fluidized bed combustion technology.

(b) A taxpayer must comply with the terms of the agreement described in subsection (a) to receive an annual installment of the tax credit awarded under this chapter. The corporation shall annually determine whether the taxpayer is in compliance with the agreement. If the corporation determines that the taxpayer is in compliance, the corporation shall issue a certificate of compliance to the taxpayer.

SECTION 137. IC 6-3.1-29-20.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 20.7. (a) The findings in IC 4-4-11.6-12 are incorporated by reference into this section. The general assembly further finds that the refundable credit provided by this section is also necessary to achieve the purposes set forth in IC 4-4-11.6-12.**

(b) This section applies to a taxpayer that:

(1) makes a qualified investment in an integrated coal gasification powerplant; and

(2) enters into a contract to sell substitute natural gas (as defined in IC 4-4-11.6-11) to the Indiana finance authority under IC 4-4-11.6.

(c) Notwithstanding anything in this chapter to the contrary, a taxpayer may elect in the manner prescribed by the department to take and receive all credits to which the taxpayer is entitled under section 15 of this chapter (without regard to section 16 of this chapter) as a refundable credit against the taxpayer's state tax liability, if any, over a period of twenty (20) taxable years, beginning not later than the taxable year in which the taxpayer places into service its integrated coal gasification powerplant. If, in a taxable year, a taxpayer that makes an election under this subsection has no state tax liability, the department shall pay to the taxpayer the full amount of the refundable credit for that taxable year.

C
o
p
y

(d) The amount of a credit to which a taxpayer that makes an election under subsection (c) is entitled for a particular taxable year equals the result determined under STEP FOUR:

STEP ONE: Determine the total credit amount to which the taxpayer is entitled under section 15 of this chapter (without regard to section 16 of this chapter).

STEP TWO: Divide the STEP ONE amount by twenty (20).

STEP THREE: Determine the ratio of Indiana coal to total coal used in the taxpayer's integrated coal gasification powerplant in the taxable year.

STEP FOUR: Multiply the STEP TWO and STEP THREE amounts.

(e) A taxpayer shall claim a refund under this section in the manner provided by the department. The department shall pay the refunded amount to the taxpayer not more than ninety (90) days after the date on which the refund is claimed.

(f) The shareholders, members, or partners of a pass through entity that makes an election under subsection (c) are not entitled to a credit allowed under section 20(b) of this chapter.

(g) A credit allowed under this section is not assignable under section 20.5 of this chapter.

SECTION 138. IC 6-3.1-31.9-1, AS ADDED BY P.L.223-2007, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. As used in this chapter, "alternative fuel" means:

- (1) methanol, denatured ethanol, and other alcohols;
- (2) mixtures containing eighty-five percent (85%) or more by volume of methanol, denatured ethanol, and other alcohols with gasoline or other fuel;
- (3) natural gas;
- (4) liquefied petroleum gas;
- (5) hydrogen;
- (6) coal-derived liquid fuels;
- (7) non-alcohol fuels derived from biological material;
- (8) P-Series fuels; or
- (9) electricity; or

(10) biodiesel or ultra low sulfur diesel fuel.

SECTION 139. IC 6-3.1-31.9-2, AS ADDED BY P.L.223-2007, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. As used in this chapter, "alternative fuel vehicle" means any vehicle passenger car or light truck with a gross weight of eight thousand five hundred (8,500) pounds or less that

C

1 is designed to operate on at least one (1) alternative fuel.

2 SECTION 140. IC 6-3.5-1.1-1.1, AS ADDED BY P.L.207-2005,
3 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
4 JULY 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified
5 distribution made to a county under this chapter among the civil taxing
6 units and school corporations in the county, the allocation amount for
7 a civil taxing unit or school corporation is the amount determined using
8 the following formula:

9 STEP ONE: Determine the sum of the total property taxes being
10 collected by the civil taxing unit or school corporation during the
11 calendar year of the distribution.

12 STEP TWO: Determine the sum of the following:

13 (A) Amounts appropriated from property taxes to pay the
14 principal of or interest on any debenture or other debt
15 obligation issued after June 30, 2005, other than an obligation
16 described in subsection (b).

17 (B) Amounts appropriated from property taxes to make
18 payments on any lease entered into after June 30, 2005, other
19 than a lease described in subsection (c).

20 (C) The proceeds of any property that are:

21 (i) received as the result of the issuance of a debt obligation
22 described in clause (A) or a lease described in clause (B);
23 and

24 (ii) appropriated from property taxes for any purpose other
25 than to refund or otherwise refinance a debt obligation or
26 lease described in subsection (b) or (c).

27 STEP THREE: Subtract the STEP TWO amount from the STEP
28 ONE amount.

29 STEP FOUR: Determine the sum of:

30 (A) the STEP THREE amount; plus

31 (B) the civil taxing unit's or school corporation's certified
32 distribution for the previous calendar year.

33 **The allocation amount is subject to adjustment as provided in**
34 **IC 36-8-19-7.5.**

35 (b) Except as provided in this subsection, an appropriation from
36 property taxes to repay interest and principal of a debt obligation is not
37 deducted from the allocation amount for a civil taxing unit or school
38 corporation if:

39 (1) the debt obligation was issued; and

40 (2) the proceeds appropriated from property taxes;
41 to refund or otherwise refinance a debt obligation or a lease issued
42 before July 1, 2005. However, an appropriation from property taxes

C
o
p
y

related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit or school corporation if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 141. IC 6-3.5-1.1-9, AS AMENDED BY P.L.146-2008, SECTION 327, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the ~~department, after reviewing the recommendation of the~~ budget agency determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made; as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the

C
o
p
y

1 county auditor of each adopting county the amount determined under
 2 subsection (a) plus the amount of interest in the county's account that
 3 has accrued and has not been included in a certification made in a
 4 preceding year. The amount certified is the county's "certified
 5 distribution" for the immediately succeeding calendar year. The amount
 6 certified shall be adjusted under subsections (c), (d), (e), (f), (g), and
 7 (h). The budget agency shall provide the county council with an
 8 informative summary of the calculations used to determine the certified
 9 distribution. The summary of calculations must include:

- 10 (1) the amount reported on individual income tax returns
- 11 processed by the department during the previous fiscal year;
- 12 (2) adjustments for over distributions in prior years;
- 13 (3) adjustments for clerical or mathematical errors in prior years;
- 14 (4) adjustments for tax rate changes; and
- 15 (5) the amount of excess account balances to be distributed under
- 16 IC 6-3.5-1.1-21.1.

17 The ~~department~~ **budget agency** shall also certify information
 18 concerning the part of the certified distribution that is attributable to a
 19 tax rate under section 24, 25, or 26 of this chapter. This information
 20 must be certified to the county auditor, ~~the department~~, and to the
 21 department of local government finance not later than September 1 of
 22 each calendar year. The part of the certified distribution that is
 23 attributable to a tax rate under section 24, 25, or 26 of this chapter may
 24 be used only as specified in those provisions.

25 (c) The ~~department~~ **budget agency** shall certify an amount less than
 26 the amount determined under subsection (b) if the ~~department~~, ~~after~~
 27 ~~reviewing the recommendation of the~~ budget agency determines that
 28 the reduced distribution is necessary to offset overpayments made in a
 29 calendar year before the calendar year of the distribution. The
 30 ~~department after reviewing the recommendation of the~~ budget agency
 31 may reduce the amount of the certified distribution over several
 32 calendar years so that any overpayments are offset over several years
 33 rather than in one (1) lump sum.

34 (d) The ~~department~~, ~~after reviewing the recommendation of the~~
 35 budget agency shall adjust the certified distribution of a county to
 36 correct for any clerical or mathematical errors made in any previous
 37 certification under this section. The ~~department~~, ~~after reviewing the~~
 38 ~~recommendation of the~~ budget agency may reduce the amount of the
 39 certified distribution over several calendar years so that any adjustment
 40 under this subsection is offset over several years rather than in one (1)
 41 lump sum.

42 (e) The ~~department~~, ~~after reviewing the recommendation of the~~

C
o
p
y

1 budget agency shall adjust the certified distribution of a county to
 2 provide the county with the distribution required under section 10(b)
 3 of this chapter.

4 (f) This subsection applies to a county that:

- 5 (1) initially imposes the county adjusted gross income tax; or
- 6 (2) increases the county adjusted income tax rate;

7 under this chapter in the same calendar year in which the ~~department~~
 8 **budget agency** makes a certification under this section. The
 9 ~~department, after reviewing the recommendation of the~~ budget agency
 10 shall adjust the certified distribution of a county to provide for a
 11 distribution in the immediately following calendar year and in each
 12 calendar year thereafter. The ~~department~~ **budget agency** shall provide
 13 for a full transition to certification of distributions as provided in
 14 subsection (a)(1) through (a)(2) in the manner provided in subsection
 15 (c).

16 (g) The ~~department, after reviewing the recommendation of the~~
 17 budget agency shall adjust the certified distribution of a county to
 18 provide the county with the distribution required under section 3.3 of
 19 this chapter beginning not later than the tenth month after the month in
 20 which additional revenue from the tax authorized under section 3.3 of
 21 this chapter is initially collected.

22 (h) This subsection applies in the year in which a county initially
 23 imposes a tax rate under section 24 of this chapter. Notwithstanding
 24 any other provision, the ~~department~~ **budget agency** shall adjust the part
 25 of the county's certified distribution that is attributable to the tax rate
 26 under section 24 of this chapter to provide for a distribution in the
 27 immediately following calendar year equal to the result of:

- 28 (1) the sum of the amounts determined under STEP ONE through
- 29 STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county
- 30 initially imposes a tax rate under section 24 of this chapter;
- 31 multiplied by
- 32 (2) two (2).

33 SECTION 142. IC 6-3.5-1.1-14, AS AMENDED BY P.L.146-2008,
 34 SECTION 328, IS AMENDED TO READ AS FOLLOWS
 35 [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 14. (a) In
 36 determining the amount of property tax replacement credits civil taxing
 37 units and school corporations of a county are entitled to receive during
 38 a calendar year, the department of local government finance shall
 39 consider only property taxes imposed on tangible property that was
 40 assessed in that county.

41 (b) If a civil taxing unit or a school corporation is located in more
 42 than one (1) county and receives property tax replacement credits from

C
o
p
y

one (1) or more of the counties, then the property tax replacement credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(d) Subject to subsection (e), if a civil taxing unit or school corporation of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which property tax replacement credits are being distributed, the civil taxing unit or school corporation is entitled to use the property tax replacement credits distributed to the civil taxing unit or school corporation for any purpose for which a property tax levy could be used.

(e) A school corporation shall treat any property tax replacement credits that the school corporation receives or is to receive during a particular calendar year as a part of its property tax levy for its debt service fund, capital projects fund, transportation fund, **and** school bus replacement fund **and special education preschool fund** in proportion to the levy for each of these funds for that same calendar year for purposes of fixing its budget. A school corporation shall allocate the property tax replacement credits described in this subsection to all ~~five~~ **four (4)** funds in proportion to the levy for each fund.

SECTION 143. IC 6-3.5-1.1-15, AS AMENDED BY P.L.146-2008, SECTION 329, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) As used in this section, "attributed allocation amount" of a civil taxing unit for a calendar year means the sum of:

- (1) the allocation amount of the civil taxing unit for that calendar year; plus
- (2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus
- (3) in the case of a county, an amount equal to the welfare allocation amount.

The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under this chapter or IC 6-3.5-6 in 2008, the

property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund and children with special health care needs county fund.

(b) The part of a county's certified distribution that is to be used as certified shares shall be allocated only among the county's civil taxing units. Each civil taxing unit of a county is entitled to receive a certified share during a calendar year in an amount determined in STEP TWO of the following formula:

STEP ONE: Divide:

(A) the attributed allocation amount of the civil taxing unit during that calendar year; by

(B) the sum of the attributed allocation amounts of all the civil taxing units of the county during that calendar year.

STEP TWO: Multiply the part of the county's certified distribution that is to be used as certified shares by the STEP ONE amount.

(c) The ~~total government tax control board established by IC 6-1.1-18.5-11~~ **department of local government finance** shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (a)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed allocation amount of its own. The ~~total government tax control board~~ **department of local government finance** shall certify the attributed allocation amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose, including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed allocation amount.

SECTION 144. IC 6-3.5-1.1-21 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21. Before October 2 of each year, the ~~department budget agency~~ shall submit a report to each county auditor indicating the balance in the county's adjusted gross income tax account as of the cutoff date specified by the

2 SECTION 145. IC 6-3.5-1.1-21.1 IS AMENDED TO READ AS
3 FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21.1. (a) If ~~after~~
4 ~~receiving a recommendation from~~ the budget agency the department
5 determines that a sufficient balance exists in a county account in excess
6 of the amount necessary, when added to other money that will be
7 deposited in the account after the date of the ~~recommendation;~~
8 **determination**, to make certified distributions to the county in the
9 ensuing year, the ~~department~~ **budget agency** shall make a
10 supplemental distribution to a county from the county's adjusted gross
11 income tax account.

12 (b) A supplemental distribution described in subsection (a) must be:

13 (1) made in January of the ensuing calendar year; and

14 (2) allocated and, subject to subsection (d), used in the same
15 manner as certified distributions.

16 (c) A determination under this section must be made before October
17 2.

18 (d) This subsection applies to that part of a distribution made under
19 this section that is allocated and available for use in the same manner
20 as certified shares. The civil taxing unit receiving the money shall
21 deposit the money in the civil taxing unit's rainy day fund established
22 under IC 36-1-8-5.1.

23 SECTION 146. IC 6-3.5-1.1-26, AS AMENDED BY P.L.146-2008,
24 SECTION 333, IS AMENDED TO READ AS FOLLOWS
25 [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 26. (a) A
26 county council may impose a tax rate under this section to provide
27 property tax relief to ~~political subdivisions~~ **taxpayers** in the county. A
28 county council is not required to impose any other tax before imposing
29 a tax rate under this section.

30 (b) A tax rate under this section may be imposed in increments of
31 five-hundredths of one percent (0.05%) determined by the county
32 council. A tax rate under this section may not exceed one percent (1%).

33 (c) A tax rate under this section is in addition to any other tax rates
34 imposed under this chapter and does not affect the purposes for which
35 other tax revenue under this chapter may be used.

36 (d) If a county council adopts an ordinance to impose or increase a
37 tax rate under this section, the county auditor shall send a certified
38 copy of the ordinance to the department and the department of local
39 government finance by certified mail.

40 (e) A tax rate under this section may be imposed, increased,
41 decreased, or rescinded by a county council at the same time and in the
42 same manner that the county council may impose or increase a tax rate

C
o
p

under section 24 of this chapter.

(f) Tax revenue attributable to a tax rate under this section may be used for any combination of the following purposes, as specified by ordinance of the county council:

(1) Except as provided in subsection (j), the tax revenue may be used to provide local property tax replacement credits at a uniform rate to all taxpayers in the county. The local property tax replacement credits shall be treated for all purposes as property tax levies. The county auditor shall determine the local property tax replacement credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide local property tax replacement credits in that year. A county council may not adopt an ordinance determining that tax revenue shall be used under this subdivision to provide local property tax replacement credits at a uniform rate to all taxpayers in the county unless the county council has done the following:

(A) Made available to the public the county council's best estimate of the amount of property tax replacement credits to be provided under this subdivision to homesteads, other residential property, commercial property, industrial property, and agricultural property.

(B) Adopted a resolution or other statement acknowledging that some taxpayers in the county that do not pay the tax rate under this section will receive a property tax replacement credit that is funded with tax revenue from the tax rate under this section.

(2) The tax revenue may be used to uniformly increase (before January 1, ~~2009~~ **2011**) or uniformly provide (after December 31, ~~2008~~ **2010**) the homestead credit percentage in the county. The homestead credits shall be treated for all purposes as property tax levies. The homestead credits do not reduce the basis for determining ~~the any~~ state homestead credit. ~~under IC 6-1.1-20.9 (before its repeal):~~ The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1. The ~~department of local government finance~~ **county auditor** shall determine the homestead credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide homestead credits in that year.

(3) The tax revenue may be used to provide local property tax replacement credits at a uniform rate for all qualified residential

property (as defined in IC 6-1.1-20.6-4 before January 1, 2009, and as defined in section 1 of this chapter after December 31, 2008) in the county. The local property tax replacement credits shall be treated for all purposes as property tax levies. The county auditor shall determine the local property tax replacement credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide local property tax replacement credits in that year.

(4) This subdivision applies only to Lake County. The Lake County council may adopt an ordinance providing that the tax revenue from the tax rate under this section is used for any of the following:

(A) To reduce all property tax levies imposed by the county by the granting of property tax replacement credits against those property tax levies.

(B) To provide local property tax replacement credits in Lake County in the following manner:

(i) The tax revenue under this section that is collected from taxpayers within a particular municipality in Lake County (as determined by the department based on the department's best estimate) shall be used only to provide a local property tax credit against property taxes imposed by that municipality.

(ii) The tax revenue under this section that is collected from taxpayers within the unincorporated area of Lake County (as determined by the department) shall be used only to provide a local property tax credit against property taxes imposed by the county. The local property tax credit for the unincorporated area of Lake County shall be available only to those taxpayers within the unincorporated area of the county.

(C) To provide property tax credits in the following manner:

(i) Sixty percent (60%) of the tax revenue under this section shall be used as provided in clause (B).

(ii) Forty percent (40%) of the tax revenue under this section shall be used to provide property tax replacement credits against property tax levies of the county and each township and municipality in the county. The percentage of the tax revenue distributed under this item that shall be used as credits against the county's levies or against a particular township's or municipality's levies is equal to the percentage determined by dividing the population of the county,

C
o
p
y

1 township, or municipality by the sum of the total population
 2 of the county, each township in the county, and each
 3 municipality in the county.

4 The Lake County council shall determine whether the credits
 5 under clause (A), (B), or (C) shall be provided to homesteads, to
 6 all qualified residential property, or to all taxpayers. The
 7 department of local government finance, with the assistance of the
 8 budget agency, shall certify to the county auditor and the fiscal
 9 body of the county and each township and municipality in the
 10 county the amount of property tax credits under this subdivision.
 11 Except as provided in subsection (g), the tax revenue under this
 12 section that is used to provide credits under this subdivision shall
 13 be treated for all purposes as property tax levies.

14 The county council may before October 1 of a year adopt an ordinance
 15 changing the purposes for which tax revenue attributable to a tax rate
 16 under this section shall be used in the following year.

17 (g) The tax rate under this section and the tax revenue attributable
 18 to the tax rate under this section shall not be considered for purposes
 19 of computing:

20 (1) the maximum income tax rate that may be imposed in a county
 21 under section 2 of this chapter or any other provision of this
 22 chapter;

23 (2) the maximum permissible property tax levy under STEP
 24 EIGHT of IC 6-1.1-18.5-3(b);

25 (3) before January 1, 2009, the total county tax levy under
 26 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), or IC 6-1.1-21-2(g)(5)
 27 (before the repeal of those provisions); or

28 (4) the credit under IC 6-1.1-20.6.

29 (h) Tax revenue under this section shall be treated as a part of the
 30 receiving civil taxing unit's or school corporation's property tax levy for
 31 that year for purposes of fixing the budget of the civil taxing unit or
 32 school corporation and for determining the distribution of taxes that are
 33 distributed on the basis of property tax levies. **To the extent the**
 34 **county auditor determines that income tax revenue remains from**
 35 **the tax under this section after providing the property tax**
 36 **replacement, the excess shall be credited to a dedicated county**
 37 **account and may be used only for property tax replacement under**
 38 **this section in subsequent years.**

39 (i) The department of local government finance and the department
 40 of state revenue may take any actions necessary to carry out the
 41 purposes of this section.

42 (j) A taxpayer that owns an industrial plant located in Jasper County

C

1 is ineligible for a local property tax replacement credit under this
 2 section against the property taxes due on the industrial plant if the
 3 assessed value of the industrial plant as of March 1, 2006, exceeds
 4 twenty percent (20%) of the total assessed value of all taxable property
 5 in the county on that date. The general assembly finds that the
 6 provisions of this subsection are necessary because the industrial plant
 7 represents such a large percentage of Jasper County's assessed
 8 valuation.

9 SECTION 147. IC 6-3.5-1.5-1, AS AMENDED BY P.L.146-2008,
 10 SECTION 334, IS AMENDED TO READ AS FOLLOWS
 11 [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 1. (a) The
 12 department of local government finance and the department of state
 13 revenue **(before January 1, 2010) or the budget agency (after**
 14 **December 31, 2009)** shall, before July 1 of each year, jointly calculate
 15 the county adjusted income tax rate or county option income tax rate
 16 (as applicable) that must be imposed in a county to raise income tax
 17 revenue in the following year equal to the sum of the following STEPS:

18 STEP ONE: Determine the greater of zero (0) or the result of:

19 (1) the department of local government finance's estimate of
 20 the sum of the maximum permissible ad valorem property tax
 21 levies calculated under IC 6-1.1-18.5 for all civil taxing units
 22 in the county for the ensuing calendar year (before any
 23 adjustment under IC 6-1.1-18.5-3(g) or IC 6-1.1-18.5-3(h) for
 24 the ensuing calendar year); minus

25 (2) the sum of the maximum permissible ad valorem property
 26 tax levies calculated under IC 6-1.1-18.5 for all civil taxing
 27 units in the county for the current calendar year.

28 In the case of a civil taxing unit that is located in more than one
 29 (1) county, the department of local government finance shall, for
 30 purposes of making the determination under this subdivision,
 31 apportion the civil taxing unit's maximum permissible ad valorem
 32 property tax levy among the counties in which the civil taxing unit
 33 is located.

34 STEP TWO: This STEP applies only to property taxes first due
 35 and payable before January 1, 2009. Determine the greater of zero
 36 (0) or the result of:

37 (1) the department of local government finance's estimate of
 38 the family and children property tax levy that will be imposed
 39 by the county under IC 12-19-7-4 for the ensuing calendar year
 40 (before any adjustment under IC 12-19-7-4(b) for the ensuing
 41 calendar year); minus

42 (2) the county's family and children property tax levy imposed

C
o
p
y

by the county under IC 12-19-7-4 for the current calendar year.
 STEP THREE: This STEP applies only to property taxes first due
 and payable before January 1, 2009. Determine the greater of zero
 (0) or the result of:

(1) the department of local government finance's estimate of
 the children's psychiatric residential treatment services
 property tax levy that will be imposed by the county under
 IC 12-19-7.5-6 for the ensuing calendar year (before any
 adjustment under IC 12-19-7.5-6(b) for the ensuing calendar
 year); minus

(2) the children's psychiatric residential treatment services
 property tax imposed by the county under IC 12-19-7.5-6 for
 the current calendar year.

STEP FOUR: Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of
 the county's maximum community mental health centers
 property tax levy under IC 12-29-2-2 for the ensuing calendar
 year (before any adjustment under IC 12-29-2-2(c) for the
 ensuing calendar year); minus

(2) the county's maximum community mental health centers
 property tax levy under IC 12-29-2-2 for the current calendar
 year.

(b) In the case of a county that wishes to impose a tax rate under
 IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) for the first time, the
 department of local government finance and the department of state
 revenue **(before January 1, 2010) or the budget agency (after
 December 31, 2009)** shall jointly estimate the amount that will be
 calculated under subsection (a) in the second year after the tax rate is
 first imposed. The department of local government finance and the
 department of state revenue **(before January 1, 2010) or the budget
 agency (after December 31, 2009)** shall calculate the tax rate under
 IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) that must be imposed
 in the county in the second year after the tax rate is first imposed to
 raise income tax revenue equal to the estimate under this subsection.

(c) The department **(before January 1, 2010) or the budget
 agency (after December 31, 2009)** and the department of local
 government finance shall make the calculations under subsections (a)
 and (b) based on the best information available at the time the
 calculation is made.

(d) Notwithstanding IC 6-3.5-1.1-24(h) and IC 6-3.5-6-30(h), if a
 county has adopted an income tax rate under IC 6-3.5-1.1-24 or
 IC 6-3.5-6-30 to replace property tax levy growth, the part of the tax

rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 that was used before January 1, 2009, to reduce levy growth in the county family and children's fund property tax levy and the children's psychiatric residential treatment services property tax levy shall instead be used for property tax relief in the same manner that a tax rate under IC 6-3.5-1.1-26 or ~~IC 6-3.5-6-30~~ **IC 6-3.5-6-32** is used for property tax relief.

SECTION 148. IC 6-3.5-1.5-3, AS ADDED BY P.L.224-2007, SECTION 69, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 3. The department of local government finance and the ~~department of state revenue~~ **budget agency** may take any actions necessary to carry out the purposes of this chapter.

SECTION 149. IC 6-3.5-6-1.1, AS AMENDED BY P.L.146-2008, SECTION 336, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units in the county, the allocation amount for a civil taxing unit is the amount determined using the following formula:

STEP ONE: Determine the total property taxes that are first due and payable to the civil taxing unit during the calendar year of the distribution plus, for a county, an amount equal to the welfare allocation amount.

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (b).

(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).

(C) The proceeds of any property that are:

(i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and

(ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the civil taxing unit or school corporation's certified

C
o
p
y

distribution for the previous calendar year.

The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5. The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under IC 6-3.5-1.1 or this chapter in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, and children with special health care needs county fund.

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds appropriated from property taxes; to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if it had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) A county income tax council is established for each county in Indiana. The membership of each county's county income tax council consists of the fiscal body of the county and the fiscal body of each city or town that lies either partially or entirely within that county.

(b) Using procedures described in this chapter, a county income tax council may adopt ordinances to:

- (1) impose the county option income tax in its county;
- (2) subject to section 12 of this chapter, rescind the county option income tax in its county;
- (3) increase the county option income tax rate for the county;
- (4) freeze the county option income tax rate for its county;
- (5) increase the homestead credit in its county; or
- (6) subject to section 12.5 of this chapter, decrease the county option income tax rate for the county.

(c) An ordinance adopted in a particular year under this chapter to impose or rescind the county option income tax or to increase its tax rate is effective ~~July~~ **October** 1 of that year.

SECTION 151. IC 6-3.5-6-13.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 13.5. A county income tax council must before August 1 of each odd-numbered year hold at least one (1) public meeting at which the county income tax council discusses whether the county option income tax rate under this chapter should be adjusted.**

SECTION 152. IC 6-3.5-6-17, AS AMENDED BY P.L.146-2008, SECTION 338, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of county option income tax revenue that the ~~department, after reviewing the recommendation of the~~ budget agency determines has been:

- (1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county option income tax made in the

C

1 state fiscal year.

2 (b) Before August 2 of each calendar year, the ~~department, after~~
 3 ~~reviewing the recommendation of the~~ budget agency shall certify to the
 4 county auditor of each adopting county the amount determined under
 5 subsection (a) plus the amount of interest in the county's account that
 6 has accrued and has not been included in a certification made in a
 7 preceding year. The amount certified is the county's "certified
 8 distribution" for the immediately succeeding calendar year. The amount
 9 certified shall be adjusted, as necessary, under subsections (c), (d), (e),
 10 and (f). The budget agency shall provide the county council with an
 11 informative summary of the calculations used to determine the certified
 12 distribution. The summary of calculations must include:

- 13 (1) the amount reported on individual income tax returns
- 14 processed by the department during the previous fiscal year;
- 15 (2) adjustments for over distributions in prior years;
- 16 (3) adjustments for clerical or mathematical errors in prior years;
- 17 (4) adjustments for tax rate changes; and
- 18 (5) the amount of excess account balances to be distributed under
- 19 IC 6-3.5-6-17.3.

20 The ~~department~~ **budget agency** shall also certify information
 21 concerning the part of the certified distribution that is attributable to a
 22 tax rate under section 30, 31, or 32 of this chapter. This information
 23 must be certified to the county auditor and to the department of local
 24 government finance not later than September 1 of each calendar year.
 25 The part of the certified distribution that is attributable to a tax rate
 26 under section 30, 31, or 32 of this chapter may be used only as
 27 specified in those provisions.

28 (c) The ~~department~~ **budget agency** shall certify an amount less than
 29 the amount determined under subsection (b) if the ~~department, after~~
 30 ~~reviewing the recommendation of the~~ budget agency determines that
 31 the reduced distribution is necessary to offset overpayments made in a
 32 calendar year before the calendar year of the distribution. The
 33 ~~department, after reviewing the recommendation of the~~ budget agency
 34 may reduce the amount of the certified distribution over several
 35 calendar years so that any overpayments are offset over several years
 36 rather than in one (1) lump sum.

37 (d) The ~~department, after reviewing the recommendation of the~~
 38 budget agency shall adjust the certified distribution of a county to
 39 correct for any clerical or mathematical errors made in any previous
 40 certification under this section. The ~~department, after reviewing the~~
 41 ~~recommendation of the~~ budget agency may reduce the amount of the
 42 certified distribution over several calendar years so that any adjustment

C
o
p
y

under this subsection is offset over several years rather than in one (1) lump sum.

(e) This subsection applies to a county that:

(1) initially imposed the county option income tax; or

(2) increases the county option income tax rate;

under this chapter in the same calendar year in which the ~~department~~ **budget agency** makes a certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(f) This subsection applies in the year a county initially imposes a tax rate under section 30 of this chapter. Notwithstanding any other provision, the ~~department~~ **budget agency** shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 30 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

(1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 30 of this chapter; multiplied by

(2) the following:

(A) In a county containing a consolidated city, one and five-tenths (1.5).

(B) In a county other than a county containing a consolidated city, two (2).

(g) One-twelfth (1/12) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the appropriate county treasurer on the first day of each month of that calendar year.

(h) Upon receipt, each monthly payment of a county's certified distribution shall be allocated among, distributed to, and used by the civil taxing units of the county as provided in sections 18 and 19 of this chapter.

(i) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

4 SECTION 154. IC 6-3.5-6-17.3 IS AMENDED TO READ AS
 5 FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If ~~after~~
 6 ~~receiving a recommendation from~~ the budget agency the ~~department~~
 7 determines that a sufficient balance exists in a county account in excess
 8 of the amount necessary, when added to other money that will be
 9 deposited in the account after the date of the ~~recommendation,~~
 10 **determination**, to make certified distributions to the county in the
 11 ensuing year, the ~~department~~ **budget agency** shall make a
 12 supplemental distribution to a county from the county's special account.

13 (b) A supplemental distribution described in subsection (a) must be:

- 14 (1) made in January of the ensuing calendar year; and
- 15 (2) allocated in the same manner as certified distributions for
- 16 deposit in a civil unit's rainy day fund established under
- 17 IC 36-1-8-5.1.

18 (c) A determination under this section must be made before October
 19 2.

20 SECTION 155. IC 6-3.5-6-18, AS AMENDED BY P.L.224-2007,
 21 SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 22 JULY 1, 2009]: Sec. 18. (a) The revenue a county auditor receives
 23 under this chapter shall be used to:

- 24 (1) replace the amount, if any, of property tax revenue lost due to
- 25 the allowance of an increased homestead credit within the county;
- 26 (2) fund the operation of a public communications system and
- 27 computer facilities district as provided in an election, if any, made
- 28 by the county fiscal body under IC 36-8-15-19(b);
- 29 (3) fund the operation of a public transportation corporation as
- 30 provided in an election, if any, made by the county fiscal body
- 31 under IC 36-9-4-42;
- 32 (4) make payments permitted under **IC 36-7-14-25.5 or**
- 33 **IC 36-7-15.1-17.5;**
- 34 (5) make payments permitted under subsection (i);
- 35 (6) make distributions of distributive shares to the civil taxing
- 36 units of a county; and
- 37 (7) make the distributions permitted under sections 27, 28, 29, 30,
- 38 31, 32, and 33 of this chapter.

39 (b) The county auditor shall retain from the payments of the county's
 40 certified distribution, an amount equal to the revenue lost, if any, due
 41 to the increase of the homestead credit within the county. This money
 42 shall be distributed to the civil taxing units and school corporations of

C
o
p
y

the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain:

(1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), **IC 36-7-14-25.5**, IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; and

(2) the amount of an additional tax rate imposed under section 27, 28, 29, 30, 31, 32, or 33 of this chapter.

The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units

C
o
p
y

1 of that county for that calendar year.

2 (h) If for a calendar year a civil taxing unit is allocated a part of a
3 county's distributive shares by subsection (g), then the formula used in
4 subsection (e) to determine all other civil taxing units' distributive
5 shares shall be changed each month for that same year by reducing the
6 amount to be distributed as distributive shares under subsection (e) by
7 the amount of distributive shares allocated under subsection (g) for that
8 same month. The department of local government finance shall make
9 any adjustments required by this subsection and provide them to the
10 appropriate county auditors.

11 (i) Notwithstanding any other law, a county fiscal body may pledge
12 revenues received under this chapter (other than revenues attributable
13 to a tax rate imposed under section 30, 31, or 32 of this chapter) to the
14 payment of bonds or lease rentals to finance a qualified economic
15 development tax project under IC 36-7-27 in that county or in any other
16 county if the county fiscal body determines that the project will
17 promote significant opportunities for the gainful employment or
18 retention of employment of the county's residents.

19 SECTION 156. IC 6-3.5-6-27, AS ADDED BY P.L.214-2005,
20 SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
21 JANUARY 1, 2010]: Sec. 27. (a) This section applies only to Miami
22 County. Miami County possesses unique economic development
23 challenges due to:

24 (1) underemployment in relation to similarly situated counties;
25 and

26 (2) the presence of a United States government military base or
27 other military installation that is completely or partially inactive
28 or closed.

29 Maintaining low property tax rates is essential to economic
30 development, and the use of county option income tax revenues as
31 provided in this chapter to pay any bonds issued or leases entered into
32 to finance the construction, acquisition, improvement, renovation, and
33 equipping described under subsection (c), rather than use of property
34 taxes, promotes that purpose.

35 (b) In addition to the rates permitted by sections 8 and 9 of this
36 chapter, the county council may impose the county option income tax
37 at a rate of twenty-five hundredths percent (0.25%) on the adjusted
38 gross income of resident county taxpayers if the county council makes
39 the finding and determination set forth in subsection (c). Section 8(e)
40 of this chapter applies to the application of the additional rate to
41 nonresident taxpayers.

42 (c) In order to impose the county option income tax as provided in

C
o
p
y

1 this section, the county council must adopt an ordinance finding and
 2 determining that revenues from the county option income tax are
 3 needed to pay the costs of financing, constructing, acquiring,
 4 renovating, and equipping a county jail, including the repayment of
 5 bonds issued, or leases entered into, for financing, constructing,
 6 acquiring, renovating, and equipping a county jail.

7 (d) If the county council makes a determination under subsection
 8 (c), the county council may adopt a tax rate under subsection (b). The
 9 tax rate may not be imposed at a rate or for a time greater than is
 10 necessary to pay the costs of financing, constructing, acquiring,
 11 renovating, and equipping a county jail.

12 (e) The county treasurer shall establish a county jail revenue fund
 13 to be used only for the purposes described in this section. County
 14 option income tax revenues derived from the tax rate imposed under
 15 this section shall be deposited in the county jail revenue fund before
 16 making a certified distribution under section 18 of this chapter.

17 (f) County option income tax revenues derived from the tax rate
 18 imposed under this section:

- 19 (1) may only be used for the purposes described in this section;
- 20 (2) may not be considered by the department of local government
 21 finance in determining the county's maximum permissible
 22 property tax levy limit under IC 6-1.1-18.5; and
- 23 (3) may be pledged to the repayment of bonds issued, or leases
 24 entered into, for the purposes described in subsection (c).

25 (g) ~~The department, after reviewing the recommendation of the~~
 26 ~~budget agency shall adjust the certified distribution of a county to~~
 27 ~~provide for an increased distribution of taxes in the immediately~~
 28 ~~following calendar year after the county adopts an increased tax rate~~
 29 ~~under this section and in each calendar year thereafter. The department~~
 30 **budget agency shall provide for a full transition to certification of**
 31 **distributions as provided in section 17(a)(1) through 17(a)(2) of this**
 32 **chapter in the manner provided in section 17(c) of this chapter.**

33 SECTION 157. IC 6-3.5-6-28, AS AMENDED BY P.L.224-2007,
 34 SECTION 80, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 35 JANUARY 1, 2010]: Sec. 28. (a) This section applies only to Howard
 36 County.

37 (b) Maintaining low property tax rates is essential to economic
 38 development, and the use of county option income tax revenues as
 39 provided in this section and as needed in the county to fund the
 40 operation and maintenance of a jail and juvenile detention center,
 41 rather than the use of property taxes, promotes that purpose.

42 (c) In addition to the rates permitted by sections 8 and 9 of this

C
o

chapter, the county fiscal body may impose a county option income tax at a rate that does not exceed twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers. The tax rate may be adopted in any increment of one hundredth percent (0.01%). Before the county fiscal body may adopt a tax rate under this section, the county fiscal body must make the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional tax rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

- (1) finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a jail, a juvenile detention center, or both; and
- (2) agreeing to freeze the part of any property tax levy imposed in the county for the operation of the jail or juvenile detention center, or both, covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section for the term in which an ordinance is in effect under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department of state revenue. An ordinance adopted under this section before April 1 in a year applies to the imposition of county income taxes after June 30 in that year. An ordinance adopted under this section after March 31 of a year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.

(f) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(g) County option income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section;

**C

p
y**

1 and

2 (2) may not be considered by the department of local government
3 finance in determining the county's maximum permissible
4 property tax levy limit under IC 6-1.1-18.5.

5 (h) The department of local government finance shall enforce an
6 agreement under subsection (d)(2).

7 (i) The ~~department, after reviewing the recommendation of the~~
8 budget agency shall adjust the certified distribution of a county to
9 provide for an increased distribution of taxes in the immediately
10 following calendar year after the county adopts an increased tax rate
11 under this section and in each calendar year thereafter. The ~~department~~
12 **budget agency** shall provide for a full transition to certification of
13 distributions as provided in section 17(a)(1) through 17(a)(2) of this
14 chapter in the manner provided in section 17(c) of this chapter.

15 (j) The department shall separately designate a tax rate imposed
16 under this section in any tax form as the Howard County jail operating
17 and maintenance income tax.

18 SECTION 158. IC 6-3.5-6-29, AS AMENDED BY P.L.224-2007,
19 SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
20 JANUARY 1, 2010]: Sec. 29. (a) This section applies only to Scott
21 County. Scott County is a county in which:

22 (1) maintaining low property tax rates is essential to economic
23 development; and

24 (2) the use of additional county option income tax revenues as
25 provided in this section, rather than the use of property taxes, to
26 fund:

27 (A) the financing, construction, acquisition, improvement,
28 renovation, equipping, operation, or maintenance of jail
29 facilities; and

30 (B) the repayment of bonds issued or leases entered into for
31 the purposes described in clause (A), except operation or
32 maintenance;

33 promotes the purpose of maintaining low property tax rates.

34 (b) The county fiscal body may impose the county option income tax
35 on the adjusted gross income of resident county taxpayers at a rate, in
36 addition to the rates permitted by sections 8 and 9 of this chapter, not
37 to exceed twenty-five hundredths percent (0.25%). Section 8(e) of this
38 chapter applies to the application of the additional rate to nonresident
39 taxpayers.

40 (c) To impose the county option income tax as provided in this
41 section, the county fiscal body must adopt an ordinance finding and
42 determining that additional revenues from the county option income tax

C

1 are needed in the county to fund:
2 (1) the financing, construction, acquisition, improvement,
3 renovation, equipping, operation, or maintenance of jail facilities;
4 and
5 (2) the repayment of bonds issued or leases entered into for the
6 purposes described in subdivision (1), except operation or
7 maintenance.
8 (d) If the county fiscal body makes a determination under subsection
9 (c), the county fiscal body may adopt an additional tax rate under
10 subsection (b). Subject to the limitations in subsection (b), the county
11 fiscal body may amend an ordinance adopted under this section to
12 increase, decrease, or rescind the additional tax rate imposed under this
13 section. As soon as practicable after the adoption of an ordinance under
14 this section, the county fiscal body shall send a certified copy of the
15 ordinance to the county auditor, the department of local government
16 finance, and the department. An ordinance adopted under this section
17 before June 1, 2006, or August 1 in a subsequent year applies to the
18 imposition of county income taxes after June 30 (in the case of an
19 ordinance adopted before June 1, 2006) or September 30 (in the case
20 of an ordinance adopted in 2007 or thereafter) in that year. An
21 ordinance adopted under this section after May 31, 2006, or July 31 of
22 a subsequent year initially applies to the imposition of county option
23 income taxes after June 30 (in the case of an ordinance adopted before
24 June 1, 2006) or September 30 (in the case of an ordinance adopted in
25 2007 or thereafter) of the immediately following year.
26 (e) If the county imposes an additional tax rate under this section,
27 the county treasurer shall establish a county jail revenue fund to be
28 used only for the purposes described in this section. County option
29 income tax revenues derived from the tax rate imposed under this
30 section shall be deposited in the county jail revenue fund before
31 making a certified distribution under section 18 of this chapter.
32 (f) County option income tax revenues derived from an additional
33 tax rate imposed under this section:
34 (1) may be used only for the purposes described in this section;
35 (2) may not be considered by the department of local government
36 finance in determining the county's maximum permissible
37 property tax levy limit under IC 6-1.1-18.5; and
38 (3) may be pledged for the repayment of bonds issued or leases
39 entered into to fund the purposes described in subsection (c)(1),
40 except operation or maintenance.
41 (g) If the county imposes an additional tax rate under this section,
42 the department, after reviewing the recommendation of the budget

C

1 agency shall adjust the certified distribution of the county to provide
 2 for an increased distribution of taxes in the immediately following
 3 calendar year after the county adopts the increased tax rate and in each
 4 calendar year thereafter. The ~~department~~ **budget agency** shall provide
 5 for a full transition to certification of distributions as provided in
 6 section 17(a)(1) through 17(a)(2) of this chapter in the manner
 7 provided in section 17(c) of this chapter.

8 SECTION 159. IC 6-3.5-6-30, AS AMENDED BY P.L.146-2008,
 9 SECTION 341, IS AMENDED TO READ AS FOLLOWS
 10 [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 30. (a) In
 11 a county in which the county option income tax is in effect, the county
 12 income tax council may, before August 1 of a year, adopt an ordinance to
 13 impose or increase (as applicable) a tax rate under this section.

14 (b) In a county in which neither the county option adjusted gross
 15 income tax nor the county option income tax is in effect, the county
 16 income tax council may, before August 1 of a year, adopt an ordinance to
 17 impose a tax rate under this section.

18 (c) An ordinance adopted under this section takes effect October 1
 19 of the year in which the ordinance is adopted. If a county income tax
 20 council adopts an ordinance to impose or increase a tax rate under this
 21 section, the county auditor shall send a certified copy of the ordinance
 22 to the department and the department of local government finance by
 23 certified mail.

24 (d) A tax rate under this section is in addition to any other tax rates
 25 imposed under this chapter and does not affect the purposes for which
 26 other tax revenue under this chapter may be used.

27 (e) The following apply only in the year in which a county income
 28 tax council first imposes a tax rate under this section:

29 (1) The county income tax council shall, in the ordinance
 30 imposing the tax rate, specify the tax rate for each of the
 31 following two (2) years.

32 (2) The tax rate that must be imposed in the county from October
 33 1 of the year in which the tax rate is imposed through September
 34 30 of the following year is equal to the result of:

35 (A) the tax rate determined for the county under
 36 IC 6-3.5-1.5-1(a) in that year; multiplied by

37 (B) the following:

38 (i) In a county containing a consolidated city, one and
 39 five-tenths (1.5).

40 (ii) In a county other than a county containing a consolidated
 41 city, two (2).

42 (3) The tax rate that must be imposed in the county from October

C

1 of the following year through September 30 of the year after the following year is the tax rate determined for the county under IC 6-3.5-1.5-1(b). The tax rate under this subdivision continues in effect in later years unless the tax rate is increased under this section.

(4) The levy limitations in IC 6-1.1-18.5-3(g), IC 6-1.1-18.5-3(h), IC 12-19-7-4(b) (before its repeal), IC 12-19-7.5-6(b) (before its repeal), and IC 12-29-2-2(c) apply to property taxes first due and payable in the ensuing calendar year and to property taxes first due and payable in the calendar year after the ensuing calendar year.

(f) The following apply only in a year in which a county income tax council increases a tax rate under this section:

(1) The county income tax council shall, in the ordinance increasing the tax rate, specify the tax rate for the following year.

(2) The tax rate that must be imposed in the county from October 1 of the year in which the tax rate is increased through September 30 of the following year is equal to the result of:

(A) the tax rate determined for the county under IC 6-3.5-1.5-1(a) in the year the tax rate is increased; plus

(B) the tax rate currently in effect in the county under this section.

The tax rate under this subdivision continues in effect in later years unless the tax rate is increased under this section.

(3) The levy limitations in IC 6-1.1-18.5-3(g), IC 6-1.1-18.5-3(h), IC 12-19-7-4(b) (before its repeal), IC 12-19-7.5-6(b) (before its repeal), and IC 12-29-2-2(c) apply to property taxes first due and payable in the ensuing calendar year.

(g) The department of local government finance shall determine the following property tax replacement distribution amounts:

STEP ONE: Determine the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) for the county in the preceding year.

STEP TWO: For distribution to each civil taxing unit that in the year had a maximum permissible property tax levy limited under IC 6-1.1-18.5-3(g), determine the result of:

(1) the quotient of:

(A) the part of the amount determined under STEP ONE of IC 6-3.5-1.5-1(a) in the preceding year that was attributable to the civil taxing unit; divided by

(B) the STEP ONE amount; multiplied by

(2) the tax revenue received by the county treasurer under this

C

- 1 section.
- 2 STEP THREE: For distributions in 2009 and thereafter, the result
- 3 of this STEP is zero (0). For distribution to the county for deposit
- 4 in the county family and children's fund before 2009, determine
- 5 the result of:
- 6 (1) the quotient of:
- 7 (A) the amount determined under STEP TWO of
- 8 IC 6-3.5-1.5-1(a) in the preceding year; divided by
- 9 (B) the STEP ONE amount; multiplied by
- 10 (2) the tax revenue received by the county treasurer under this
- 11 section.
- 12 STEP FOUR: For distributions in 2009 and thereafter, the result
- 13 of this STEP is zero (0). For distribution to the county for deposit
- 14 in the county children's psychiatric residential treatment services
- 15 fund before 2009, determine the result of:
- 16 (1) the quotient of:
- 17 (A) the amount determined under STEP THREE of
- 18 IC 6-3.5-1.5-1(a) in the preceding year; divided by
- 19 (B) the STEP ONE amount; multiplied by
- 20 (2) the tax revenue received by the county treasurer under this
- 21 section.
- 22 STEP FIVE: For distribution to the county for community mental
- 23 health center purposes, determine the result of:
- 24 (1) the quotient of:
- 25 (A) the amount determined under STEP FOUR of
- 26 IC 6-3.5-1.5-1(a) in the preceding year; divided by
- 27 (B) the STEP ONE amount; multiplied by
- 28 (2) the tax revenue received by the county treasurer under this
- 29 section.
- 30 Except as provided in subsection (m), the county treasurer shall
- 31 distribute the portion of the certified distribution that is attributable to
- 32 a tax rate under this section as specified in this section. The county
- 33 treasurer shall make the distributions under this subsection at the same
- 34 time that distributions are made to civil taxing units under section 18
- 35 of this chapter.
- 36 (h) Notwithstanding sections 12 and 12.5 of this chapter, a county
- 37 income tax council may not decrease or rescind a tax rate imposed
- 38 under this ~~chapter~~ **section**.
- 39 (i) The tax rate under this section shall not be considered for
- 40 purposes of computing:
- 41 (1) the maximum income tax rate that may be imposed in a county
- 42 under section 8 or 9 of this chapter or any other provision of this

C
o
p
y

chapter; or

(2) the maximum permissible property tax levy under STEP EIGHT of IC 6-1.1-18.5-3(b).

(j) The tax levy under this section shall not be considered for purposes of computing the total county tax levy under IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), or IC 6-1.1-21-2(g)(5) (before the repeal of those provisions) or for purposes of the credit under IC 6-1.1-20.6.

(k) A distribution under this section shall be treated as a part of the receiving civil taxing unit's property tax levy for that year for purposes of fixing its budget and for determining the distribution of taxes that are distributed on the basis of property tax levies.

(l) If a county income tax council imposes a tax rate under this section, the county option income tax rate dedicated to locally funded homestead credits in the county may not be decreased.

(m) In the year following the year in which a county first imposes a tax rate under this section:

(1) one-third ($1/3$) of the tax revenue that is attributable to the tax rate under this section must be deposited in the county stabilization fund established under subsection (o), in the case of a county containing a consolidated city; and

(2) one-half ($1/2$) of the tax revenue that is attributable to the tax rate under this section must be deposited in the county stabilization fund established under subsection (o), in the case of a county not containing a consolidated city.

(n) A pledge of county option income taxes does not apply to revenue attributable to a tax rate under this section.

(o) A county stabilization fund is established in each county that imposes a tax rate under this section. The county stabilization fund shall be administered by the county auditor. If for a year the certified distributions attributable to a tax rate under this section exceed the amount calculated under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) that is used by the department of local government finance and the department of state revenue to determine the tax rate under this section, the excess shall be deposited in the county stabilization fund. Money shall be distributed from the county stabilization fund in a year by the county auditor to political subdivisions entitled to a distribution of tax revenue attributable to the tax rate under this section if:

(1) the certified distributions attributable to a tax rate under this section are less than the amount calculated under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) that is used by the

C
o
p
y

department of local government finance and the department of state revenue to determine the tax rate under this section for a year; or

(2) the certified distributions attributable to a tax rate under this section in a year are less than the certified distributions attributable to a tax rate under this section in the preceding year.

However, subdivision (2) does not apply to the year following the first year in which certified distributions of revenue attributable to the tax rate under this section are distributed to the county.

(p) Notwithstanding any other provision, a tax rate imposed under this section may not exceed one percent (1%).

(q) A county income tax council must each year hold at least one (1) public meeting at which the county **income tax** council discusses whether the tax rate under this section should be imposed or increased.

(r) The department of local government finance and the department of state revenue may take any actions necessary to carry out the purposes of this section.

(s) Notwithstanding any other provision, in Lake County the county council (and not the county income tax council) is the entity authorized to take actions concerning the additional tax rate under this section.

SECTION 160. IC 6-3.5-6-32, AS AMENDED BY P.L.146-2008, SECTION 343, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 32. (a) A county income tax council may impose a tax rate under this section to provide property tax relief to ~~political subdivisions~~ **taxpayers** in the county. A county income tax council is not required to impose any other tax before imposing a tax rate under this section.

(b) A tax rate under this section may be imposed in increments of five-hundredths of one percent (0.05%) determined by the county income tax council. A tax rate under this section may not exceed one percent (1%).

(c) A tax rate under this section is in addition to any other tax rates imposed under this chapter and does not affect the purposes for which other tax revenue under this chapter may be used.

(d) If a county income tax council adopts an ordinance to impose or increase a tax rate under this section, the county auditor shall send a certified copy of the ordinance to the department and the department of local government finance by certified mail.

(e) A tax rate under this section may be imposed, increased, decreased, or rescinded at the same time and in the same manner that the county income tax council may impose or increase a tax rate under section 30 of this chapter.

(f) Tax revenue attributable to a tax rate under this section may be used for any combination of the following purposes, as specified by ordinance of the county income tax council:

(1) The tax revenue may be used to provide local property tax replacement credits at a uniform rate to all taxpayers in the county. The local property tax replacement credits shall be treated for all purposes as property tax levies. The county auditor shall determine the local property tax replacement credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide local property tax replacement credits in that year. A county income tax council may not adopt an ordinance determining that tax revenue shall be used under this subdivision to provide local property tax replacement credits at a uniform rate to all taxpayers in the county unless the county council has done the following:

(A) Made available to the public the county council's best estimate of the amount of property tax replacement credits to be provided under this subdivision to homesteads, other residential property, commercial property, industrial property, and agricultural property.

(B) Adopted a resolution or other statement acknowledging that some taxpayers in the county that do not pay the tax rate under this section will receive a property tax replacement credit that is funded with tax revenue from the tax rate under this section.

(2) The tax revenue may be used to uniformly increase (before January 1, ~~2009~~ **2011**) or uniformly provide (after December 31, ~~2008~~ **2010**) the homestead credit percentage in the county. The homestead credits shall be treated for all purposes as property tax levies. The homestead credits do not reduce the basis for determining ~~the any~~ state homestead credit. ~~under IC 6-1.1-20.9 (before its repeal)~~. The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1. The ~~department of local government finance~~ **county auditor** shall determine the homestead credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide homestead credits in that year.

(3) The tax revenue may be used to provide local property tax replacement credits at a uniform rate for all qualified residential property (as defined in IC 6-1.1-20.6-4 before January 1, 2009,

C
o

and as defined in section 1 of this chapter after December 31, 2008) in the county. The local property tax replacement credits shall be treated for all purposes as property tax levies. The county auditor shall determine the local property tax replacement credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide local property tax replacement credits in that year.

(4) This subdivision applies only to Lake County. The Lake County council may adopt an ordinance providing that the tax revenue from the tax rate under this section is used for any of the following:

(A) To reduce all property tax levies imposed by the county by the granting of property tax replacement credits against those property tax levies.

(B) To provide local property tax replacement credits in Lake County in the following manner:

(i) The tax revenue under this section that is collected from taxpayers within a particular municipality in Lake County (as determined by the department based on the department's best estimate) shall be used only to provide a local property tax credit against property taxes imposed by that municipality.

(ii) The tax revenue under this section that is collected from taxpayers within the unincorporated area of Lake County (as determined by the department) shall be used only to provide a local property tax credit against property taxes imposed by the county. The local property tax credit for the unincorporated area of Lake County shall be available only to those taxpayers within the unincorporated area of the county.

(C) To provide property tax credits in the following manner:

(i) Sixty percent (60%) of the tax revenue under this section shall be used as provided in clause (B).

(ii) Forty percent (40%) of the tax revenue under this section shall be used to provide property tax replacement credits against property tax levies of the county and each township and municipality in the county. The percentage of the tax revenue distributed under this item that shall be used as credits against the county's levies or against a particular township's or municipality's levies is equal to the percentage determined by dividing the population of the county, township, or municipality by the sum of the total population

of the county, each township in the county, and each municipality in the county.

The Lake County council shall determine whether the credits under clause (A), (B), or (C) shall be provided to homesteads, to all qualified residential property, or to all taxpayers. The department of local government finance, with the assistance of the budget agency, shall certify to the county auditor and the fiscal body of the county and each township and municipality in the county the amount of property tax credits under this subdivision. Except as provided in subsection (g), the tax revenue under this section that is used to provide credits under this subdivision shall be treated for all purposes as property tax levies.

The county income tax council may before October 1 of a year adopt an ordinance changing the purposes for which tax revenue attributable to a tax rate under this section shall be used in the following year.

(g) The tax rate under this section shall not be considered for purposes of computing:

- (1) the maximum income tax rate that may be imposed in a county under section 8 or 9 of this chapter or any other provision of this chapter;
- (2) the maximum permissible property tax levy under STEP EIGHT of IC 6-1.1-18.5-3(b); or
- (3) the credit under IC 6-1.1-20.6.

(h) Tax revenue under this section shall be treated as a part of the receiving civil taxing unit's or school corporation's property tax levy for that year for purposes of fixing the budget of the civil taxing unit or school corporation and for determining the distribution of taxes that are distributed on the basis of property tax levies. **To the extent the county auditor determines that income tax revenue remains from the tax under this section after providing the property tax replacement, the excess shall be credited to a dedicated county account and may be used only for property tax replacement under this section in subsequent years.**

(i) The department of local government finance and the department of state revenue may take any actions necessary to carry out the purposes of this section.

(j) Notwithstanding any other provision, in Lake County the county council (and not the county income tax council) is the entity authorized to take actions concerning the tax rate under this section.

1 County.

2 (b) Maintaining low property tax rates is essential to economic
3 development, and the use of county option income tax revenues as
4 provided in this chapter and as needed in the county to fund the
5 operation and maintenance of a juvenile detention center and other
6 facilities to provide juvenile services, rather than the use of property
7 taxes, promotes that purpose.

8 (c) In addition to the rates permitted by sections 8 and 9 of this
9 chapter, the county fiscal body may impose an additional county option
10 income tax at a rate of not more than twenty-five hundredths percent
11 (0.25%) on the adjusted gross income of resident county taxpayers if
12 the county fiscal body makes the finding and determination set forth in
13 subsection (d). Section 8(e) of this chapter applies to the application of
14 the additional rate to nonresident taxpayers.

15 (d) In order to impose the county option income tax as provided in
16 this section, the county fiscal body must adopt an ordinance:

17 (1) finding and determining that revenues from the county option
18 income tax are needed in the county to fund the operation and
19 maintenance of a juvenile detention center and other facilities
20 necessary to provide juvenile services; and

21 (2) agreeing to freeze for the term in which an ordinance is in
22 effect under this section the part of any property tax levy imposed
23 in the county for the operation of the juvenile detention center and
24 other facilities covered by the ordinance at the rate imposed in the
25 year preceding the year in which a full year of additional county
26 option income tax is certified for distribution to the county under
27 this section.

28 (e) If the county fiscal body makes a determination under subsection
29 (d), the county fiscal body may adopt a tax rate under subsection (c).
30 Subject to the limitations in subsection (c), the county fiscal body may
31 amend an ordinance adopted under this section to increase, decrease,
32 or rescind the additional tax rate imposed under this section. As soon
33 as practicable after the adoption of an ordinance under this section, the
34 county fiscal body shall send a certified copy of the ordinance to the
35 county auditor, the department of local government finance, and the
36 department of state revenue. An ordinance adopted under this section
37 before August 1 in a year applies to the imposition of county income
38 taxes after September 30 in that year. An ordinance adopted under this
39 section after July 31 of a year initially applies to the imposition of
40 county option income taxes after September 30 of the immediately
41 following year.

42 (f) The county treasurer shall establish a county juvenile detention

center revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county juvenile detention center revenue fund before a certified distribution is made under section 18 of this chapter.

(g) County option income tax revenues derived from the tax rate imposed under this section:

(1) may be used only for the purposes described in this section; and

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

(h) The department of local government finance shall enforce an agreement made under subsection (d)(2).

(i) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. ~~The department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 162. IC 6-3.5-7-11, AS AMENDED BY P.L.1-2009, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 11. (a) Revenue derived from the imposition of the county economic development income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency, shall certify to the county auditor of each adopting county the sum of the amount of county economic development income tax revenue that the ~~department~~ **budget agency** determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county economic development income tax made in the state fiscal year plus the amount of interest in the county's account that has been accrued and has not been included in a certification made in a preceding year. The amount certified is the

C

county's certified distribution, which shall be distributed on the dates specified in section 16 of this chapter for the following calendar year.

(c) The amount certified under subsection (b) shall be adjusted under subsections (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

- (1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;
- (2) adjustments for over distributions in prior years;
- (3) adjustments for clerical or mathematical errors in prior years;
- (4) adjustments for tax rate changes; and
- (5) the amount of excess account balances to be distributed under IC 6-3.5-7-17.3.

(d) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(e) ~~After reviewing the recommendation of~~ The budget agency the ~~department~~ shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(f) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 16(b) of this chapter.

(g) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide the county with the amount of any tax increase imposed under section 25 or 26 of this chapter to provide additional homestead credits as provided in those provisions.

(h) This subsection applies to a county that:

- (1) initially imposed the county economic development income

1 tax; or

2 (2) increases the county economic development income rate;
 3 under this chapter in the same calendar year in which the ~~department~~
 4 **budget agency** makes a certification under this section. The
 5 ~~department, after reviewing the recommendation of the~~ budget agency,
 6 shall adjust the certified distribution of a county to provide for a
 7 distribution in the immediately following calendar year and in each
 8 calendar year thereafter. The ~~department~~ **budget agency** shall provide
 9 for a full transition to certification of distributions as provided in
 10 subsection (b)(1) through (b)(2) in the manner provided in subsection
 11 (d).

 13 SECTION 346, IS AMENDED TO READ AS FOLLOWS
 14 [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as provided in
 15 sections 23, 25, 26, 27, and 28 of this chapter, the county auditor shall
 16 distribute in the manner specified in this section the certified
 17 distribution to the county.

18 (b) Except as provided in subsections (c) and (h) and sections 15
 19 and 25 of this chapter, **and subject to adjustment as provided in**
 20 **IC 36-8-19-7.5**, the amount of the certified distribution that the county
 21 and each city or town in a county is entitled to receive during May and
 22 November of each year equals the product of the following:

23 (1) The amount of the certified distribution for that month;
 24 multiplied by

25 (2) A fraction. The numerator of the fraction equals the sum of:
 26 (A) total property taxes that are first due and payable to the
 27 county, city, or town during the calendar year in which the
 28 month falls; plus

29 (B) for a county, the welfare allocation amount.

30 The denominator of the fraction equals the sum of the total
 31 property taxes that are first due and payable to the county and all
 32 cities and towns of the county during the calendar year in which
 33 the month falls, plus the welfare allocation amount. The welfare
 34 allocation amount is an amount equal to the sum of the property
 35 taxes imposed by the county in 1999 for the county's welfare fund
 36 and welfare administration fund and, if the county received a
 37 certified distribution under this chapter in 2008, the property
 38 taxes imposed by the county in 2008 for the county's county
 39 medical assistance to wards fund, family and children's fund,
 40 children's psychiatric residential treatment services fund, county
 41 hospital care for the indigent fund, and children with special
 42 health care needs county fund.

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) Except as provided in sections 25 and 26 of this chapter, the amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

(A) the amount of the certified distribution for the month; multiplied by

(B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.

- (3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

- (1) The county.
- (2) A city or town in the county.
- (3) A commission, a board, a department, or an authority that is authorized by statute to pledge the county economic development income tax.

(e) The department of local government finance shall provide each county auditor with the fractional amount of the certified distribution that the county and each city or town in the county is entitled to receive under this section.

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property subject to assessment in

1 that county.

2 (h) In a county having a consolidated city, only the consolidated city
3 is entitled to the certified distribution, subject to the requirements of
4 sections 15, 25, and 26 of this chapter.

5 SECTION 164. IC 6-3.5-7-17.3 IS AMENDED TO READ AS
6 FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If ~~after~~
7 ~~receiving a recommendation from~~ the budget agency ~~the department~~

9 of the amount necessary, when added to other money that will be
10 deposited in the account after the date of the ~~recommendation,~~
11 **determination**, to make certified distributions to the county in the
12 ensuing year, the ~~department~~ **budget agency** shall make a
13 supplemental distribution to a county from the county's special account.

14 (b) A supplemental distribution described in subsection (a) must be:

15 (1) made in January of the ensuing calendar year; and

16 (2) allocated in the same manner as certified distributions for
17 deposit in a civil unit's rainy day fund established under
18 IC 36-1-8-5.1.

19 (c) A determination under this section must be made before October
20 2.

22 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. The inheritance tax
23 imposed as a result of a decedent's death is a lien on the property
24 transferred by the decedent. Except as otherwise provided in
25 IC 6-4.1-6-6(b), the inheritance tax accrues and the lien attaches at the
26 time of the decedent's death. The lien terminates when the inheritance
27 tax is paid, when IC 6-4.1-4-0.5 provides for the termination of the lien,
28 or ~~five (5)~~ **ten (10)** years after the date of the decedent's death,
29 whichever occurs first. In addition to the lien, the transferee of the

(c) If a tax payment that has been erroneously or illegally collected is not refunded within ninety (90) days after **the later of** the date on which:

(1) the refund claim is filed with the department of state revenue;
or

(2) **the inheritance tax return is received by the department of state revenue;**

interest accrues at the rate of six percent (6%) per annum computed from the date ~~the refund claim is filed under subdivision (1) or (2),~~ **whichever applies,** until the tax payment is refunded.

SECTION 167. IC 6-6-1.1-606.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 606.5. (a) Every person included within the terms of section 606(a) and 606(c) of this chapter shall register with the administrator before engaging in those activities. The administrator shall issue a transportation license to a person who registers with the administrator under this section.

(b) Every person included within the terms of section 606(a) of this chapter who transports gasoline in a vehicle on the highways in Indiana for purposes other than use and consumption by that person may not make a delivery of that gasoline to any person in Indiana other than a licensed distributor except:

(1) when the tax imposed by this chapter on the receipt of the transported gasoline was charged and collected by the parties; and

(2) under the circumstances described in section 205 of this chapter.

(c) Every person included within the terms of section 606(c) of this chapter who transports gasoline in a vehicle upon the highways of Indiana for purposes other than use and consumption by that person may not, on the journey carrying that gasoline to points outside Indiana, make delivery of that fuel to any person in Indiana.

(d) Every transporter of gasoline included within the terms of section 606(a) and ~~section~~ 606(c) of this chapter who transports gasoline upon the highways of Indiana for purposes other than use and consumption by that person shall at the time of registration and on an annual basis list with the administrator a description of all vehicles, including the vehicles' license numbers, to be used on the highways of Indiana in transporting gasoline from:

(1) points outside Indiana to points inside Indiana; and

(2) points inside Indiana to points outside Indiana.

(e) The description that subsection (d) requires shall contain the information that is reasonably required by the administrator including

C

the carrying capacity of the vehicle. When the vehicle is a tractor-trailer type, the trailer is the vehicle to be described. When additional vehicles are placed in service or when a vehicle previously listed is retired from service during the year, the administrator shall be notified within ten (10) days of the change so that the listing of the vehicles may be kept accurate.

(f) A distributor's or an Indiana transportation license is required for a person or the person's agent acting in the person's behalf to operate a vehicle for the purpose of delivering gasoline within the boundaries of Indiana when the vehicle has a total tank capacity of at least eight hundred fifty (850) gallons.

(g) The operator of a vehicle to which this section applies shall at all times when engaged in the transporting of gasoline on the highways have with the vehicle an invoice or manifest showing the origin, quantity, nature, and destination of the gasoline that is being transported.

(h) The department shall provide for relief if a shipment of gasoline is legitimately diverted from the represented destination state after the shipping paper has been issued by a terminal operator or if a terminal operator failed to cause proper information to be printed on the shipping paper. Provisions for relief under this subsection:

(1) must require that the shipper or its agent provide notification to the department before a diversion or correction if an intended diversion or correction is to occur; and

(2) must be consistent with the refund provisions of this chapter.

SECTION 168. IC 6-6-2.5-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 35. (a) The tax on special fuel received by a licensed supplier in Indiana that is imposed by section 28 of this chapter shall be collected and remitted to the state by the supplier who receives taxable gallons in accordance with subsection (b).

(b) On or before the fifteenth day of each month, licensed suppliers and licensed permissive suppliers shall make an estimated payment of all taxes imposed on transactions that occurred during the previous calendar month equal to:

(1) one hundred percent (100%) of the amount remitted by the licensed supplier or licensed permissive supplier for the month preceding the previous calendar month; or

(2) ninety-five percent (95%) of the amount actually due and payable by the licensed supplier or licensed permissive supplier

C

for the previous month.

Any remaining tax imposed on transactions occurring during a calendar month shall be due and payable on or before the twentieth day of the following month, except as provided in subsection (i). Underpayments of estimated taxes due and owing the department are not subject to a penalty under section 63(a) of this chapter.

(c) A supplier who sells special fuel shall collect from the purchaser the special fuel tax imposed under section 28 of this chapter. At the election of an eligible purchaser, the seller shall not require a payment of special fuel tax from the purchaser at a time that is earlier than the date on which the tax is required to be remitted by the supplier under subsection (b). This election shall be subject to a condition that the eligible purchaser's remittances of all amounts of tax due the seller shall be paid by electronic funds transfer on or before the due date of the remittance by the supplier to the department, and the eligible purchaser's election under this subsection may be terminated by the seller if the eligible purchaser does not make timely payments to the seller as required by this subsection.

(d) As used in this section, "eligible purchaser" means a person who has authority from the department to make the election under subsection (c) and includes every person who is licensed and in good standing as a special fuel dealer or special fuel user, as determined by the department, as of July 1, 1993, who has purchased a minimum of two hundred forty thousand (240,000) taxable gallons of special fuel each year in the preceding two (2) years, or who otherwise meets the financial responsibility and bonding requirements of subsection (e).

(e) Each purchaser that desires to make an election under subsection (c) shall present evidence of the purchaser's eligible purchaser status to the purchaser's seller. The department shall determine whether the purchaser is an eligible purchaser. The department may require a purchaser that pays the tax to a supplier to file with the department a surety bond payable to the state, upon which the purchaser is the obligor or other financial security, in an amount satisfactory to the department. The department may require that the bond indemnify the department against bad debt deductions claimed by the supplier under subsection (g).

(f) The department shall have the authority to rescind a purchaser's eligibility and election to defer special fuel tax remittances upon a showing of good cause, including failure to make timely payment under subsection (c), by sending written notice to all suppliers and eligible purchasers. The department may require further assurance of the purchaser's financial responsibility, or may increase the bond

C
o
p

1 requirement for that purchaser, or any other action that the department
2 may require to ensure remittance of the special fuel tax.

3 (g) In computing the amount of special fuel tax due, the supplier and
4 permissive supplier shall be entitled to a deduction from the tax
5 payable the amount of tax paid by the supplier that has become
6 uncollectible from a purchaser. The department shall adopt rules
7 establishing the evidence a supplier must provide to receive the
8 deduction. The deduction shall be claimed on the first return following
9 the date of the failure of the purchaser if the payment remains unpaid
10 as of the filing date of that return or the deduction shall be disallowed.
11 The claim shall identify the defaulting purchaser and any tax liability
12 that remains unpaid. If a purchaser fails to make a timely payment of
13 the amount of tax due, the supplier's deduction shall be limited to the
14 amount due from the purchaser, plus any tax that accrues from that
15 purchaser for a period of ten (10) days following the date of failure to
16 pay. No additional deduction shall be allowed until the department has
17 authorized the purchaser to make a new election under subsection (e).
18 The department may require the deduction to be reported in the same
19 manner as prescribed in Section 166 of the Internal Revenue Code.

20 (h) The supplier and each reseller of special fuel is considered to be
21 a collection agent for this state with respect to that special fuel tax,
22 which shall be set out on all invoices and billings as a separate line
23 item.

24 (i) Except as provided in subsection (e), the tax imposed by section
25 28 of this chapter on special fuel imported from another state shall be
26 paid by the licensed importer who has imported the nonexempt special
27 fuel not later than three (3) business days after the earlier of:

28 ~~(1) the time that the nonexempt special fuel entered into Indiana.~~

29 ~~or~~

30 ~~(2) the time that a valid import verification number was assigned~~
31 ~~by the department under rules and procedures adopted by the~~
32 ~~department.~~

33 However, if the importer and the importer's reseller have previously
34 entered into a tax precollection agreement as described in subsection
35 (j), and the agreement remains in effect, the supplier with whom the
36 agreement has been made shall become jointly liable with the importer
37 for the tax and shall remit the tax to the department on behalf of the
38 importer. This subsection does not apply to an importer with respect to
39 imports in vehicles with a capacity of not more than five thousand four
40 hundred (5,400) gallons.

41 (j) The department, a licensed importer, the reseller to a licensed
42 importer, and a licensed supplier or permissive supplier may jointly

C

enter into an agreement for the licensed supplier or permissive supplier to precollect and remit the tax imposed by this chapter with respect to special fuel imported from a terminal outside of Indiana in the same manner and at the same time as the tax would arise and be paid under this chapter if the special fuel had been received by the licensed supplier or permissive supplier at a terminal in Indiana. If the supplier is also the importer, the agreement shall be entered into between the supplier and the department. However, any licensed supplier or permissive supplier may make an election with the department to treat all out-of-state terminal removals with an Indiana destination as shown on the terminal-issued shipping paper as if the removals were received by the supplier in Indiana pursuant to section 28 of this chapter and subsection (a), for all purposes. In this case, the election and notice of the election to a supplier's customers shall operate instead of a three (3) party precollection agreement. The department may impose requirements reasonably necessary for the enforcement of this subsection.

(k) Each licensed importer who is liable for the tax imposed by this chapter on nonexempt special fuel imported by a fuel transport truck having less than five thousand four hundred (5,400) gallons capacity, for which tax has not previously been paid to a supplier, shall remit the special fuel tax for the preceding month's import activities with the importer's monthly report of activities. A licensed importer shall be allowed to retain two-thirds (2/3) of the collection allowance provided for in section 37(a) of this chapter for the tax timely remitted by the importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

(l) A licensed importer shall be allowed to retain two-thirds (2/3) of the amount allowed in section 37(a) of this chapter of the tax timely remitted by the licensed importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

SECTION 169. IC 6-6-2.5-41 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 41. (a) Each supplier engaged in business in Indiana as a supplier shall first obtain a supplier's license. The fee for a supplier's license shall be five hundred dollars (\$500).

(b) Any person who desires to collect the tax imposed by this chapter as a supplier and who meets the definition of a permissive supplier may obtain a permissive supplier's license. Application for or possession of a permissive supplier's license shall not in itself subject the applicant or licensee to the jurisdiction of Indiana for any other purpose than administration and enforcement of this chapter. The fee

C
o
p
y

for a permissive supplier's license is fifty dollars (\$50).

(c) Each terminal operator other than a supplier licensed under subsection (a) engaged in business in Indiana as a terminal operator shall first obtain a terminal operator's license for each terminal site. The fee for a terminal operator's license is three hundred dollars (\$300).

(d) Each exporter engaged in business in Indiana as an exporter shall first obtain an exporter's license. However, in order to obtain a license to export special fuel from Indiana to another specified state, a person shall be licensed either to collect and remit special fuel taxes or be licensed to deal in tax free special fuel in that other specified state of destination. The fee for an exporter's license is two hundred dollars (\$200).

(e) Each person who is not licensed as a supplier shall obtain a transporter's license before transporting special fuel by whatever manner from a point outside Indiana to a point inside Indiana, or from a point inside Indiana to a point outside Indiana, regardless of whether the person is engaged for hire in interstate commerce or for hire in intrastate commerce. The registration fee for a transporter's license is fifty dollars (\$50).

(f) Each person who wishes to cause special fuel to be delivered into Indiana on the person's own behalf, for the person's own account, or for resale to an Indiana purchaser, from another state in a fuel transport vehicle having a capacity of more than five thousand four hundred (5,400) gallons, or in a pipeline or barge shipment into storage facilities other than a qualified terminal, shall first make an application for and obtain an importer's license. The fee for an importer's license is two hundred dollars (\$200). This subsection does not apply to a person who imports special fuel that is exempt because the special fuel has been dyed or marked, or both, in accordance with section 31 of this chapter. This subsection does not apply to a person who imports nonexempt special fuels meeting the following conditions:

(1) The special fuel is subject to one (1) or more tax precollection agreements with suppliers as provided in section 35 of this chapter.

(2) The special fuel tax precollection by the supplier is expressly evidenced on the terminal-issued shipping paper as specifically provided in section 62(e)(2) of this chapter.

(g) A person desiring to import special fuel to an Indiana destination who does not enter into an agreement to prepay Indiana special fuel tax to a supplier or permissive supplier under section 35 of this chapter on the imports must ~~do the following:~~

C
o
p
y

(1) obtain a valid license under subsection (f).

(2) Obtain an import verification number from the department not earlier than twenty-four (24) hours before entering the state with each import; if importing in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons.

(3) Display a proper import verification number on the shipping document; if importing in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons.

(h) The department may require a person that wants to blend special fuel to first obtain a license from the department. The department may establish reasonable requirements for the proper enforcement of this subsection, including the following:

(1) Guidelines under which a person may be required to obtain a license.

(2) A requirement that a licensee file reports in the form and manner required by the department.

(3) A requirement that a licensee meet the bonding requirements specified by the department.

(i) The department may require a person that:

(1) is subject to the special fuel tax under this chapter;

(2) qualifies for a federal diesel fuel tax exemption under Section 4082 of the Internal Revenue Code; and

(3) is purchasing red dyed low sulfur diesel fuel;

to register with the department as a dyed fuel user. The department may establish reasonable requirements for the proper enforcement of this subsection, including guidelines under which a person may be required to register and the form and manner of reports a registrant is required to file.

SECTION 170. IC 6-6-2.5-62 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 62. (a) No person shall import, sell, use, deliver, or store in Indiana special fuel in bulk as to which dye or a marker, or both, has not been added in accordance with section 31 of this chapter, or as to which the tax imposed by this chapter has not been paid to or accrued by a licensed supplier or licensed permissive supplier as shown by a notation on a terminal-issued shipping paper subject to the following exceptions:

(1) A supplier shall be exempt from this provision with respect to special fuel manufactured in Indiana or imported by pipeline or waterborne barge and stored within a terminal in Indiana.

(2) An end user shall be exempt from this provision with respect to special fuel in a vehicle supply tank when the fuel was placed in the vehicle supply tank outside of Indiana.

C
o
p
y

(3) A licensed importer, and transporter operating on the importer's behalf, that transports in vehicles with a capacity of more than five thousand four hundred (5,400) gallons, shall be exempt from this prohibition if the importer or the transporter has met all of the following conditions:

~~(A)~~ The importer or the transporter before entering onto the highways of Indiana has obtained an import verification number from the department not earlier than twenty-four (24) hours before entering Indiana.

~~(B)~~ The import verification number must be set out prominently and indelibly on the face of each copy of the terminal-issued shipping paper carried on board the transport truck.

~~(C)~~ ~~(A)~~ The terminal origin and the importer's name and address must be set out prominently on the face of each copy of the terminal-issued shipping paper.

~~(D)~~ ~~(B)~~ The terminal-issued shipping paper data otherwise required by this chapter is present.

~~(E)~~ ~~(C)~~ All tax imposed by this chapter with respect to previously requested import verification number activity **(before the repeal of requirements related to import verification numbers)** on the account of the importer or the transporter has been timely remitted.

In every case, a transporter acting in good faith is entitled to rely upon representations made to the transporter by the fuel supplier or importer and when acting in good faith is not liable for the negligence or malfeasance of another person. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(b) No person shall export special fuel from Indiana unless that person has obtained an exporter's license or a supplier's license or has paid the destination state special fuel tax to the supplier and can demonstrate proof of export in the form of a destination state bill of lading. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(c) No person shall operate or maintain a motor vehicle on any public highway in Indiana with special fuel contained in the fuel supply tank for the motor vehicle that contains dye or a marker, or both, as provided under section 31 of this chapter. This provision does not apply to persons operating motor vehicles that have received fuel into their fuel tanks outside of Indiana in a jurisdiction that permits introduction of dyed or marked, or both, special fuel of that color and

C
o
p

type into the motor fuel tank of highway vehicles or to a person that qualifies for the federal fuel tax exemption under Section 4082 of the Internal Revenue Code and that is registered with the department as a dyed fuel user. A person who knowingly:

(1) violates; or

(2) aids and abets another person in violating;

this subsection commits a Class A infraction. However, the violation is a Class A misdemeanor if the person has committed one (1) prior unrelated violation of this subsection, and a Class D felony if the person has committed more than one (1) prior unrelated violation of this subsection.

(d) No person shall engage in any business activity in Indiana as to which a license is required by section 41 of this chapter unless the person shall have first obtained the license. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(e) No person shall operate a motor vehicle with a capacity of more than five thousand four hundred (5,400) gallons that is engaged in the shipment of special fuel on the public highways of Indiana and that is destined for a delivery point in Indiana, as shown on the terminal-issued shipping papers, without having on board a terminal-issued shipping paper indicating with respect to any special fuel purchased:

(1) under claim of exempt use, a notation describing the load or the appropriate portion of the load as Indiana tax exempt special fuel;

(2) if not purchased under a claim of exempt use, a notation describing the load or the appropriate portion thereof as Indiana taxed or pretaxed special fuel; or

(3) if imported by or on behalf of a licensed importer instead of the pretaxed notation, a valid verification number provided before entry into Indiana by the department or the department's designee or appointee, and the valid verification number may be handwritten on the shipping paper by the transporter or importer.

A person is in violation of subdivision (1) or (2) (whichever applies) if the person boards the vehicle with a shipping paper that does not meet the requirements described in the applicable subdivision (1) or (2). A person in violation of this subsection commits a Class A infraction (as defined in IC 34-28-5-4).

(f) A person may not sell or purchase any product for use in the supply tank of a motor vehicle for general highway use that does not meet ASTM standards as published in the annual Book of Standards

and its supplements unless amended or modified by rules adopted by the department under IC 4-22-2. The transporter and the transporter's agent and customer have the exclusive duty to dispose of any product in violation of this section in the manner provided by federal and state law. A person who knowingly:

- (1) violates; or
- (2) aids and abets another in violating;

this subsection commits a Class D felony.

(g) This subsection does not apply to the following:

(1) A person that:

(A) inadvertently manipulates the dye or marker concentration of special fuel or coloration of special fuel; and

(B) contacts the department within one (1) business day after the date on which the contamination occurs.

(2) A person that affects the dye or marker concentration of special fuel by engaging in the blending of the fuel, if the blender:

(A) collects or remits, or both, all tax due as provided in section 28(g) of this chapter;

(B) maintains adequate records as required by the department to account for the fuel that is blended and its status as a taxable or exempt sale or use; and

(C) is otherwise in compliance with this subsection.

A person may not manipulate the dye or marker concentration of a special fuel or the coloration of special fuel after the special fuel is removed from a terminal or refinery rack for sale or use in Indiana. A person who knowingly violates or aids and abets another person to violate this subsection commits a Class D felony.

(h) This subsection does not apply to a person that receives blended fuel from a person in compliance with subsection (g)(2). A person may not sell or consume special fuel if the special fuel dye or marker concentration or coloration has been manipulated, inadvertently or otherwise, after the special fuel has been removed from a terminal or refinery rack for sale or use in Indiana. A person who knowingly:

- (1) violates; or
- (2) aids and abets another to violate;

this subsection commits a Class D felony.

(i) A person may not engage in blending fuel for taxable use in Indiana without collecting and remitting the tax due on the untaxed portion of the fuel that is blended. A person who knowingly:

- (1) violates; or
- (2) aids and abets another to violate;

this subsection commits a Class D felony.

SECTION 171. IC 6-6-2.5-64 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 64. (a) If any person liable for the tax files a false or fraudulent return, there shall be added to the tax an amount equal to the tax the person evaded or attempted to evade.

(b) The department shall impose a civil penalty of one thousand dollars (\$1,000) for a person's first occurrence of transporting special fuel without adequate shipping papers as required under sections 40, 41(g), and 62(e) of this chapter, unless the person shall have complied with rules adopted under IC 4-22-2. Each subsequent occurrence described in this subsection is subject to a civil penalty of five thousand dollars (\$5,000).

(c) The department shall impose a civil penalty on the operator of a vehicle of two hundred dollars (\$200) for the initial occurrence, two thousand five hundred dollars (\$2,500) for the second occurrence, and five thousand dollars (\$5,000) for the third and each subsequent occurrence of a violation of either:

(1) the prohibition of use of dyed or marked special fuel, or both, on the Indiana public highways, except for a person that qualifies for the federal fuel tax exemption under Section 4082 of the Internal Revenue Code and that is registered with the department as a dyed fuel user; or

(2) the use of special fuel in violation of section 28(i) of this chapter.

(d) A supplier that makes sales for export to a person:

(1) who does not have an appropriate export license; or

(2) without collection of the destination state tax on special fuel nonexempt in the destination state;

shall be subject to a civil penalty equal to the amount of Indiana's special fuel tax in addition to the tax due.

(e) The department may impose a civil penalty of one thousand dollars (\$1,000) for each occurrence against every terminal operator that fails to meet shipping paper issuance requirements under section 40 of this chapter.

(f) Each importer or transporter who knowingly imports undyed or unmarked special fuel, or both, in a transport truck without:

(1) a valid importer license;

(2) a supplier license;

~~(3) an import verification number, if transporting in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons; or~~

~~(4)~~ (3) a shipping paper showing on the paper's face as required

C

under this chapter that Indiana special fuel tax is not due; is subject to a civil penalty of ten thousand dollars (\$10,000) for each occurrence described in this subsection.

(g) This subsection does not apply to a person if section 62(g) of this chapter does not apply to the person. A:

(1) person that manipulates the dye or marker concentration of special fuel or the coloration of special fuel after the special fuel is removed from a terminal or refinery rack for sale or use in Indiana; and

(2) person that receives the special fuel; are jointly and severally liable for the special fuel tax due on the portion of untaxed fuel plus a penalty equal to the greater of one hundred percent (100%) of the tax due or one thousand dollars (\$1,000).

(h) A person that engages in blending fuel for taxable sale or use in Indiana and does not collect and remit all tax due on untaxed fuel that is blended is liable for the tax due plus a penalty that is equal to the greater of one hundred percent (100%) of the tax due or one thousand dollars (\$1,000).

SECTION 172. IC 6-6-2.5-65 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 65. (a) If a person is found operating a motor vehicle in violation of section 40(b), 40(c), or 62(e) of this chapter, the vehicle and its cargo is subject to impoundment, seizure, and subsequent sale, in accordance with IC 6-8.1. The failure of the operator of a motor vehicle to have on-board when loaded a terminal-issued bill of lading with a destination state machine printed on its face or which fails to meet the descriptive annotation requirements in section 40(b) ~~41(g)(2); 41(g)(3);~~ or 62(e) of this chapter, whichever may apply, shall be presumptive evidence of a violation sufficient to warrant impoundment and seizure of the vehicle and its cargo.

(b) After a person:

(1) is found in violation of section 62(c) of this chapter; and

(2) pays the tax due to the state;

the department shall issue a release to the person. The release must permit the dyed or marked special fuel, or both, that is the subject of the violation to be consumed on Indiana public highways within a grace period of twenty-four (24) hours after the time that the release is issued. After the grace period expires, the person shall be considered in violation of section 62(c) of this chapter if the person or the person's agent operates or maintains the same motor vehicle on an Indiana public highway with special fuel containing dye or a marker, or both.

1 SECTION 173. IC 6-6-4.1-12 IS AMENDED TO READ AS
 2 FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as
 3 authorized under section 13 of this chapter, a carrier may operate a
 4 commercial motor vehicle upon the highways in Indiana only if the
 5 carrier has been issued an annual permit, cab card, and emblem under
 6 this section.

7 (b) The department shall issue:

8 (1) an annual permit; and

9 (2) a cab card and an emblem for each commercial motor vehicle
 10 that will be operated by the carrier upon the highways in Indiana;
 11 to a carrier who applies for an annual permit and pays to the
 12 department an annual permit fee of twenty-five dollars (\$25) **not later**
 13 **than September 1 of the year before the annual permit is effective**
 14 **under subsection (c).**

15 (c) The annual permit, cab card, and emblem are effective from
 16 January 1 of each year through December 31 of the same year. The
 17 department may extend the expiration date of the annual permit, cab
 18 card, and emblem for no more than sixty (60) days. The annual permit,
 19 each cab card, and each emblem issued to a carrier remain the property
 20 of this state and may be suspended or revoked by the department for
 21 any violation of this chapter or of the rules concerning this chapter
 22 adopted by the department under IC 4-22-2.

23 (d) As evidence of compliance with this section, and for the purpose
 24 of enforcement, a carrier shall display on each commercial motor
 25 vehicle an emblem when the vehicle is being operated by the carrier in
 26 Indiana. The carrier shall affix the emblem to the vehicle in the
 27 location designated by the department. The carrier shall display in each
 28 vehicle the cab card issued by the department. The carrier shall retain
 29 the original annual permit at the address shown on the annual permit.
 30 During the month of December, the carrier shall display the cab card
 31 and emblem that are valid through December 31 or a full year cab card
 32 and emblem issued to the carrier for the ensuing twelve (12) months.
 33 If the department grants an extension of the expiration date, the carrier
 34 shall continue to display the cab card and emblem upon which the
 35 extension was granted.

36 (e) If a commercial motor vehicle is operated by more than one (1)
 37 carrier, as evidence of compliance with this section and for purposes
 38 of enforcement each carrier shall display in the commercial motor
 39 vehicle a reproduced copy of the carrier's annual permit when the
 40 vehicle is being operated by the carrier in Indiana.

41 (f) A person who fails to display an emblem required by this section
 42 on a commercial motor vehicle, does not have proof in the vehicle that

C
o
p
y

the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation without an emblem constitutes a separate infraction. Notwithstanding IC 34-28-5-4, a judgment of not less than one hundred dollars (\$100) shall be entered for each Class C infraction under this subsection.

(g) A person who displays an altered, false, or fictitious cab card required by this section in a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation with an altered, false, or fictitious cab card constitutes a separate infraction.

SECTION 174. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars (\$50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.

(b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:

(1) pay the trip permit fee at the time the temporary authorization is issued; or

(2) subsequently apply for and obtain an annual permit.

(c) A carrier may obtain an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:

(1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and

(2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying the quarterly

C
o
p
y

motor fuel tax imposed under this chapter, a carrier may pay an annual IFTA repair and maintenance fee of forty dollars (\$40) and receive an IFTA annual repair and maintenance permit. The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under an IFTA annual repair and maintenance permit.

(d) A carrier may obtain an International Registration Plan (IRP) repair and maintenance permit to:

- (1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
- (2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay an annual IRP repair and maintenance fee of forty dollars (\$40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IRP annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IRP annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23).

(e) A person may obtain a repair and maintenance permit to:

- (1) move an unregistered off-road vehicle from a quarry or mine to a maintenance or repair facility; and**
- (2) return the unregistered off-road vehicle to its place of origin.**

The fee for the permit is forty dollars (\$40). The permit is an annual permit and applies to all unregistered off-road vehicles from the same quarry or mine.

~~(c)~~ (f) A carrier may obtain a repair, maintenance, and relocation permit to:

- (1) move a yard tractor from a terminal or loading or spotting facility to:

C
o
p
y

- 1 (A) a maintenance or repair facility; or
 2 (B) another terminal or loading or spotting facility; and
 3 (2) return the yard tractor to its place of origin.

4 The fee for the permit is forty dollars (\$40). The permit is an annual
 5 permit and applies to all yard tractors operated by the carrier. The
 6 permit is not transferable to another carrier. A carrier may not carry
 7 cargo or transport or draw a semitrailer or other vehicle under the
 8 permit. A carrier may operate a yard tractor under the permit instead of
 9 paying the tax imposed under this chapter. A yard tractor that is being
 10 operated on a public highway under this subsection must display a
 11 license plate issued under IC 9-18-32. As used in this section, "yard
 12 tractor" has the meaning set forth under IC 9-13-2-201.

13 (f) (g) The department shall establish procedures, by rules adopted
 14 under IC 4-22-2, for:

- 15 (1) the issuance and use of trip permits, temporary authorizations,
 16 and repair and maintenance permits; and
 17 (2) the display in commercial motor vehicles of evidence of
 18 compliance with this chapter.

19 SECTION 175. IC 6-6-5-10, AS AMENDED BY P.L.146-2008,
 20 SECTION 353, IS AMENDED TO READ AS FOLLOWS
 21 [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) The bureau shall establish
 22 procedures necessary for the collection of the tax imposed by this
 23 chapter and for the proper accounting for the same. The necessary
 24 forms and records shall be subject to approval by the state board of
 25 accounts.

26 (b) The county treasurer, upon receiving the excise tax collections,
 27 shall receipt such collections into a separate account for settlement
 28 thereof at the same time as property taxes are accounted for and settled
 29 in June and December of each year, with the right and duty of the
 30 treasurer and auditor to make advances prior to the time of final
 31 settlement of such property taxes in the same manner as provided in
 32 IC 5-13-6-3.

33 (c) As used in this subsection, "taxing district" has the meaning set
 34 forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in
 35 IC 6-1.1-1-21, and "tuition support levy" refers to a school
 36 corporation's tuition support property tax levy under IC 20-45-3-11
 37 (repealed) for the school corporation's general fund. The county auditor
 38 shall determine the total amount of excise taxes collected for each
 39 taxing district in the county and the amount so collected (and the
 40 distributions received under section 9.5 of this chapter) shall be
 41 apportioned and distributed among the respective funds of the taxing
 42 units in the same manner and at the same time as property taxes are

C
o
p
y

1 apporportioned and distributed (**subject to adjustment as provided in**
 2 **IC 36-8-19-7.5**). However, for purposes of determining distributions
 3 under this section for 2009 and each year thereafter, a state welfare and
 4 tuition support allocation shall be deducted from the total amount
 5 available for apportionment and distribution to taxing units under this
 6 section before any apportionment and distribution is made. The county
 7 auditor shall remit the state welfare and tuition support allocation to the
 8 treasurer of state for deposit, as directed by the budget agency. The
 9 amount of the state welfare and tuition support allocation for a county
 10 for a particular year is equal to the result determined under STEP
 11 FOUR of the following formula:

12 STEP ONE: Determine the result of the following:

13 (A) Separately for 1997, 1998, and 1999 for each taxing
 14 district in the county, determine the result of:

- 15 (i) the amount appropriated in the year by the county from
 16 the county's county welfare fund and county welfare
 17 administration fund; divided by
 18 (ii) the total amounts appropriated by all taxing units in the
 19 county for the same year.

20 (B) Determine the sum of the clause (A) amounts.

21 (C) Divide the clause (B) amount by three (3).

22 (D) Determine the result of:

- 23 (i) the amount of excise taxes allocated to the taxing district
 24 that would otherwise be available for distribution to taxing
 25 units in the taxing district; multiplied by
 26 (ii) the clause (C) amount.

27 STEP TWO: Determine the result of the following:

28 (A) Separately for 2006, 2007, and 2008 for each taxing
 29 district in the county, determine the result of:

- 30 (i) the tax rate imposed in the taxing district for the county's
 31 county medical assistance to wards fund, family and
 32 children's fund, children's psychiatric residential treatment
 33 services fund, county hospital care for the indigent fund,
 34 children with special health care needs county fund, plus, in
 35 the case of Marion County, the tax rate imposed by the
 36 health and hospital corporation that was necessary to raise
 37 thirty-five million dollars (\$35,000,000) from all taxing
 38 districts in the county; divided by
 39 (ii) the aggregate tax rate imposed in the taxing district for
 40 the same year.

41 (B) Determine the sum of the clause (A) amounts.

42 (C) Divide the clause (B) amount by three (3).

- 1 (D) Determine the result of:
- 2 (i) the amount of excise taxes allocated to the taxing district
- 3 that would otherwise be available for distribution to taxing
- 4 units in the taxing district after subtracting the STEP ONE
- 5 (D) amount for the same taxing district; multiplied by
- 6 (ii) the clause (C) amount.
- 7 (E) Determine the sum of the clause (D) amounts for all taxing

- 9 STEP THREE: Determine the result of the following:

- 11 district in the county, determine the result of:
- 12 (i) the tuition support levy tax rate imposed in the taxing

- 15 in the district; divided by
- 16 (ii) the aggregate tax rate imposed in the taxing district for
- 17 the same year.
- 18 (B) Determine the sum of the clause (A) amounts.
- 19 (C) Divide the clause (B) amount by three (3).
- 20 (D) Determine the result of:

- 22 that would otherwise be available for distribution to taxing
- 23 units in the taxing district after subtracting the STEP ONE
- 24 (D) amount for the same taxing district; multiplied by
- 25 (ii) the clause (C) amount.
- 26 (E) Determine the sum of the clause (D) amounts for all taxing
- 27 districts in the county.
- 28 STEP FOUR: Determine the sum of the STEP ONE, STEP TWO,
- 29 and STEP THREE amounts for the county.
- 30 If the boundaries of a taxing district change after the years for which a
- 31 ratio is calculated under STEP ONE, STEP TWO, or STEP THREE,
- 32 the budget agency shall establish a ratio for the new taxing district that
- 33 reflects the tax rates imposed in the predecessor taxing districts.
- 34 (d) Such determination shall be made from copies of vehicle
- 35 registration forms furnished by the bureau of motor vehicles. Prior to
- 36 such determination, the county assessor of each county shall, from
- 37 copies of registration forms, cause information pertaining to legal
- 38 residence of persons owning taxable vehicles to be verified from the
- 39 assessor's records, to the extent such verification can be so made. The

4 SECTION 176. IC 6-6-5.1-15, AS ADDED BY P.L.131-2008,
 5 SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 6 JULY 1, 2009]: Sec. 15. (a) This section applies only to recreational
 7 vehicles.

8 (b) With respect to a recreational vehicle that has been acquired, has
 9 been brought into Indiana, or for any other reason becomes subject to
 10 registration after the regular annual registration date in the year on or
 11 before which the owner of the recreational vehicle is required under the
 12 state motor vehicle registration laws to register vehicles, the tax
 13 imposed by this chapter is due and payable at the time the recreational
 14 vehicle is acquired, is brought into Indiana, or otherwise becomes
 15 subject to registration. The amount of tax to be paid by the owner for
 16 the remainder of the year shall be reduced by **ten eight and**
 17 **thirty-three hundredths** percent ~~(10%)~~ **(8.33%)** for each full calendar
 18 month that has elapsed since the regular annual registration date in the
 19 year fixed by the state motor vehicle registration laws for annual
 20 registration by the owner. The tax shall be paid at the time of the
 21 registration of the recreational vehicle.

22 (c) If a recreational vehicle is acquired, is brought into Indiana, or
 23 for any other reason becomes subject to registration after January 1 of
 24 any year, the owner may pay the applicable registration fee on the
 25 recreational vehicle as provided in the state motor vehicle registration
 26 laws and may pay any excise tax due on the recreational vehicle for the
 27 remainder of the annual registration year and simultaneously register
 28 the recreational vehicle and pay the applicable registration fee and the
 29 excise tax due for the next succeeding annual registration year.

30 (d) Except as provided in subsection (h), a reduction in the
 31 applicable annual excise tax may not be allowed to an Indiana resident
 32 applicant upon registration of a recreational vehicle that was owned by
 33 the applicant on or before the first day of the applicant's annual
 34 registration period. A recreational vehicle that is owned by an Indiana
 35 resident applicant and that was located in and registered for use in
 36 another state during the same calendar year is entitled to the same
 37 reduction when registered in Indiana.

38 (e) The owner of a recreational vehicle who sells the recreational
 39 vehicle in a year in which the owner has paid the tax imposed by this
 40 chapter shall receive a credit equal to the remainder of:

41 (1) the tax paid for the recreational vehicle; minus

42 (2) **ten eight and thirty-three hundredths** percent ~~(10%)~~

C
o
p
y

(8.33%) for each full or partial calendar month that has elapsed in the owner's annual registration year before the date of the sale. The credit shall be applied to the tax due on any other recreational vehicle purchased or subsequently registered by the owner in the owner's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the recreational vehicle must present to the bureau proof of sale of the recreational vehicle.

(f) Subject to the requirements of subsection (g), if a recreational vehicle is destroyed in a year in which the owner has paid the tax imposed by this chapter and the recreational vehicle is not replaced by a replacement vehicle for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to ~~ten~~ **eight and thirty-three hundredths** percent (~~10%~~) **(8.33%)** of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

- (1) A request for refund on a form furnished by the bureau.
- (2) A statement of proof of destruction on an affidavit furnished by the bureau.
- (3) The license plate from the recreational vehicle.
- (4) The registration from the recreational vehicle.

However, the refund may not exceed ninety percent (90%) of the tax paid on the destroyed recreational vehicle. The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a recreational vehicle is considered destroyed if the cost of repair of damages suffered by the recreational vehicle exceeds the recreational vehicle's fair market value.

(g) To claim a refund under subsection (f) for a recreational vehicle that is destroyed, the owner of the recreational vehicle must present to the bureau a valid registration for the recreational vehicle within ninety (90) days after the date that the recreational vehicle is destroyed. The

C
o
p

bureau shall then fix the amount of the refund that the owner is entitled to receive.

(h) If the name of the owner of a recreational vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner for the recreational vehicle shall be adjusted as follows:

(1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

(A) ~~ten eight and thirty-three hundredths~~ percent (~~10%~~) **(8.33%)** of the owner's last preceding annual excise tax liability; multiplied by

(B) the number of full calendar months beginning after the owner's new regular annual registration month and ending before the next succeeding regular annual registration month that is based on the owner's former name.

(2) If the name change requires the owner to register later than the owner would have been required to register if there had been no name change, the recreational vehicle is subject to excise tax for the period beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month in the amount of the product of:

(A) ~~ten eight and thirty-three hundredths~~ percent (~~10%~~) **(8.33%)** of the owner's excise tax liability computed as of the time the owner would have been required to register if there had been no name change; multiplied by

(B) the number of full calendar months beginning after the month in which the owner would have been required to register if there had been no name change and ending before the owner's new regular annual registration month.

SECTION 177. IC 6-6-5.1-16, AS ADDED BY P.L.131-2008, SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) This section applies only to truck campers.

(b) With respect to a truck camper that has been acquired, has been brought into Indiana, or for any other reason becomes subject to taxation after the regular annual registration date in the year on or before which the owner of the truck camper is required under the state motor vehicle registration laws to register vehicles, the tax imposed by this chapter is due and payable at the time the truck camper is acquired,

The tax shall be paid within thirty (30) days after the date on which the truck camper is acquired, is brought into Indiana, or otherwise becomes subject to taxation under this chapter.

(c) If a truck camper is acquired, is brought into Indiana, or for any other reason becomes subject to taxation under this chapter after January 1 of any year, the owner may pay any excise tax due on the truck camper for the remainder of the annual registration year and simultaneously pay the excise tax due for the next succeeding annual registration year.

(d) The owner of a truck camper who sells the truck camper in a year in which the owner has paid the tax imposed by this chapter shall receive a credit equal to the remainder of:

(1) the tax paid for the truck camper; reduced by

(2) ~~ten~~ **eight and thirty-three hundredths** percent (~~10%~~) **(8.33%)** for each full or partial calendar month that has elapsed in the owner's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other truck camper acquired by the owner in the owner's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover the costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. The bureau shall transfer three dollars (\$3) of the fee to the bureau of motor vehicles commission to cover the commission's costs in processing the refund. To claim the credit and refund provided by this subsection, the owner of the truck camper must present to the bureau proof of sale of the truck camper.

(e) Subject to the requirements of subsection (f), if a truck camper is destroyed in a year in which the owner has paid the tax imposed by this chapter and the truck camper is not replaced by a replacement truck camper for which a credit is issued under this section, the owner is entitled to a refund in an amount equal to ~~ten~~ **eight and thirty-three hundredths** percent (~~10%~~) **(8.33%)** of the tax paid for each full calendar month remaining in the owner's annual registration year after the date of destruction, but only upon presentation or return to the

The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created under section 21 of this chapter for settlement of the excise tax collections. For purposes of this subsection, a truck camper is considered destroyed if the cost of repair of damages suffered by the truck camper exceeds the truck camper's fair market value.

(f) To claim a refund under subsection (e) for a truck camper that is destroyed, the owner of the truck camper must present to the bureau a valid receipt for the excise tax paid under this chapter on the truck camper within ninety (90) days after the date that the truck camper is destroyed. The bureau shall then fix the amount of the refund that the owner is entitled to receive.

(g) If the name of the owner of a truck camper is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner for the truck camper shall be adjusted as follows:

(1) If the name change requires the owner to register a motor vehicle sooner than the owner would have been required to register if there had been no name change, the owner is, at the time the name change is reported, entitled to a refund from the county treasurer in the amount of the product of:

Sec. 7. (a) For calendar years that begin after December 31, 2000, the annual excise tax for a commercial vehicle will be determined by the motor carrier services division on or before October 1 of each year in accordance with the following formula:

STEP ONE: Determine the total amount of base revenue to be distributed from the commercial vehicle excise tax fund to all taxing units in Indiana during the calendar year for which the tax is first due and payable. For calendar year 2001, the total amount of base revenue for all taxing units shall be determined as

C
o
p
y

provided in section 19 of this chapter. For calendar years that begin after December 31, 2001, **and before January 1, 2009**, the total amount of base revenue for all taxing units shall be determined by multiplying the previous year's base revenue for all taxing units by one hundred five percent (105%). **For calendar years that begin after December 31, 2008, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter.**

STEP TWO: Determine the sum of fees paid to register the following commercial vehicles in Indiana under the following statutes during the fiscal year that ends June 30 immediately preceding the calendar year for which the tax is first due and payable:

(A) Total registration fees collected under IC 9-29-5-3 for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes;

(B) Total registration fees collected under IC 9-29-5-5 for tractors used with semitrailers;

(C) Total registration fees collected under IC 9-29-5-6 for semitrailers used with tractors;

(D) Total registration fees collected under IC 9-29-5-4 for trailers having a declared gross weight in excess of three thousand (3,000) pounds; and

(E) Total registration fees collected under IC 9-29-5-13 for trucks, tractors and semitrailers used in connection with agricultural pursuits usual and normal to the user's farming operation, multiplied by two hundred percent (200%);

STEP THREE: Determine the tax factor by dividing the STEP ONE result by the STEP TWO result.

(b) Except as otherwise provided in this chapter, the annual excise tax for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes, shall be determined by multiplying the registration fee under IC 9-29-5-3 by the tax factor determined in subsection (a).

(c) Except as otherwise provided in this chapter, the annual excise tax for tractors used with semitrailers shall be determined by multiplying the registration fee under IC 9-29-5-5 by the tax factor determined in subsection (a).

(d) Except as otherwise provided in this chapter, the annual excise

C
o
p
y

1 tax for trailers having a declared gross weight in excess of three
 2 thousand (3,000) pounds shall be determined by multiplying the
 3 registration fee under IC 9-29-5-4 by the tax factor determined in
 4 subsection (a).

5 (e) The annual excise tax for a semitrailer shall be determined by
 6 multiplying the average annual registration fee under IC 9-29-5-6 by
 7 the tax factor determined in subsection (a). The average annual
 8 registration fee for a semitrailer under IC 9-29-5-6 is sixteen dollars
 9 and seventy-five cents (\$16.75).

10 (f) The annual excise tax determined under this section shall be
 11 rounded upward to the next full dollar amount.

12 SECTION 182. IC 6-6-5.5-19 IS AMENDED TO READ AS
 13 FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]:
 14 Sec. 19. (a) As used in this section, "assessed value" means an amount
 15 equal to the true tax value of commercial vehicles that:

16 (1) are subject to the commercial vehicle excise tax under this
 17 chapter; and

18 (2) would have been subject to assessment as personal property
 19 on March 1, 2000, under the law in effect before January 1, 2000.

20 (b) For calendar year 2001, a taxing unit's base revenue shall be
 21 determined as provided in subsection (f). For calendar years that begin
 22 after December 31, 2001, **and before January 1, 2009**, a taxing unit's
 23 base revenue shall be determined by multiplying the previous year's
 24 base revenue by one hundred five percent (105%). **For calendar years**
 25 **that begin after December 31, 2008, a taxing unit's base revenue is**
 26 **equal to:**

27 (1) **the amount of commercial vehicle excise tax collected**
 28 **during the previous state fiscal year; multiplied by**

29 (2) **the taxing unit's percentage as determined in subsection (f)**
 30 **for calendar year 2001.**

31 (c) The amount of commercial vehicle excise tax distributed to the
 32 taxing units of Indiana from the commercial vehicle excise tax fund
 33 shall be determined in the manner provided in this section. ~~On or~~
 34 ~~before June 1, 2000; each township assessor of a county shall deliver~~
 35 ~~to the county assessor a list that states by taxing district the total~~
 36 ~~assessed value as shown on the information returns filed with the~~
 37 ~~assessor on or before May 15, 2000.~~

38 (d) On or before July 1, 2000, each county assessor shall certify to
 39 the county auditor the assessed value of commercial vehicles in every
 40 taxing district.

41 (e) On or before August 1, 2000, the county auditor shall certify the
 42 following to the department of local government finance:

C
o
p
y

(1) The total assessed value of commercial vehicles in the county.

(2) The total assessed value of commercial vehicles in each taxing district of the county.

(f) The department of local government finance shall determine each taxing unit's base revenue by applying the current tax rate for each taxing district to the certified assessed value from each taxing district. The department of local government finance shall also determine the following:

(1) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in Indiana.

(2) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in each county.

(3) Each county's total distribution percentage. A county's total distribution percentage shall be determined by dividing the total amount of base revenue to be distributed in 2001 to all taxing units in the county by the total base revenue to be distributed statewide.

(4) Each taxing unit's distribution percentage. A taxing unit's distribution percentage shall be determined by dividing each taxing unit's base revenue by the total amount of base revenue to be distributed in 2001 to all taxing units in the county.

(g) The department of local government finance shall certify each taxing unit's base revenue and distribution percentage for calendar year 2001 to the auditor of state on or before September 1, 2000.

(h) The auditor of state shall keep permanent records of each taxing unit's base revenue and distribution percentage for calendar year 2001 for purposes of determining the amount of money each taxing unit in Indiana is entitled to receive in calendar years that begin after December 31, 2001.

SECTION 184. IC 6-6-6.5-21, AS AMENDED BY P.L.146-2008, SECTION 355, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 21. (a) The department shall allocate each aircraft excise tax payment collected by it to the county in which the aircraft is usually located when not in operation or to the aircraft owner's county of residence if based out of state. The department shall distribute to each county treasurer on a quarterly basis the aircraft excise taxes which were collected by the department during the preceding three (3) months and which the department has allocated to that county. The distribution shall be made on or before the fifteenth of the month following each quarter and the first distribution each year shall be made in April.

(b) Concurrently with making a distribution of aircraft excise taxes, the department shall send an aircraft excise tax report to the county treasurer and the county auditor. The department shall prepare the report on the form prescribed by the state board of accounts. The aircraft excise tax report must include aircraft identification, owner information, and excise tax payment, and must indicate the county where the aircraft is normally kept when not in operation. The department shall, in the manner prescribed by the state board of accounts, maintain records concerning the aircraft excise taxes received and distributed by it.

(c) Except as provided in section 21.5 of this chapter, each county treasurer shall deposit money received by ~~him~~ **the treasurer** under this chapter in a separate fund to be known as the "aircraft excise tax fund". The money in the aircraft excise tax fund shall be distributed to the taxing units of the county in the manner prescribed in subsection (d).

(d) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. In order to distribute the money in the county aircraft excise tax fund to the taxing units of the county, the county auditor shall first allocate the money in the fund among the taxing districts of the county. In making these allocations, the county auditor shall allocate to a taxing district the excise taxes collected with respect to aircraft usually located in the taxing district when not in operation. Subject to this subsection, the money allocated to a taxing district shall be apportioned and distributed among the taxing units of that taxing district in the same manner and at the same time that the property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5)**. For purposes

of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars (\$35,000,000) from all taxing districts in the county; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP TWO: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tuition support levy tax rate imposed in the taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the sum of the STEP ONE and STEP TWO amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE or STEP TWO, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

(e) Within thirty (30) days following the receipt of excise taxes from the department, the county treasurer shall file a report with the county auditor concerning the aircraft excise taxes collected by the county treasurer. The county treasurer shall file the report on the form prescribed by the state board of accounts. The county treasurer shall, in the manner and at the times prescribed in IC 6-1.1-27, make a settlement with the county auditor for the aircraft excise taxes collected by the county treasurer. The county auditor shall allocate the money in the fund among the taxing districts of the county based on the tax situs of each boat. Subject to this subsection, the money allocated to the taxing units shall be apportioned and distributed among the funds of the taxing units in the same manner and at the same time that property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5)**. For purposes of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. 2 For purposes of this section, the due date for a return filed for the state
3 gross retail or use tax, the gasoline tax, the special fuel tax, the motor
4 carrier fuel tax, the oil inspection fee, or the petroleum severance tax

9 (b) When the department receives a claim for refund, the

15 statement of the reasons for any part of the refund that is denied. The
16 department shall mail a copy of the decision to the person who filed the
17 claim. If the department allows the full amount of the refund claim, a
18 warrant for the payment of the claim is sufficient notice of the decision.

19 (c) If the person disagrees with any part of the department's
20 decision, the person may appeal the decision, regardless of whether or
21 not the person protested the tax payment or whether or not the person

- 31 files the claim for refund with the department.

32 (d) The tax court shall hear the appeal de novo and without a jury,
33 and after the hearing may order or deny any part of the appealed
34 refund. The court may assess the court costs in any manner that it feels
35 is equitable. The court may enjoin the collection of any of the listed
36 taxes under IC 33-26-6-2. The court may also allow a refund of taxes,
37 interest, and penalties that have been paid to and collected by the

- (1) the date determined under subsection (a); or
- (2) the date that is six (6) months after the date on which the taxpayer is notified of the modification by the Internal Revenue Service.

SECTION 196. IC 6-8.1-10-2.1, AS AMENDED BY P.L.211-2007, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 2.1. (a) If a person:

The statement must be filed with the return or payment within the time prescribed for protesting departmental assessments. A taxpayer may also avoid the penalty imposed under this section by obtaining a ruling from the department before the end of a particular tax period on the amount of tax due for that tax period.

(f) The department shall adopt rules under IC 4-22-2 to prescribe the circumstances that constitute reasonable cause and negligence for purposes of this section.

(g) A person who fails to file a return for a listed tax that shows no tax liability for a taxable year, other than an information return (as defined in section 6 of this chapter), on or before the due date of the return shall pay a penalty of ten dollars (\$10) for each day that the return is past due, up to a maximum of two hundred fifty dollars (\$250).

(h) A corporation which otherwise qualifies under IC 6-3-2-2.8(2), ~~but~~ **partnership, or trust that** fails to withhold and pay any amount of tax required to be withheld under **IC 6-3-4-12**, IC 6-3-4-13, **or IC 6-3-4-15** shall pay a penalty equal to twenty percent (20%) of the amount of tax required to be withheld under **IC 6-3-4-12**, IC 6-3-4-13, **or IC 6-3-4-15**. This penalty shall be in addition to any penalty imposed by section 6 of this chapter.

(i) Subsections (a) through (c) do not apply to a motor carrier fuel tax return.

(j) If a partnership or an S corporation fails to include all nonresidential individual partners or nonresidential individual shareholders in a composite return as required by IC 6-3-4-12(h) or IC 6-3-4-13(j), a penalty of five hundred dollars (\$500) per partnership or S corporation is imposed on the partnership or S corporation.

card, or electronic funds transfer for its full face amount when the check, credit card, debit card, or electronic funds transfer is presented for payment through normal banking channels, a penalty of ten percent (10%) of the unpaid tax or the value of the check, credit card, debit card, or electronic funds transfer, whichever is smaller, is imposed.

(b) When a penalty is imposed under subsection (a), the department shall notify the person by mail that the check, credit card, debit card, or electronic funds transfer was not honored and that the person has ten (10) days after the date the notice is mailed to pay the tax and the penalty either in cash, by certified check, or other guaranteed payment. If the person fails to make the payment within the ten (10) day period, the penalty is increased to one hundred percent (100%) multiplied by the value of the check, credit card, debit card, or electronic funds transfer, or the unpaid tax, whichever is smaller.

(c) If a person has been assessed a penalty under subsection (a) more than one (1) time, the department may require all future payments for all listed taxes to be remitted with guaranteed funds.

~~(c)~~ (d) If the person subject to the penalty under this section can show that there is reasonable cause for the check, credit card, debit card, or electronic funds transfer not being honored, the department may waive the penalty imposed under this section.

SECTION 198. IC 8-16-3.1-0.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: **Sec. 0.5. The definitions set forth in IC 8-16-3-1.5 apply throughout this chapter.**

SECTION 199. IC 8-16-3.1-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. (a) The executive of any eligible county may provide a major bridge fund in compliance with IC 6-1.1-41 to make available funding for **the following purposes:**

(1) The construction of major bridges.

(2) In Allen County, the construction, maintenance, and repair of bridges, approaches, and grade separations with respect to structures other than major bridges.

(b) The executive of any eligible county may levy a tax in compliance with IC 6-1.1-41 not to exceed three and thirty-three hundredths cents (\$0.0333) on each one hundred dollars (\$100) assessed valuation of all taxable personal and real property within the county to provide for the major bridge fund.

C
o
p

(4) Allen County is the third largest populated county in Indiana.

(8) Allen County dissolved its cumulative bridge fund in 2002 to provide room in the levy for judicial mandates to build two (2) detention facilities, as the former jail was overcrowded due to the large population.

(9) Allen County has a major bridge fund that is provided to maintain major bridges, but can be used to fund smaller bridges and will not harm the ability to pay for obligations caused by judicial mandates.

(10) Expansion of the purposes for a major bridge fund may be used in Allen County to meet the critical needs in Allen County for the maintenance of bridges other than major bridges in the unincorporated areas of the county.

(d) Because of the findings set forth in subsection (c), beginning after June 30, 2009, in Allen County, the county executive is responsible for providing funds for all bridges within the county, including those in municipalities, except bridges on the state highway system.

of an entity listed in subsection (a) in a manner that would:

(1) limit or restrict the rights vested in the entity to fulfill the terms of any agreement made with the holders of the entity's bonds; or

(2) in any way impair the rights or remedies of the holders of the entity's bonds.

(d) If the assessed valuation of a taxing unit is entirely contained within an excluded city or town (as described in IC 36-3-1-7) that is located in a county having a consolidated city, the governing body of the taxing unit shall submit its proposed operating and maintenance budget and tax levies to the city or town fiscal body for approval **and not the city-county legislative body. SECTION 244. IC 36-4-3-4, AS AMENDED BY P.L.111-2005, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. (a) The legislative body of a municipality may, by ordinance, annex any of the following:

(1) Territory that is contiguous to the municipality.

(2) Territory that is not contiguous to the municipality and is occupied by a municipally owned or operated airport or landing field.

(3) Territory that is not contiguous to the municipality but is found by the legislative body to be occupied by a municipally owned or regulated sanitary landfill, golf course, or hospital. However, if territory annexed under this subsection ceases to be used as a municipally owned or regulated sanitary landfill, golf course, or hospital for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. The clerk of the municipality shall notify the offices required to receive notice of a disannexation under section 19 of this chapter when the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation.

(b) This subsection applies to municipalities in a county having a population of:

(1) more than seventy-three thousand (73,000) but less than seventy-four thousand (74,000);

However, if territory annexed under this subsection is not used as an industrial park within five (5) years after the date of passage of the annexation ordinance, or if the territory ceases to be used as an industrial park for at least one (1) year, the territory reverts to the jurisdiction of the unit having jurisdiction before the annexation if the unit that had jurisdiction over the territory still exists. If the unit no longer exists, the territory reverts to the jurisdiction of the unit that would currently have jurisdiction over the territory if the annexation had not occurred. (A) in a county that is not described by clause (B); or

(B) in a county having a population of more than two hundred thousand (200,000) but less than three hundred thousand (300,000), unless the boundaries of the noncontiguous territory become contiguous to the city, as allowed by Indiana law;

(2) expanding the municipality's extraterritorial jurisdictional area; or

(3) changing an assigned service area under IC 8-1-2.3-6(1).

(e) As used in this section, "airport" and "landing field" have the meanings prescribed by IC 8-22-1.

(f) As used in this section, "hospital" has the meaning prescribed by IC 16-18-2-179(b).

 17 (f) The general assembly makes the following findings of fact with
 18 respect to an integrated coal gasification powerplant (as defined in

 20 necessity from the Indiana utility regulatory commission under
 21 IC 8-1-8.5 et seq. before July 1, 2008:
 22 (1) The health, safety, general welfare, and economic and energy
 23 security of the people of the state of Indiana require as a public

 25 clean coal, technologies in Indiana.
 26 (2) These technologies include the integrated coal gasification
 27 powerplant contemplated by this chapter, IC 6-1.1-20-1.1, and
 28 IC 36-7-14.
 29 (3) Investment in the integrated coal gasification powerplant
 30 contemplated by this chapter, IC 6-1.1-20-1.1, and IC 36-7-14
 31 will result in substantial financial and other benefits to the state
 32 and its political subdivisions and the people of Indiana, including
 33 increased employment, tax revenue, and use of Indiana coal.
 34 (4) It is in the best interest of the state and its citizens to promote
 35 and preserve financial and other incentives for the integrated coal

section 39 of this chapter, or other revenues of the district, or any combination of these sources, the redevelopment commission may, by resolution and subject to subsection (p), issue the bonds of the special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

(2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and

(4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

(1) the denominations of the bonds;

(2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed:

(A) fifty (50) years **after the date of their issuance**, for bonds issued before July 1, 2008;

(i) an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6);

(ii) a part of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6); or

(iii) property used in the operation or maintenance of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6);

that received a certificate of public convenience and necessity from the Indiana utility regulatory commission under

C

1 IC 8-1-8.5 et seq. before July 1, 2008; or
 2 (C) twenty-five (25) years, for bonds issued after June 30,
 3 2008, that are not described in clause (B).

4 The resolution may also state that the bonds are redeemable before
 5 maturity with or without a premium, as determined by the
 6 redevelopment commission.

7 (d) The redevelopment commission shall certify a copy of the
 8 resolution authorizing the bonds to the municipal or county fiscal
 9 officer, who shall then prepare the bonds, subject to subsection (p). The
 10 seal of the unit must be impressed on the bonds, or a facsimile of the
 11 seal must be printed on the bonds.

12 (e) The bonds must be executed by the appropriate officer of the
 13 unit and attested by the municipal or county fiscal officer.

14 (f) The bonds are exempt from taxation for all purposes.

15 (g) The municipal or county fiscal officer shall give notice of the
 16 sale of the bonds by publication in accordance with IC 5-3-1. The
 17 municipal fiscal officer, or county fiscal officer or executive, shall sell
 18 the bonds to the highest bidder, but may not sell them for less than
 19 ninety-seven percent (97%) of their par value. However, bonds payable
 20 solely or in part from tax proceeds allocated under section 39(b)(2) of
 21 this chapter, or other revenues of the district may be sold at a private
 22 negotiated sale.

23 (h) Except as provided in subsection (i), a redevelopment
 24 commission may not issue the bonds when the total issue, including
 25 bonds already issued and to be issued, exceeds two percent (2%) of the
 26 adjusted value of the taxable property in the special taxing district, as
 27 determined under IC 36-1-15.

28 (i) The bonds are not a corporate obligation of the unit but are an
 29 indebtedness of the taxing district. The bonds and interest are payable,
 30 as set forth in the bond resolution of the redevelopment commission:

- 31 (1) from a special tax levied upon all of the property in the taxing
- 32 district, as provided by section 27 of this chapter;
- 33 (2) from the tax proceeds allocated under section 39(b)(2) of this
- 34 chapter;
- 35 (3) from other revenues available to the redevelopment
- 36 commission; or
- 37 (4) from a combination of the methods stated in subdivisions (1)
- 38 through (3).

39 If the bonds are payable solely from the tax proceeds allocated under
 40 section 39(b)(2) of this chapter, other revenues of the redevelopment
 41 commission, or any combination of these sources, they may be issued
 42 in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to:

(1) the filing of petitions requesting the issuance of bonds; and

(2) the right of:

(A) taxpayers and voters to remonstrate against the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or

(B) voters to vote on the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.5(a);

apply to bonds issued under this chapter except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be:

(1) deposited in the allocation fund established under section 39(b)(2) of this chapter; and

(2) to the extent permitted by law, transferred to the county or municipality that established the department of redevelopment for use in reducing the county's or municipality's property tax levies for debt service.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust

C

indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission adopted before July 1, 2008, is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit. Bonds authorized in any principal amount by a resolution of the redevelopment commission adopted after June 30, 2008, may not be issued without the approval of the legislative body of the unit.

SECTION 247. IC 36-7-14-25.2, AS AMENDED BY P.L.146-2008, SECTION 733, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 25.2. (a) A redevelopment commission may enter into a lease of any property that could be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed:

(1) fifty (50) years **after the date of their issuance**, for a lease entered into before July 1, 2008; or

(2) twenty-five (25) years **after the date of their issuance**, for a lease entered into after June 30, 2008.

The lease may provide for payments to be made by the redevelopment commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any combination of these sources.

(b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution

C
o
p
y

1 authorizing the execution of the lease on behalf of the unit if it finds
 2 that the service to be provided throughout the term of the lease will
 3 serve the public purpose of the unit and is in the best interests of its
 4 residents. Any lease approved by a resolution of the redevelopment
 5 commission must be approved by an ordinance of the fiscal body of the
 6 unit.

7 (d) Upon execution of a lease providing for payments by the
 8 redevelopment commission in whole or in part from the levy of special
 9 benefits taxes under section 27 of this chapter and upon approval of the
 10 lease by the unit's fiscal body, the redevelopment commission shall
 11 publish notice of the execution of the lease and its approval in
 12 accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the
 13 redevelopment district who will be affected by the lease and who may
 14 be of the opinion that no necessity exists for the execution of the lease
 15 or that the payments provided for in the lease are not fair and
 16 reasonable may file a petition in the office of the county auditor within
 17 thirty (30) days after the publication of the notice of execution and
 18 approval. The petition must set forth the petitioners' names, addresses,
 19 and objections to the lease and the facts showing that the execution of
 20 the lease is unnecessary or unwise or that the payments provided for in
 21 the lease are not fair and reasonable, as the case may be.

22 (e) Upon the filing of the petition, the county auditor shall
 23 immediately certify a copy of it, together with such other data as may
 24 be necessary in order to present the questions involved, to the
 25 department of local government finance. Upon receipt of the certified
 26 petition and information, the department of local government finance
 27 shall fix a time and place for a hearing in the redevelopment district,
 28 which must be not less than five (5) or more than thirty (30) days after
 29 the time is fixed. Notice of the hearing shall be given by the department
 30 of local government finance to the members of the fiscal body, to the
 31 redevelopment commission, and to the first fifty (50) petitioners on the
 32 petition by a letter signed by the commissioner or deputy commissioner
 33 of the department and enclosed with fully prepaid postage sent to those
 34 persons at their usual place of residence, at least five (5) days before
 35 the date of the hearing. The decision of the department of local
 36 government finance on the appeal, upon the necessity for the execution
 37 of the lease, and as to whether the payments under it are fair and
 38 reasonable, is final.

39 (f) A redevelopment commission entering into a lease payable from
 40 allocated taxes under section 39 of this chapter or other available funds
 41 of the redevelopment commission may:

42 (1) pledge the revenue to make payments under the lease pursuant

C
O
P

1 to IC 5-1-14-4; and

2 (2) establish a special fund to make the payments.

3 (g) Lease rentals may be limited to money in the special fund so that
4 the obligations of the redevelopment commission to make the lease
5 rental payments are not considered debt of the unit or the district for
6 purposes of the Constitution of the State of Indiana.

7 (h) Except as provided in this section, no approvals of any
8 governmental body or agency are required before the redevelopment
9 commission enters into a lease under this section.

10 (i) An action to contest the validity of the lease or to enjoin the
11 performance of any of its terms and conditions must be brought within
12 thirty (30) days after the publication of the notice of the execution and
13 approval of the lease. However, if the lease is payable in whole or in
14 part from tax levies and an appeal has been taken to the department of
15 local government finance, an action to contest the validity or enjoin the
16 performance must be brought within thirty (30) days after the decision
17 of the department.

18 (j) If a redevelopment commission exercises an option to buy a
19 leased facility from a lessor, the redevelopment commission may
20 subsequently sell the leased facility, without regard to any other statute,
21 to the lessor at the end of the lease term at a price set forth in the lease
22 or at fair market value established at the time of the sale by the
23 redevelopment commission through auction, appraisal, or arms length
24 negotiation. If the facility is sold at auction, after appraisal, or through
25 negotiation, the redevelopment commission shall conduct a hearing
26 after public notice in accordance with IC 5-3-1 before the sale. Any
27 action to contest the sale must be brought within fifteen (15) days of
28 the hearing.

29 SECTION 248. IC 36-7-14-39, AS AMENDED BY P.L.88-2009,
30 SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
31 JANUARY 1, 2010]: Sec. 39. (a) As used in this section:

32 "Allocation area" means that part of a redevelopment project area
33 to which an allocation provision of a declaratory resolution adopted
34 under section 15 of this chapter refers for purposes of distribution and
35 allocation of property taxes.

36 "Base assessed value" means the following:

37 (1) If an allocation provision is adopted after June 30, 1995, in a
38 declaratory resolution or an amendment to a declaratory
39 resolution establishing an economic development area:

40 (A) the net assessed value of all the property as finally
41 determined for the assessment date immediately preceding the
42 effective date of the allocation provision of the declaratory

- 1 resolution, as adjusted under subsection (h); plus
 2 (B) to the extent that it is not included in clause (A), the net
 3 assessed value of property that is assessed as residential
 4 property under the rules of the department of local government
 5 finance, as finally determined for any assessment date after the
 6 effective date of the allocation provision.
- 7 (2) If an allocation provision is adopted after June 30, 1997, in a
 8 declaratory resolution or an amendment to a declaratory
 9 resolution establishing a redevelopment project area:
 10 (A) the net assessed value of all the property as finally
 11 determined for the assessment date immediately preceding the
 12 effective date of the allocation provision of the declaratory
 13 resolution, as adjusted under subsection (h); plus
 14 (B) to the extent that it is not included in clause (A), the net
 15 assessed value of property that is assessed as residential
 16 property under the rules of the department of local government
 17 finance, as finally determined for any assessment date after the
 18 effective date of the allocation provision.
- 19 (3) If:
 20 (A) an allocation provision adopted before June 30, 1995, in
 21 a declaratory resolution or an amendment to a declaratory
 22 resolution establishing a redevelopment project area expires
 23 after June 30, 1997; and
 24 (B) after June 30, 1997, a new allocation provision is included
 25 in an amendment to the declaratory resolution;
 26 the net assessed value of all the property as finally determined for
 27 the assessment date immediately preceding the effective date of
 28 the allocation provision adopted after June 30, 1997, as adjusted
 29 under subsection (h).
- 30 (4) Except as provided in subdivision (5), for all other allocation
 31 areas, the net assessed value of all the property as finally
 32 determined for the assessment date immediately preceding the
 33 effective date of the allocation provision of the declaratory
 34 resolution, as adjusted under subsection (h).
- 35 (5) If an allocation area established in an economic development
 36 area before July 1, 1995, is expanded after June 30, 1995, the
 37 definition in subdivision (1) applies to the expanded part of the
 38 area added after June 30, 1995.
- 39 (6) If an allocation area established in a redevelopment project
 40 area before July 1, 1997, is expanded after June 30, 1997, the
 41 definition in subdivision (2) applies to the expanded part of the
 42 area added after June 30, 1997.

1 Except as provided in section 39.3 of this chapter, "property taxes"
 2 means taxes imposed under IC 6-1.1 on real property. However, upon
 3 approval by a resolution of the redevelopment commission adopted
 4 before June 1, 1987, "property taxes" also includes taxes imposed
 5 under IC 6-1.1 on depreciable personal property. If a redevelopment
 6 commission adopted before June 1, 1987, a resolution to include within
 7 the definition of property taxes taxes imposed under IC 6-1.1 on
 8 depreciable personal property that has a useful life in excess of eight
 9 (8) years, the commission may by resolution determine the percentage
 10 of taxes imposed under IC 6-1.1 on all depreciable personal property
 11 that will be included within the definition of property taxes. However,
 12 the percentage included must not exceed twenty-five percent (25%) of
 13 the taxes imposed under IC 6-1.1 on all depreciable personal property.

14 (b) A declaratory resolution adopted under section 15 of this chapter
 15 on or before the allocation deadline determined under subsection (i)
 16 may include a provision with respect to the allocation and distribution
 17 of property taxes for the purposes and in the manner provided in this
 18 section. A declaratory resolution previously adopted may include an
 19 allocation provision by the amendment of that declaratory resolution on
 20 or before the allocation deadline determined under subsection (i) in
 21 accordance with the procedures required for its original adoption. A
 22 declaratory resolution or an amendment that establishes an allocation
 23 provision after June 30, 1995, must specify an expiration date for the
 24 allocation provision. For an allocation area established before July 1,
 25 2008, the expiration date may not be more than thirty (30) years after
 26 the date on which the allocation provision is established. For an
 27 allocation area established after June 30, 2008, the expiration date may
 28 not be more than twenty-five (25) years after the date on which the
 29 ~~allocation provision is established.~~ **first obligation was incurred to**
 30 **pay principal and interest on bonds or lease rentals on leases**
 31 **payable from tax increment revenues.** However, with respect to
 32 bonds or other obligations that were issued before July 1, 2008, if any
 33 of the bonds or other obligations that were scheduled when issued to
 34 mature before the specified expiration date and that are payable only
 35 from allocated tax proceeds with respect to the allocation area remain
 36 outstanding as of the expiration date, the allocation provision does not
 37 expire until all of the bonds or other obligations are no longer
 38 outstanding. The allocation provision may apply to all or part of the
 39 redevelopment project area. The allocation provision must require that
 40 any property taxes subsequently levied by or for the benefit of any
 41 public body entitled to a distribution of property taxes on taxable
 42 property in the allocation area be allocated and distributed as follows:

C
o
p
y

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value; shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the

**c
o
p
y**

allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

The allocation fund may not be used for operating expenses of the commission.

(3) Except as provided in subsection (g), before July 15 of each year the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

C
o
p
y

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under

**C
O
P
Y**

1 subsection (b)(2) shall establish an allocation fund for the purposes
 2 specified in subsection (b)(2) and a special zone fund. Such a unit
 3 shall, until the end of the enterprise zone phase out period, deposit each
 4 year in the special zone fund any amount in the allocation fund derived
 5 from property tax proceeds in excess of those described in subsection
 6 (b)(1) from property located in the enterprise zone that exceeds the
 7 amount sufficient for the purposes specified in subsection (b)(2) for the
 8 year. The amount sufficient for purposes specified in subsection (b)(2)
 9 for the year shall be determined based on the pro rata portion of such
 10 current property tax proceeds from the part of the enterprise zone that
 11 is within the allocation area as compared to all such current property
 12 tax proceeds derived from the allocation area. A unit that has no
 13 obligations, bonds, or leases payable from allocated tax proceeds under
 14 subsection (b)(2) shall establish a special zone fund and deposit all the
 15 property tax proceeds in excess of those described in subsection (b)(1)
 16 in the fund derived from property tax proceeds in excess of those
 17 described in subsection (b)(1) from property located in the enterprise
 18 zone. The unit that creates the special zone fund shall use the fund
 19 (based on the recommendations of the urban enterprise association) for
 20 programs in job training, job enrichment, and basic skill development
 21 that are designed to benefit residents and employers in the enterprise
 22 zone or other purposes specified in subsection (b)(2), except that where
 23 reference is made in subsection (b)(2) to allocation area it shall refer
 24 for purposes of payments from the special zone fund only to that part
 25 of the allocation area that is also located in the enterprise zone. Those
 26 programs shall reserve at least one-half (1/2) of their enrollment in any
 27 session for residents of the enterprise zone.

28 (h) The state board of accounts and department of local government
 29 finance shall make the rules and prescribe the forms and procedures
 30 that they consider expedient for the implementation of this chapter.
 31 After each general reassessment under IC 6-1.1-4, the department of
 32 local government finance shall adjust the base assessed value one (1)
 33 time to neutralize any effect of the general reassessment on the
 34 property tax proceeds allocated to the redevelopment district under this
 35 section. After each annual adjustment under IC 6-1.1-4-4.5, the
 36 department of local government finance shall adjust the base assessed
 37 value one (1) time to neutralize any effect of the annual adjustment on
 38 the property tax proceeds allocated to the redevelopment district under
 39 this section. However, the adjustments under this subsection may not
 40 include the effect of property tax abatements under IC 6-1.1-12.1, and
 41 these adjustments may not produce less property tax proceeds allocable
 42 to the redevelopment district under subsection (b)(2) than would

C
o
p
y

otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 249. IC 36-7-15.1-17, AS AMENDED BY P.L.146-2008, SECTION 751, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 19 of this chapter, the taxes allocated under section 26 of this chapter, or other revenues of the redevelopment district, the commission may, by resolution, issue the bonds of the redevelopment district in the name of the consolidated city and in accordance with IC 36-3-5-8. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

(2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;

(4) the total cost of all clearing and construction work provided

C
o
p
y

for in the resolution; and

(5) expenses that the commission is required or permitted to pay under IC 8-23-17.

(b) If the commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements of the bond resolution for the registration of the bonds. The resolution authorizing the bonds must state:

(1) the denominations of the bonds;

(2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed:

(A) fifty (50) years **after the date of their issuance**, for bonds issued before July 1, 2008; or

(B) twenty-five (25) years **after the date of their issuance**, for bonds issued after June 30, 2008.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the consolidated city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the city executive and attested by the fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The city fiscal officer shall sell the bonds according to law. Notwithstanding IC 36-3-5-8, bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

(1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 19 of this chapter;

(2) from the tax proceeds allocated under section 26(b)(2) of this chapter;

(3) from other revenues available to the commission; or

C
o
p
y

(4) from a combination of the methods stated in subdivisions (1) through (3);
and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) Notwithstanding IC 36-3-5-8, the laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers and voters to remonstrate against, or vote on, the issuance of bonds applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to the commission from a project or projects, the commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

SECTION 250. IC 36-7-15.1-17.1, AS AMENDED BY P.L.146-2008, SECTION 752, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17.1. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed:

(1) fifty (50) years **after the date of their issuance**, for a lease entered into before July 1, 2008; or

(2) twenty-five (25) years **after the date of their issuance**, for a

C
o
p

1 lease entered into after June 30, 2008.

2 The lease may provide for payments to be made by the commission
3 from special benefits taxes levied under section 19 of this chapter,
4 taxes allocated under section 26 of this chapter, any other revenue
5 available to the commission, or any combination of these sources.

6 (b) A lease may provide that payments by the commission to the
7 lessor are required only to the extent and only for the period that the
8 lessor is able to provide the leased facilities in accordance with the
9 lease. The terms of each lease must be based upon the value of the
10 facilities leased and may not create a debt of the unit or the district for
11 purposes of the Constitution of the State of Indiana.

12 (c) A lease may be entered into by the commission only after a
13 public hearing by the commission at which all interested parties are
14 given the opportunity to be heard. Notice of the hearing must be given
15 by publication in accordance with IC 5-3-1. After the public hearing,
16 the commission may adopt a resolution authorizing the execution of the
17 lease on behalf of the unit if it finds that the service to be provided
18 throughout the term of the lease will serve the public purpose of the
19 unit and is in the best interests of its residents. Any lease approved by
20 a resolution of the commission must be approved by an ordinance of
21 the fiscal body of the unit.

22 (d) Upon execution of a lease providing for payments by the
23 commission in whole or in part from the levy of special benefits taxes
24 under section 19 of this chapter and upon approval of the lease by the
25 fiscal body, the commission shall publish notice of the execution of the
26 lease and its approval in accordance with IC 5-3-1. Fifty (50) or more
27 taxpayers residing in the district who will be affected by the lease and
28 who may be of the opinion that no necessity exists for the execution of
29 the lease or that the payments provided for in the lease are not fair and
30 reasonable may file a petition in the office of the county auditor within
31 thirty (30) days after the publication of the notice of execution and
32 approval. The petition must set forth the petitioners' names, addresses,
33 and objections to the lease and the facts showing that the execution of
34 the lease is unnecessary or unwise or that the payments provided for in
35 the lease are not fair and reasonable, as the case may be. Upon the
36 filing of the petition, the county auditor shall immediately certify a
37 copy of it, together with such other data as may be necessary in order
38 to present the questions involved, to the department of local
39 government finance. Upon receipt of the certified petition and
40 information, the department of local government finance shall fix a
41 time and place for the hearing in the redevelopment district, which
42 must be not less than five (5) or more than thirty (30) days after the

C
o
p

time for the hearing is fixed. Notice of the hearing shall be given by the department of local government finance to the members of the fiscal body, to the commission, and to the first fifty (50) petitioners on the petition by a letter signed by the commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the department of local government finance on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A commission entering into a lease payable from allocated taxes under section 26 of this chapter or revenues or other available funds of the commission may:

(1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and

(2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the commission to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the department.

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established. **first obligation was incurred to pay principal and interest on bonds**

or lease rentals on leases payable from tax increment revenues.

However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds

C

payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

C
o
p
y

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district

C
O
P
Y

under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment

**C

for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

C

1 (B) specifically designates a particular date as the final
2 allocation deadline.

3 SECTION 252. IC 36-7-15.1-45, AS AMENDED BY P.L.146-2008,
4 SECTION 762, IS AMENDED TO READ AS FOLLOWS
5 [EFFECTIVE JULY 1, 2009]: Sec. 45. (a) In addition to other methods
6 of raising money for property acquisition or redevelopment in a
7 redevelopment project area, and in anticipation of the special tax to be
8 levied under section 50 of this chapter, the taxes allocated under
9 section 53 of this chapter, or other revenues of the redevelopment
10 district, a commission may, by resolution, issue the bonds of its
11 redevelopment district in the name of the excluded city. The amount of
12 the bonds may not exceed the total, as estimated by the commission, of
13 all expenses reasonably incurred in connection with the acquisition and
14 redevelopment of the property, including:

- 15 (1) the total cost of all land, rights-of-way, and other property to
16 be acquired and redeveloped;
- 17 (2) all reasonable and necessary architectural, engineering, legal,
18 financing, accounting, advertising, bond discount, and
19 supervisory expenses related to the acquisition and redevelopment
20 of the property or the issuance of bonds;
- 21 (3) capitalized interest permitted in this chapter and a debt service
22 reserve for the bonds, to the extent that the redevelopment
23 commission determines that a reserve is reasonably required;
- 24 (4) the total cost of all clearing and construction work provided
25 for in the resolution; and
- 26 (5) expenses that the commission is required or permitted to pay
27 under IC 8-23-17.

28 (b) If a commission plans to acquire different parcels of land or let
29 different contracts for redevelopment work at approximately the same
30 time, whether under one (1) or more resolutions, a commission may
31 provide for the total cost in one (1) issue of bonds.

32 (c) The bonds must be dated as set forth in the bond resolution and
33 negotiable subject to the requirements concerning registration of the
34 bonds. The resolution authorizing the bonds must state:

- 35 (1) the denominations of the bonds;
- 36 (2) the place or places at which the bonds are payable; and
- 37 (3) the term of the bonds, which may not exceed:
 - 38 (A) fifty (50) years **after the date of their issuance**, for bonds
39 issued before July 1, 2008; or
 - 40 (B) twenty-five (25) years **after the date of their issuance**, for
41 bonds issued after June 30, 2008.

42 The resolution may also state that the bonds are redeemable before

C
o
p

maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the excluded city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the excluded city executive and attested by the excluded city fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the excluded city fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The excluded city fiscal officer shall sell the bonds according to law. Bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the excluded city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

- (1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 50 of this chapter;
- (2) from the tax proceeds allocated under section 53(b)(2) of this chapter;
- (3) from other revenues available to the commission; or
- (4) from a combination of the methods described in subdivisions (1) through (3);

and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) The laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers and voters to remonstrate against, or vote on, the issuance of bonds applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to a commission from a project or projects, a commission may adopt a resolution or trust indenture or enter into

**C
O
P
Y**

covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

SECTION 253. IC 36-7-15.1-46, AS AMENDED BY P.L.146-2008, SECTION 763, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 46. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under section 45 of this chapter with a lessor for a term not to exceed:

(1) fifty (50) years **after the date of their issuance**, for a lease entered into before July 1, 2008; or

(2) twenty-five (25) years **after the date of their issuance**, for a lease entered into after June 30, 2008.

The lease may provide for payments to be made by the commission from special benefits taxes levied under section 50 of this chapter, taxes allocated under section 53 of this chapter, any other revenue available to the commission, or any combination of these sources.

(b) A lease may provide that payments by the commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the commission only after a public hearing by the commission at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the commission must be approved by an ordinance of

C
o
p
y

1 the fiscal body of the excluded city.

2 (d) Upon execution of a lease providing for payments by the
3 commission in whole or in part from the levy of special benefits taxes
4 under section 50 of this chapter and upon approval of the lease by the
5 fiscal body, the commission shall publish notice of the execution of the
6 lease and its approval in accordance with IC 5-3-1. Fifty (50) or more
7 taxpayers residing in the district who will be affected by the lease and
8 who may be of the opinion that no necessity exists for the execution of
9 the lease or that the payments provided for in the lease are not fair and
10 reasonable may file a petition in the office of the county auditor within
11 thirty (30) days after the publication of the notice of execution and
12 approval. The petition must set forth the petitioners' names, addresses,
13 and objections to the lease and the facts showing that the execution of
14 the lease is unnecessary or unwise or that the payments provided for in
15 the lease are not fair and reasonable, as the case may be. Upon the
16 filing of the petition, the county auditor shall immediately certify a
17 copy of the petition, together with such other data as may be necessary
18 in order to present the questions involved, to the department of local
19 government finance. Upon receipt of the certified petition and
20 information, the department of local government finance shall fix a
21 time and place for the hearing in the redevelopment district, which
22 must not be less than five (5) or more than thirty (30) days after the
23 time for the hearing is fixed. Notice of the hearing shall be given by the
24 department of local government finance to the members of the fiscal
25 body, to the commission, and to the first fifty (50) petitioners on the
26 petition by a letter signed by the commissioner or deputy commissioner
27 of the department and enclosed with fully prepaid postage sent to those
28 persons at their usual place of residence, at least five (5) days before
29 the date of the hearing. The decision of the department of local
30 government finance on the appeal, upon the necessity for the execution
31 of the lease and as to whether the payments under it are fair and
32 reasonable, is final.

33 (e) A commission entering into a lease payable from allocated taxes
34 under section 53 of this chapter or revenues or other available funds of
35 the commission may:

36 (1) pledge the revenue to make payments under the lease as
37 provided in IC 5-1-14-4; and

38 (2) establish a special fund to make the payments.

39 Lease rentals may be limited to money in the special fund so that the
40 obligations of the commission to make the lease rental payments are
41 not considered a debt of the unit or the district for purposes of the
42 Constitution of the State of Indiana.

C
o
p
y

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the department of local government finance.

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 254, IC 36-7-15.1-53, AS AMENDED BY P.L.146-2008, SECTION 765, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means:

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may

C
o
p
y

1 include a provision with respect to the allocation and distribution of
 2 property taxes for the purposes and in the manner provided in this
 3 section. A resolution previously adopted may include an allocation
 4 provision by the amendment of that resolution on or before the
 5 allocation deadline determined under subsection (i) in accordance with
 6 the procedures required for its original adoption. A declaratory
 7 resolution or an amendment that establishes an allocation provision
 8 must be approved by resolution of the legislative body of the excluded
 9 city and must specify an expiration date for the allocation provision.
 10 For an allocation area established before July 1, 2008, the expiration
 11 date may not be more than thirty (30) years after the date on which the
 12 allocation provision is established. For an allocation area established
 13 after June 30, 2008, the expiration date may not be more than
 14 twenty-five (25) years after the date on which the ~~allocation provision~~
 15 ~~is established.~~ **first obligation was incurred to pay principal and**
 16 **interest on bonds or lease rentals on leases payable from tax**
 17 **increment revenues.** However, with respect to bonds or other
 18 obligations that were issued before July 1, 2008, if any of the bonds or
 19 other obligations that were scheduled when issued to mature before the
 20 specified expiration date and that are payable only from allocated tax
 21 proceeds with respect to the allocation area remain outstanding as of
 22 the expiration date, the allocation provision does not expire until all of
 23 the bonds or other obligations are no longer outstanding. The allocation
 24 provision may apply to all or part of the redevelopment project area.
 25 The allocation provision must require that any property taxes
 26 subsequently levied by or for the benefit of any public body entitled to
 27 a distribution of property taxes on taxable property in the allocation
 28 area be allocated and distributed as follows:

29 (1) Except as otherwise provided in this section, the proceeds of
 30 the taxes attributable to the lesser of:

31 (A) the assessed value of the property for the assessment date
 32 with respect to which the allocation and distribution is made;
 33 or

34 (B) the base assessed value;
 35 shall be allocated to and, when collected, paid into the funds of
 36 the respective taxing units.

37 (2) Except as otherwise provided in this section, property tax
 38 proceeds in excess of those described in subdivision (1) shall be
 39 allocated to the redevelopment district and, when collected, paid
 40 into a special fund for that allocation area that may be used by the
 41 redevelopment district only to do one (1) or more of the
 42 following:

C

p
y

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

Y

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

1 forth in subsection (b)(2).

2 (e) Notwithstanding any other law, each assessor shall, upon
3 petition of the commission, reassess the taxable property situated upon
4 or in, or added to, the allocation area, effective on the next assessment
5 date after the petition.

6 (f) Notwithstanding any other law, the assessed value of all taxable
7 property in the allocation area, for purposes of tax limitation, property
8 tax replacement, and formulation of the budget, tax rate, and tax levy
9 for each political subdivision in which the property is located, is the
10 lesser of:

11 (1) the assessed value of the property as valued without regard to
12 this section; or

13 (2) the base assessed value.

14 (g) If any part of the allocation area is located in an enterprise zone
15 created under IC 5-28-15, the unit that designated the allocation area
16 shall create funds as specified in this subsection. A unit that has
17 obligations, bonds, or leases payable from allocated tax proceeds under
18 subsection (b)(2) shall establish an allocation fund for the purposes
19 specified in subsection (b)(2) and a special zone fund. Such a unit
20 shall, until the end of the enterprise zone phase out period, deposit each
21 year in the special zone fund the amount in the allocation fund derived
22 from property tax proceeds in excess of those described in subsection
23 (b)(1) from property located in the enterprise zone that exceeds the
24 amount sufficient for the purposes specified in subsection (b)(2) for the
25 year. A unit that has no obligations, bonds, or leases payable from
26 allocated tax proceeds under subsection (b)(2) shall establish a special
27 zone fund and deposit all the property tax proceeds in excess of those
28 described in subsection (b)(1) in the fund derived from property tax
29 proceeds in excess of those described in subsection (b)(1) from
30 property located in the enterprise zone. The unit that creates the special
31 zone fund shall use the fund, based on the recommendations of the
32 urban enterprise association, for one (1) or more of the following
33 purposes:

34 (1) To pay for programs in job training, job enrichment, and basic
35 skill development designed to benefit residents and employers in
36 the enterprise zone. The programs must reserve at least one-half
37 (1/2) of the enrollment in any session for residents of the
38 enterprise zone.

39 (2) To make loans and grants for the purpose of stimulating
40 business activity in the enterprise zone or providing employment
41 for enterprise zone residents in an enterprise zone. These loans
42 and grants may be made to the following:

**C
o
p
y**

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

1 of assessed valuation.

2 (b) This subsection applies to a county having a consolidated city.
 3 The county fiscal body may elect to fund the operation of the district
 4 from part of the certified distribution, if any, that the county is to
 5 receive during a particular calendar year under IC 6-3.5-6-17. To make
 6 such an election, the county fiscal body must adopt an ordinance before
 7 September 1 of the immediately preceding calendar year. The county

 14 the number of public agencies served by the district, the ~~local~~
 15 ~~government tax control board~~ **department of local government**
 16 **finance** shall, for property taxes first due and payable during the year

 23 **finance** shall reduce the maximum permissible ad valorem property tax
 24 levy of the unit for property taxes first due and payable during the year
 25 after the adoption of the ordinance or resolution. The reduction shall be
 26 based on the amount budgeted by the unit for public safety
 27 communication services in the year in which the ordinance was
 28 adopted. If such an ordinance or resolution is adopted, the district shall
 29 refer its proposed budget, ad valorem property tax levy, and property
 30 tax rate for the following year to the ~~board,~~ **department of local**
 31 **government finance**, which shall review and set the budget, levy, and

33 (e) If a unit by ordinance or resolution withdraws from the district
 34 or rescinds its election to have its public safety agencies served by the
 35 district, the ~~local government tax control board~~ **department of local**
 36 **government finance** shall reduce the maximum permissible ad
 37 valorem property tax levy of the district for property taxes first due and
 38 payable during the year after the adoption of the ordinance or
 39 resolution. The reduction shall be based on the amounts being levied

 3 covered by IC 6-1.1-18.5-7.

4 (f) The adjustments provided for in subsections (c), (d), and (e) do
 5 not apply to a district or unit located in a particular county if the county
 6 fiscal body of that county does not impose an ad valorem property tax
 7 levy under subsection (a) to fund the operation of the district.

8 (g) A county that has adopted an ordinance under section 1(3) of
 9 this chapter may not impose an ad valorem property tax levy on
 10 property within the district to fund the operation or implementation of
 11 the district.

distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for all participating units.

STEP THREE: Divide the STEP ONE result by the STEP TWO result.

STEP FOUR: Multiply the STEP THREE result by the property tax levy imposed for the territory for the particular year.

SECTION 275. IC 36-8-19-8, AS AMENDED BY P.L.128-2008, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 8. (a) Upon the adoption of identical ordinances or resolutions, or both, by the participating units under section 6 of this chapter, the designated provider unit must establish a fire protection territory fund from which all expenses of operating and maintaining the fire protection services within the territory, including repairs, fees, salaries, depreciation on all depreciable assets, rents, supplies, contingencies, and all other expenses lawfully incurred within the territory shall be paid. The purposes described in this subsection are the sole purposes of the fund, and money in the fund may not be used for any other expenses. Except as allowed in subsections (d) and (e) and section 8.5 of this chapter, the provider unit is not authorized to transfer money out of the fund at any time.

(b) The fund consists of the following:

- (1) All receipts from the tax imposed under this section.
- (2) Any money transferred to the fund by the provider unit as authorized under subsection (d).
- (3) Any receipts from a false alarm fee or service charge imposed by the participating units under IC 36-8-13-4.
- (4) Any money transferred to the fund by a participating unit under section 8.6 of this chapter.

(c) The provider unit, with the assistance of each of the other participating units, shall annually budget the necessary money to meet

C

the expenses of operation and maintenance of the fire protection services within the territory, plus a reasonable operating balance, not to exceed twenty percent (20%) of the budgeted expenses. **Except as provided in IC 6-1.1-18.5-10.5**, after estimating expenses and receipts of money, the provider unit shall establish the tax levy required to fund the estimated budget. The amount budgeted under this subsection shall be considered a part of each of the participating unit's budget.

(d) If the amount levied in a particular year is insufficient to cover the costs incurred in providing fire protection services within the territory, the provider unit may transfer from available sources to the fire protection territory fund the money needed to cover those costs. In this case:

(1) the levy in the following year shall be increased by the amount required to be transferred; and

(2) the provider unit is entitled to transfer the amount described in subdivision (1) from the fund as reimbursement to the provider unit.

(e) If the amount levied in a particular year exceeds the amount necessary to cover the costs incurred in providing fire protection services within the territory, the levy in the following year shall be reduced by the amount of surplus money that is not transferred to the equipment replacement fund established under section 8.5 of this chapter. The amount that may be transferred to the equipment replacement fund may not exceed five percent (5%) of the levy for that fund for that year. Each participating unit must agree to the amount to be transferred by adopting an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that specifies an identical amount to be transferred.

(f) The tax under this section is ~~not~~ subject to the tax levy limitations imposed ~~on civil taxing units under IC 6-1.1-18.5~~ for any unit that is a participating unit in a fire protection territory that was established before August 1, 2001: **under IC 6-1.1-18.5-10.5.**

(g) This subsection applies to a participating unit in a fire protection territory established under IC 36-8-19 after July 31, 2001. For purposes of calculating a participating unit's maximum permissible ad valorem property tax levy for the three (3) calendar years in which the participating unit levies a tax to support the territory, the unit's maximum permissible ad valorem property tax levy for the preceding calendar year under IC 6-1.1-18.5-3(a) STEP ONE or IC 6-1.1-18.5-3(b) STEP ONE is increased each year by an amount equal to the difference between the:

(1) amount the unit will have to levy for the ensuing calendar year

1 in order to fund the unit's share of the fire protection territory
 2 budget for the operating costs as provided in the ordinance or
 3 resolution making the unit a participating unit in the fire

 5 (2) unit's levy for fire protection services for the calendar year that
 6 immediately precedes the ensuing calendar year in which the
 7 participating unit levies a tax to support the territory.

 22 levy of taxes is made.

23 (c) A special tax levied under this section shall be:
